A Year of Summer Shadows Alice Orr, 2015-04-19 A YEAR OF SUMMER SHADOWS by ALICE ORR Mark Hailey's Story Hailey Lambert loves her North Country life but she doesn't love some of her North Country memories Riverton was a great place to grow up except for Hailey's trouble with the Hargate's Now Julia Hargate is back in Hailey's life and Virginia Julia's domineering mother is back too Hailey would like to send them both packing except for the fact that Julia's in a mess that could take away her freedom and maybe her life Hailey has no choice but to help Mark Kalli has had his eye on Hailey for a long time but she won't give him the time of day Now she's mixed up in the murder of sleazy Finley Yates It looks like spoiled heiress Julia Hargate is the killer Hailey says that's not true and insists she has to help Mark has no choice but to get involved with the killing and with Hailey whether she wants him around or not **Summer of Shadows** Jonathan

Knight, 2010-12-01 Summer of Shadows is an intertwining narrative that tells the story of the 1954 Cleveland Indians which would etch itself in history as one of the greatest baseball teams in MLB history and the infamous murder of the wife of Dr Sam Sheppard in their home along the shore of Lake Erie which held both the city and the nation spellbound that summer Both of these generation defining stories take place in the final days of the Best Location in the Nation the nickname for the Cleveland of the 1950s which truly was one of the great and most influential cities in America The Sheppard case would influence the television series The Fugitive a decade later and give Cleveland's reputation a black eye following the shoddy and unethical behavior of the city's police department and news media which led to the conviction of an innocent man Meanwhile the 1954 Indians would post the greatest season in American League history and dethrone the five time champion New York Yankees in a dramatic pennant race culminating in a September doubleheader before 86 000 fans at Cleveland Stadium The powerful Indians would then be swept by Willie Mays and the New York Giants in the World Series These two parallel tragedies harbingers an onslaught of adversity that dragged Cleveland from its lofty standing as a leading American city to one with a bleak even comic reputation Summer of Shadows is essentially a postcard from that gilded age when the city enjoyed its own golden October not knowing that decades of dismal bitter winter lay ahead *A Shadow in Summer*

Daniel Abraham, 2007-04-01 From debut author Daniel Abraham comes A Shadow in Summer the first book in the Long Price Quartet fantasy series The powerful city state of Saraykeht is a bastion of peace and culture a major center of commerce and trade Its economy depends on the power of the captive spirit Seedless an *andant* bound to the poet sorcerer Heshai for life Enter the Galts a juggernaut of an empire committed to laying waste to all lands with their ferocious army Saraykeht though has always been too strong for the Galts to attack but now they see an opportunity If they can dispose of Heshai Seedless's bonded poet sorcerer Seedless will perish and the entire city will fall With secret forces inside the city the Galts prepare to enact their terrible plan In the middle is Otah a simple laborer with a complex past Recruited to act as a bodyguard for his girlfriend's boss at a secret meeting he inadvertently learns of the Galtish plot Otah finds himself as the sole hope of

Saraykeht either he stops the Galts or the whole city and everyone in it perishes forever At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *Summer's Shadow* Anna Wilson,2014-07-03 Her mother s will states that Summer s legal guardian is her uncle Tristan a man Summer has never even heard of before Forced to leave her life in London Summer moves to Tristan s creepy ancient house in Cornwall There she is met with indifference from him open hostility from her cousin and an aunt who has chosen to leave rather than to tolerate her presence Soon Summer comes to believe that the house may be haunted But is it haunted by ghosts or by the shadows of her family s past Scared and lonely Summer begins to spend more and more time in the beautiful sheltered cove she discovers nearby But she s not alone A local boy frequents it too Can Summer find first love and the answers to the mysteries of her new home with this good looking boy who appears to be too perfect to be true *Ptolemy's Almagest* Ptolemy,2020-05-05 Ptolemy s *Almagest* is one of the most influential scientific works in history A masterpiece of technical exposition it was the basic textbook of astronomy for more than a thousand years and still is the main source for our knowledge of ancient astronomy This translation based on the standard Greek text of Heiberg makes the work accessible to English readers in an intelligible and reliable form It contains numerous corrections derived from medieval Arabic translations and extensive footnotes that take account of the great progress in understanding the work made in this century due to the discovery of Babylonian records and other researches It is designed to stand by itself as an interpretation of the original but it will also be useful as an aid to reading the Greek text **SHADOWS** Stanley J. Serxner,2019-11-25 These are short stories No novels Hardly any violence or sex Some are funny some mystery some deeper than others Is there a major motion picture lurking in my stories Will I rate the New York Times best seller list Will I be translated into 57 obscure languages Hope springs eternal Meanwhile soar with me into my flighty flights of imagination Thanks Questions Comments Email pepperstan81 gmail com **Summer in the Shadow of Byron** Andrew McConnell Stott,2013-11-07 In the spring of 1816 Lord Byron was the greatest poet of his generation and the most famous man in Britain but his personal life was about to erupt Fleeing his celebrity notoriety and debts he sought refuge in Europe taking his young doctor with him As an inexperienced medic with literary aspirations of his own Dr Polidori could not believe his luck That summer another literary star also arrived in Geneva With Percy Bysshe Shelley came his lover Mary and her step sister Claire Clairmont For the next three months this party of young bohemians shared their lives charged with sexual and artistic tensions It was a period of extraordinary creativity from which would emerge *Frankenstein* the gothic masterpiece of Romantic fiction Byron s *Childe Harold* Shelley s *Mont Blanc* and *The Vampyre* by John Polidori the first great vampire novel It was also a time of remarkable drama and emotional turmoil For Byron and the Shelleys their stay by the lake would serve to immortalise them in the annals of literary history But for Claire and Polidori the Swiss sojourn would scar them forever **Silverwhite** Lennart Meri,2025-05-22 *Silverwhite* is a captivating exploration of the eastern Baltic nations earliest history and interactions with peoples of the Mediterranean and the Near

East This journey meticulously outlines an answer to the true whereabouts of Thule the unearthly northernmost land of ancient legend Although Silverwhite is grounded in classical literature and extensive historical astronomical and geographical fact Lennart Meri foremost a writer and filmmaker weaves his travelogue with poeticism Whereas a professional historian must show caution when using fantasy to patch gaps between facts a poet is untethered This epic work can also be read as a thriller millennia ago an enormous cosmic rock crashed into the Estonian island of Saaremaa Through this extraordinary historical event Meri brings together a curious cast including ancient Greeks Arabs and Estonians All genuinely existed and met even if their names have been lost to oblivion When Meri wrote Silverwhite Estonia was occupied forced into the restrictions of Soviet Russian colonialism His work was a balm against that closed minded and unnatural state offering the unmistakable message that the world has never been divided into isolated islands of civilisation Nations eternally interconnected have always shared knowledge and impacted one another in complex ways Openness is inherent
