Brushed By The Sacred:

In the Brush: Old-Time Social, Political, and Religious Life in the Southwest Hamilton Wilcox Pierson, On a visit to New York many years ago after the first few months of my ministerial labors in the wilds of the Southwest I met a warm personal friend a genial generous noble Christian woman who at once said to me And so you are a Western missionary Well do tell me if anything strange or funny ever did happen to a missionary Mother has taken the home missionary papers ever since I was a child and I always read them and I often wonder if anything strange or funny did ever happen to a Western missionary I had recently spent three happy years in the Union Theological Seminary in that city and had come back to attend the heart stirring anniversaries held in those days in the old Broadway Tabernacle and to meet again the many friends who had followed me in my labors with their kind wishes and their prayers Though nearly thirty years have passed since I received that greeting I have never forgotten and have very often recalled it And I have as often thought that it was most natural that the churches and people at large who send forth and sustain the heroic laborers who are toiling in the varied departments of Christian effort in our newer States and Territories should desire a much fuller account of their daily lives and labors As many of them travel extensively and see pioneer border life in all its aspects and phases I have thought it most natural and reasonable that the people should desire to know more of their adventures more of their contact with the rough whole souled people with whom they so often meet and mingle more of that strange compound of energy recklessness and daring the hardy hosts who erect their log cabins and fell the forests in the van of our American civilization in its triumphant westward march Only one day in seven is set apart as sacred time and only a few hours of that day are devoted to what are generally regarded as spiritual duties A description of these duties alone whether performed on Sabbath days or week days is a very inadequate description of missionary life as a whole In order to perform these duties a man must eat and drink take care of his body mingle with the world and meet all his responsibilities as a man and a citizen In the pages that follow it will be my purpose to present a portraiture of ministerial life in the wilds of the Southwest in all its aspects and phases exactly as I found it I shall attempt to portray week day life as well as Sunday life I shall describe scenes of wonderful and thrilling religious interest and the most common and homely incidents of every day life and as far as possible give an idea of my life as a whole I shall attempt to describe the politicians preachers and people the country in which they live their manners and customs their barbecues basket meetings and weddings and all the peculiarities of their open free and genial home life in its social political and religious aspects and relations In this I shall be successful only so far as I succeed in perfectly describing their life and my own during the many years that I mingled with them My lady friend and questioner to whom I have referred was slightly mistaken in calling me a missionary I was not one in name At the time of my graduation from the Theological Seminary I was under appointment as a missionary of the American Board of Commissioners for Foreign Missions to West Africa but hemorrhages from my lungs prevented my entrance upon that work **In the Brush, Or, Old-time Social,**

Political, and Religious Life in the Southwest Hamilton Wilcox Pierson, 1881 **Sacred Kōyasan** Philip L.

Nicoloff, 2007-11-08 For more than one thousand years the vast Buddhist monastery and temple complex on remote Mount Koya has been one of Japan's most important religious centers Saint Kōb Daishi also known as Kōkai founder of the esoteric Shingon school and one of the great figures of world Buddhism consecrated the mountain for holy purposes in the early 800s Buried on Kōyasan Kōb Daishi is said to be still alive selflessly advocating for the salvation of all sentient beings Located south of Osaka Kōyasan has attracted visitors from every station of Japanese life and in recent years more than a million tourists and pilgrims visit annually In Sacred Kōyasan the first book length study in English of this holy Buddhist mountain Philip L Nicoloff invites readers to accompany him on a pilgrimage Together with the author the pilgrim reader ascends the mountain stays at a temple monastery and explores Kōyasan's main buildings sacred statues and famous forest cemetery Author and reader participate in the full annual cycle of rituals and ceremonies and explore the life and legend of Kōb Daishi and the history of the mountain Written for both the scholarly and general reader Sacred Kōyasan will appeal to potential travelers dedicated armchair travelers and all readers interested in Buddhism and Japanese culture **Ashes of Heaven** Terry C.

Johnston, 2025-06-25 Ashes of Heaven Terry C Johnston The U S Army's goal to wipe out the remnants of scattered starving people on the frontier's Northern Plain But before Colonel Nelson A Miles the Bear Coat launched his spring campaign into the heart of Indian country the commander took one last stab at negotiations and called on a Cheyenne woman and the famous half breed pony scout named Johnny Bruguier Together they traveled to the valley of the upper Rosebud River to urge the Sioux to surrender But a personal grudge exploded in the ranks of the U S Army Now as a man and a woman risk their lives for peace the culmination of the great Sioux War is set in motion and the Bear Coat takes on the last of the fierce Lakota warriors *The Iconoclast's Brush* Kerry Gilmor, 2024-11-12 Constantinople 726 AD Emperor Leo III unleashes Iconoclasm a war on images shaking the Byzantine Empire to its core In the heart of the city iconographer Anna Fuller paints with feverish devotion unaware that her pigments sourced from a remote monastery hold a latent power Her latest masterpiece an icon of the Theotokos whispers The whispers spread a dissonant chorus of painted saints and angels their voices laced with dogma and something far older far more alien The icons are not merely alive they have an agenda Deacon Justin Jones a charismatic iconoclast senses the shift He believes the icons power can be harnessed to reshape Byzantium Anna's studio becomes a nexus of conflicting forces Jaime Grant a historian and Anna's confidante dismisses her claims of sentient icons as madness while Erika Walker a fervent iconodule sees them as weapons against Iconoclasm Torn between skepticism belief and the insistent whispers Anna questions her sanity her faith and the very nature of her art Justin sensing opportunity manipulates Anna drawing her into his iconoclastic vision Jaime uncovering ancient texts races to reveal the true nature of the pigments a primal force waiting to be awakened Erika desperate to retain Anna's allegiance reveals a secret society dedicated to protecting the power of images As the icons whispers intensify Anna must choose embrace Justin's world

purged of images or wield the power of her creations But the icons have their own agenda Painted figures step from their frames unleashing chaos upon Constantinople a canvas for a metaphysical war Caught in the crossfire Anna faces her ultimate test Will she destroy or transcend With a final defiant brushstroke she paints an icon that redefines not only her art but the very meaning of iconoclasm forever changing the fate of Byzantium
