Bruce Jenner E Documentary:

RuPaul's Drag Race and Philosophy Hendrik Kempt, Megan Volpert, 2019-12-03 As RuPaul has said this is the Golden Age of Drag and that's chiefly the achievement of RuPaul's Drag Race which in its eleventh year is more popular than ever and has now become fully mainstream in its appeal The show has an irresistible allure for folks of all persuasions and proclivities Yet serious or philosophical discussion of its exponential success has been rare Now at last we have RuPaul's Drag Race and Philosophy shining the light on all dimensions of this amazing phenomenon theories of gender construction and identity interpretations of RuPaul's famous quotes and phrases the paradoxes of reality shows the phenomenology of the drag queen and how the fake becomes the truly authentic Among the thought provoking issues examined in this path breaking and innovative volume What Should a Queen Do Marta Sznajder looks at RuPaul's Drag Race from the perspective of rationality Where contestants have to eliminate each other the prisoner's dilemma and other well known situations emerge Reading Is Fundamental Lucy McAdams analyzes two different important speech acts that regularly appear on Drag Race reading and throwing shade The Values of Drag Race Guilel Treiber observes two competing sets of values being presented in Drag Race The more openly advertised charisma uniqueness nerve and talent advancing the skills of every single contender are opposed by the fading set of acceptance support solidarity and empowerment which has historically been the cornerstone of the LGBTI community The Importance of Being Fabulous Holly Onclin challenges the preconceived notion that drag queens are mainly about female impersonation and instead proposes to understand drag queens as impersonators of celebrity RuPaul Is a Better Warhol Megan Volpert compares RuPaul and Andy Warhol in their shared pursuit of realness Is Reading Someone to Filth Allowed Rutger Birnie asks whether there are ethical restrictions on reading someone since reads are ultimately insults and could cause harm Serving Realness Dawn Gilpin and Peter Nagy approach the concept of realness in Drag Race to discuss the differences between realness authenticity and the nature of being Death Becomes Her Hendrik Kempt explores the topic of death both in philosophy and in Drag Race starting from the claim that Philosophy is training for death We're All Born Naked Oliver Norman follows up on Ru's mantra We are all born naked and the rest is drag Fire Werk with Me Carolina Are looks into the fan subcultures of Drag Race and Twin Peaks which have come together to form a unique sub subculture in which members of both fan subcultures create memes and idiosyncrasies Towards a Healthier Subjectivity Ben Glaister looks at the way Drag Race contestants adopt their drag personae almost as second selves without finding themselves violating their other self RuPaul versus Zarathustra Julie and Alice van der Wielen ask the question Who would win an intellectual lip sync battle RuPaul or Nietzsche's Zarathustra Playing with Glitter Fernando Pagnoni and pals explore the game and play elements of Drag Race The Origins of Self Love Anna Fennell expounds upon RuPaul's question If you can't love yourself how in the hell you gonna love somebody else The Sublime Sandra Ryan thinks about Kant's concept of the sublime and explores how we find its applications in Drag Race You Want to Be Anonymous You Better Work Alice Fox

watches Drag Race through the lens of criminal law and the problem of decreasing anonymity through ubiquitous data surveillance Drag Race can teach us how to create misleading patterns of online behavior and public presentation to render the blackbox persona useless Drag and Vulnerability Anneliese Cooper contrasts Drag Race's demand for vulnerability and perceived authenticity with the inherent inauthenticity of creating a new persona **The Kardashians** Jerry Oppenheimer, 2017-09-19 From the New York Times bestselling author of Crazy Rich comes a blockbuster unauthorized biography of one of the most famous and ubiquitous family dynasties in contemporary culture The Kardashians Secrets and scandals of the Kardashians so closely held that not even hard core fans have heard about them are finally exposed in New York Times bestselling author Jerry Oppenheimer's forensic dissection of the infamous reality TV clan From the curious life of patriarch Robert Kardashian whose family meatpacking business was tainted by scandal to momager Kris Jenner's top secret plan for the future The Kardashians reveals the untold definitive story based on two years of investigative reporting and scores of candid on the record interviews ranging from childhood friends to powerful business associates who break their silence for the first time In the decade since the Kardashians first appeared on the scene millions of speculative words have been written about their drama filled lives But most has been tabloid hype and gossip column fantasy Until now Oppenheimer has written revelatory books on such international icons as the Clintons the Kennedys the Hiltons and more and now comes The Kardashians the true story that will make headlines and shock even the most loyal fans **Sociology of Sexualities** Kathleen J. Fitzgerald, Kandice L. Grossman, 2017-02-08 Sociology of Sexualities by Kathleen J Fitzgerald and Kandice L Grossman is the first comprehensive text to approach the study of sexuality from a sociological perspective Drawing on the most up to date social scientific research on sexuality it discusses fundamental concepts in the field and helps students integrate knowledge about sexuality into their larger understanding of society Topics covered include the emergence of sexual identities inequalities and discrimination faced by sexual and gender minorities heterosexual and cisgender privilege activism and mobilization to challenge such discrimination the commodification of sexuality and the ways sexuality operates in and through various institutions Throughout the text the authors show how sexuality intersects with other statuses and identities **Everything You Ever Wanted to Know about Trans (But Were Afraid to Ask)** Brynn Tannehill, 2018-11-21 Leading activist and essayist Brynn Tannehill tells you everything you ever wanted to know about transgender issues but were afraid to ask The book aims to break down deeply held misconceptions about trans people across all aspects of life from politics law and culture through to science religion and mental health to provide readers with a deeper understanding of what it means to be trans The book walks the reader through transgender issues starting with What does transgender mean before moving on to more complex topics including growing up trans dating and sex medical and mental health and debates around gender and feminism Brynn also challenges deliberately deceptive information about transgender people being put out into the public sphere Transphobic myths are debunked and biased research bad statistics and bad science are carefully

and clearly refuted This important and engaging book enables any reader to become informed the most critical public conversations around transgender people and become a better ally as a result **Caitlyn Jenner** Carla Mooney,2016-07-15 Countless media outlets reported it 2015 was the year of identity And by and large Caitlyn Jenner was a central figure in forging that dialogue When she revealed her gender identity as a trans woman Jenner shocked the public with her frankness bringing awareness of transgender rights into the public spotlight This biography tracks the life of one of America s most beloved athletes and television personalities putting emphasis on her role as a celebrity advocate for transgender individuals Sidebars highlight other celebrity figures who paved the way for Jenner and cover important topics such as language sensitivity and transgender suicide rates *Brain & Behavior* Bob Garrett,Gerald Hough,2017-10-04 Ignite your students excitement about behavioral neuroscience with *Brain Behavior An Introduction to Behavioral Neuroscience Fifth Edition* by best selling author Bob Garrett and new co author Gerald Hough Garrett and Hough make the field accessible by inviting students to explore key theories and scientific discoveries using detailed illustrations and immersive examples as their guide Spotlights on case studies current events and research findings help students make connections between the material and their own lives A study guide revised artwork new animations and an interactive eBook stimulate deep learning and critical thinking A Complete Teaching Learning Package Contact your rep to request a demo answer your questions and find the perfect combination of tools and resources below to fit your unique course needs SAGE Premium Video Stories of Brain Behavior and Figures Brought to Life videos bring concepts to life through original animations and easy to follow narrations Watch a sample Interactive eBook Your students save when you bundle the print version with the Interactive eBook Bundle ISBN 978 1 5443 1607 9 which includes access to SAGE Premium Video and other multimedia tools Learn more SAGE coursepacks SAGE coursepacks makes it easy to import our quality instructor and student resource content into your school s learning management system LMS Intuitive and simple to use SAGE coursepacks allows you to customize course content to meet your students needs Learn more SAGE edge This companion website offers both instructors and students a robust online environment with an impressive array of teaching and learning resources Learn more Study Guide The completely revised Study Guide offers students even more opportunities to practice and master the material Bundle it with the core text for only 5 more Learn more [Girl Boner Journal](#) August McLaughlin,2020-09-29 Embrace Your Inner Girl Boner Discover more about yourself and your sensuality as you explore everything from lessons learned in sex ed and your hottest fantasies to gender identities ways to embrace your feelings and a Yes No Maybe list you don t want to miss Whether you pair it with Girl Boner s practical tips in depth reporting and inspired storytelling or use it on its own Girl Boner Journal will help you take your sexual empowerment journey deeper It s full of stories and writing prompts to help you better understand and embrace your physical emotional and sexual self Pleasure is key to our health and happiness it should be thoughtful not an afterthought [Real-World Media Ethics](#) Philippe Perebinosoff,2016-07-15 Is it ethical to pass yourself off as black if you

are Caucasian as Rachel Dolezal the president of a local chapter of the NAACP did in 2015 Was it ethical for Donald Sterling the former owner of the NBA team to use racially inflammatory language Is it ethical to exaggerate or fabricate the importance of one's role as Brian Williams apparently did when he anchored the NBC nightly news Is it ethical for a journalist to pay a source for a story tips and photos as TMZ Gawker and others do regularly The above questions as well as other questions definitely illustrate the need for studying ethics Real World Media Ethics provides a wide showcase of real ethical issues faced by professionals in the media field Numerous case studies allow readers to explore multiple perspectives while using realistic ethical principles This book includes the basics in ethical journalism as well as the tools to navigate through the landscape of mass media such as public relations entertainment and other forms of visual communication The second edition has been updated to encompass globalization new media platforms current copyright issues net neutrality sports ethics and more An accompanying companion website provides additional interviews demonstrating ethical principles in practice Being a former ABC executive author Philippe Perebinosoff gives readers an inside look at circumstances with an ethical experienced eye Fog & Shadows: Tales of Mystery From the Pacific Northwest Sterncastle Writers

Collective, 2024-10-01 Transport yourself to the misty reaches of the Pacific Northwest with Fog Shadows an anthology of captivating mysteries that unfold in the region's most iconic settings From the lonely depths of the endless evergreen forests to the rugged coastline where sea and storm collide each story immerses you in the untamed beauty of the Northwest while unraveling secrets as thick as the coastal fog This collection features works from a diverse group of talented authors each weaving narratives of suspense and intrigue with deft twists that take place across the cities small towns and wild terrains of this majestic region of the world Whether it's a cold case solved by a curious young boy a panicked self-assurance of one's own innocence or increasing encounters with a certain type of standoffish drifter these stories are steeped in the lore of a place where nature itself seems to guard its own enigmas Fog Shadows delivers an unforgettable journey through one of the most mysterious corners of the world Let the fog roll in and the suspense build because in the Pacific Northwest every shadow hides a secret

Orienting Feminism Catherine Dale, Rosemary Overell, 2018-03-09 This edited collection explores the meaning of feminism in the contemporary moment which is constituted primarily by action but also uncertainty The book focuses on feminist modes of activism as well as media and cultural representation to ask questions about organising representing and articulating feminist politics In particular it tackles the intersections between media technologies and gendered identities with contributions that cover topics such as twerking trigger warnings and trans identities This volume directly addresses topical issues in feminism and is a valuable asset to scholars of gender media and sexuality studies
