of a morphological change alteration or damage to plant tissue and or cells due to an interference of the plant's metabolism. All basic structures of vascular plants are subject to attack by pathogens. The failure in accurate disease diagnosis and management may lead to huge losses in plant production and related commodities which causes nutritional food scarcity. Typically the appearance of a biotic symptom will indicate the relatively late stage of an infection and or colonization of a pathogen. Expert detection, accurate diagnosis and timely management play a significant role in keeping plants free from pathogens. In this book, expert scholars share their research knowledge and key literature which are vital toward the diagnosis of plant diseases across the globe, addressing traditional plant pathology techniques as well as advanced molecular diagnostic approach.

Gamification in Learning and Education Sangkyun Kim, Kibong Song, Barbara Lockee, John Burton, 2017-09-19. This book explores the theoretical foundations of gamification in learning and education. It has become increasingly difficult to engage and motivate students. Gamification not only makes learning interesting but also allows game players to solve problems and learn lessons through repeated attempts and failures. This positive failure can motivate students to attempt a difficult mission. Chapters in this volume cover topics such as the definition and characteristics of gamification, gamification in learning and education, theories, research on gamification, framework, strategy and cases.

Accelerating Genetic Gain for Key Traits Using Genome-Wide Association Studies and Genomic Selection: Promising Breeding Tools for Sustainable Agriculture Sundeep Kumar, Philomin Juliana, Dwijesh Chandra Mishra, 2024-01-08.

Faith Prints Mark H. Young, 2014-02. This collection of 150 daily devotionals came into existence at Houston Methodist Willowbrook Hospital. Ideas and stories may have taken flight somewhere along the way but ultimately they were generated from the spiritual care office usually early in the mornings. What started as a monologue quickly turned into a dialogue as staff and then guests and patients began picking them up and responding, turning them into holy conversations. While some of the stories are hospital based, the vast majority came out of author Mark H. Young's life experiences illustrating that God's footprints are truly everywhere. While brief by intention to offer the reader a quick glance while on the clock, it also provides a deeper reflection about the holy and wonderful God in our midst. From outer space to the human race, there is something for anyone wanting to ponder the reality of a God who loves us.
