A World Without Heroes The Modern Tragedy:

A World Without Heroes George Charles Roche,1987 Knowing Brother Joseph Again Davis Bitton,2011-07-01 We live in an age of relativism What is beautiful for one is not for another what is good and moral for one is not for another and what is true for one is not for another Such an attitude widespread in the world condemns those who testify of truth I shudder at the thought that my presentation here will lead to such soft relativism I do not think that everything is up for grabs with each person s opinion being equally valid Just as Jesus was either Savior and Redeemer of the world or he was not so Joseph Smith was either a true authorized prophet of God or he was not In recounting his visions either he spoke the truth or he did not Yet the fact remains that different people saw him in different ways Even his followers emphasized different facets at different times All human beings are complex and resist the reductionism that would dismiss them with a single adjective or noun People like Joseph Smith are rich and complex Different people saw him differently or focused on a different facet of his personality at different time Inescapably what they observed or found out about him was refracted through the lens of their own experience Some of the different flickering not always compatible views are the subject of this book Davis Bitton Davis Bitton s life was cut short before he could finish revisions on this collection of insightful essays about Joseph Smith a prophet whom he also considers a hero in both classical terms and the context of nineteenth century America Knowing Brother Joseph Again explores images of Joseph Smith from both the devotion of believers and the hostility and skepticism of opponents God's Ten Words Buddy Hanson,2002-04 God s Ten Words provides clear directions on how to conform a person s life to God s will Each chapter contains a series of practical applications by quoting the most trusted and renowned biblical commentators of the past 2000 years who have written on the commandments Each commandment ends with a Before Christianity s Influence section that contrasts the Christian worldview from the worldview of non Christians The Check Up from the Heart Up review questions at the end of each chapter make the book suitable for individual and group study as well as Home School use Each chapter ends with a ThinkAbout essay that relates to the material in the commandment No Christian Man Is an Island Dex Bahr,2010-06 The sun is setting in America and darkness is falling Our nation needs knights Truth is under assault in America causing her to weaken from within In NO CHRISTIAN MAN IS AN ISLAND Dex Bahr argues that at no time in our history is it more crucial for Christian men to have the courage to be knights in defense of God country and family Bahr illuminates readers to the hostile spiritual and ideological forces that have hijacked faith education politics and media and why they must be defeated Praise for NO CHRISTIAN MAN IS AN ISLAND I highly recommend this book for the author s passion and heartfelt desire for the Christian man to not be passive but to be actively involved in his Christian life We are living in a world of decay and though we will not be able to stop it from its downward spiral we have the chance to slow down its course and we begin with a good comprehension and knowledge of our situation NO CHRISTIAN MAN IS AN ISLAND thoughtfully addresses these issues and clearly challenges us to a passionate

pursuit of God The opportunity to be a hero of God is out there just go and do it The world has yet to see what God could do to a fully surrendered man By Henry Varley friend of D L Moody Jofri Frigillana M Div Th M Talbot Theological Seminary Good Shepherd Baptist Church Anaheim CA Dex Bahr is a freelance writer A former broadcast news reporter Mr Bahr has worked in major markets including KJEO TV in Fresno California and OCN in Santa Ana California Mr Bahr has been a Christian since 1980 and has served the Lord as a lay speaker and small group leader He is married with two children

The Gagging of God D. A. Carson, 2009-09-01 The Gold Medallion Award winning book that presents a persuasive case for Christ as the only way to God in light of contemporary religious pluralism A great majority of social commentators attempting to define modern Western culture land on a common characteristic pluralism This isn't unique to secular culture Many modern approaches to Christian hermeneutics or biblical interpretation have given credence to contemporary pluralism What began as a refreshing restraint and humility in modern theology has fallen more and more into irresoluteness It's no secret that the contemporary challenges to Christianity are complex and serious Yet far from simple fear mongering or cultural warmongering *The Gagging of God* takes a hard look at the background and intricacy of pluralism postmodernity and hermeneutics and equips thoughtful Christians to have intelligent culturally sensitive and passionate fidelity to the gospel of Jesus Christ In his contemplative even handed approach Carson provides a structure of Christian thought capable of facing the philosophies of today and piercing their surface It invites Christians to grapple responsibly with urgent questions of biblically grounded theology spirituality and the defining lines of Christianity along with its range of challenges from without and within *The Gagging of God* offers an in depth look at the big picture shows how the many ramifications of pluralism are all parts of a whole and provides a systematic Christian response *The World & I*, 1988 *Art and Celebrity* John A.

Walker, 2002-12-20 The growing cult of the celebrity in contemporary culture is throwing up paradoxical ideas about the contradictions between high art and mass appeal and blurring the already unstable boundaries between art commodity and popular culture This is a lively and accessible study of the phenomenon informed by a look at what happens when the serious world of art collides with celebrity Global culture is now dominated by celebrities some of whom like Madonna and Stallone are art collectors and some like Dennis Hopper and David Bowie are part time artists Walker explains how artists such as Warhol Gavin Turk Jeff Koons Elizabeth Peyton and Alison Jackson contribute to but also critique the cult of celebrity by depicting film celebrities rock stars and royalty in paintings and statues Celebritisation has overtaken the art world too Walker surveys 14 art stars of the twentieth century from Dali to Tracey Emin He also reviews alternatives the left wing pantheon of figures such as Mao Che Guevara and Rosa Luxemburg and pictorial celebrations of the people **Why**

Conservatives Tell Stories and Liberals Don't David M Ricci, 2015-12-03 Why do conservatives tell stories Because it helps them win elections and assail liberal policies like health care reform and economic stimulus Why is important but the what and the how behind the stories that conservatives tell are equally interesting and in this new book David Ricci reveals

all He shows how conservative activists and candidates tell many tales that come together to project a large scale story a cultural narrative a vision of what America is and what it should do to prosper socially economically and politically Liberals by contrast tend to look for theories rather than stories for mathematical explanations rather than theological axioms for data rather than anecdotes and for statistics rather than homilies The difference is paradoxical Liberals are unlikely to fashion sweeping narratives that capture the public s attention and commitment Yet conservatives may tell attractive stories like the ones that got us into Iraq that momentarily capture voter support but end up costing the country more than it can afford
