Ellwanger,2020-02-25 Western culture is in a moment when wholly new kinds of personal transformations are possible but authentic transformation requires both personal testimony and public recognition In this book Adam Ellwanger takes a distinctly rhetorical approach to analyzing how the personal and the public relate to an individual s transformation and develops a new vocabulary that enables a critical assessment of the concept of authenticity The concept of metanoia is central to this project Charting the history of metanoia from its original use in the classical tradition to its adoption by early Christians as a term for religious conversion Ellwanger shows that metanoia involves a change within a person that results in a truer version of him or herself a change in character or ethos He then applies this theory to our contemporary moment finding that metanoia provides unique insight into modern forms of self transformation Drawing on ancient and medieval sources including Thucydides Plato Paul the Apostle and Augustine as well as contemporary discourses of self transformation such as the public testimonies of Caitlyn Jenner and Rachel Dolezal Ellwanger elucidates the role of language in signifying and authenticating identity Timely and original Ellwanger s study formulates a transhistorical theory of personal transformation that will be of interest to scholars working in social theory philosophy rhetoric and the history of Christianity

Bruce Or Caitlyn Jenner: the True Story Alexander Jenner, 2015-06-20 How did this become the 1 story in America and also gain so much attention from around the world Once considered The World's Greatest Athlete who embodied the physical strength most men only dream of to then tell the world he or she identifies as a woman For many younger people Jenner has been a TV reality star For the older generation Jenner was considered the greatest athlete in the world My initial question before writing this book was Why is this getting so much attention until we did some research This is not a pro con book of Jenner and will not engage in petty name calling comparing of redundant ideals We will call a spade a spade when necessary As a great man once said Let the truth come though the heavens may fall We just saw the case of Rachel Dolezal who is Caucasian but says she identifies with being black Identify is becoming an exponentially a topic for people who couldn't speak up years ago Some critics accuse the media of exploiting the situation for ratings After all they are paid by commercials and the commercials are there to sell products to consumers If you look at the ratings you can only

imagine how much money people have made And then again the media isn't there to give news they have only one bias a financial one It's like a dance but who is leading Yes millions of people have been tuning in by the millions but then again if all the media channels only show Jenner what other choice do they have It's like a soap opera or sports for men you start watching and you want to see how it develops just like a movie And what a great movie this would make Former NAACP President Rachel Dolezal had said I cried because I resonated with some of the themes of isolation of being misunderstood to not know if you have a conversation with somebody will that relationship then end because they have seen you as one way she said

HOAX of Biblical Proportions Edward Hendrie, 2023-12-22 Satan knows that God has promised to preserve his words found in the Holy Scriptures so it would be futile for him to try to destroy them Thus Satan's strategy is to obscure God's words by flooding the world with counterfeit Bibles That way he can flimflam people into reading his corrupt Bibles instead of God's infallible Scriptures The devil can then lead men astray from the true gospel This book will prove that the Authorized King James Version of the Holy Bible is given by inspiration of God It will reveal how Satan is using profane Bible versions to divert the world away from God's inspired Holy Scriptures The changes in the new Bible versions are not merely cosmetic for ease of reading as claimed by the publishers they change doctrine The new Bible versions have demoralized churches by proclaiming a different Jesus and a different gospel from what is in God's inspired King James Holy Bible
