Garlow,2016-07-05 I believe that the Bible speaks not merely to personal family and church issues but to national community and governmental issues if we would take the time to listen James L Garlow Conservative Christians admit that they do not speak out on political or cultural issues because they do not know how to support their beliefs from a biblical basis according to a recent poll Instead they remain silent on critical issues like marriage racism and transgender issues because they feel uninformed and ill equipped to defend their beliefs New York Times bestselling author and pastor James L Garlow offers the solution a practical biblical guide for the 21st century Christian *Well Versed Biblical Answers to Today's Tough Issues* ISBN 978 1 62157 550 4 14 99 June 2016 informs and prepares readers to tackle the important issues of the day and engage with those around them in a loving Scripturally based manner In *Well Versed* readers will learn Biblical responses to Religion in the Public Square Purpose of Government the First Amendment and Political Correctness Family and Life Issues Marriage School Choice Abortion Sexual Orientation and Healthcare Economics
