Equipped to Tell the Next Generation Donna R. Ryan, 2020-04-15 *Equipped to Tell the Next Generation* bridges the gap between knowing and sharing our faith in Jesus by revealing areas of our beliefs and practices which have been syncretized with twenty first century American culture relative truth consumerism pleasure an independent spirit the victim mentality and the culture of doubt These go to the heart of who we are and keep Christians from telling people about Jesus in winsome ways This book provides the solution recover the holiness of God his ultimate characteristic which holds all his characteristics in perfect unity Rather than legalism genuine holiness is the highest beauty which produces wholeness because it balances holy love holy righteousness repentance of sin peace and respect for all people and all of God s creation When we meet a holy God we want to worship and to serve him because the beauty of holiness touches the very essence of our being It becomes our greatest desire to please him because of the deep love we find there a holy love unlike what the world offers This book will take you on a journey to recover the things compromised to culture and will equip you to tell the next generation about Jesus

Arendt and Augustine Mark Aloysius, 2024-06-28 This book addresses a lacuna in scholarship concerning Hannah Arendt s Augustinian heritage that has predominantly focused on her early work It de canonises the sources that political theology has appealed to by shifting the interpretive focus to her mature treatment in *The Life of the Mind* Arendt s initial criticism of Augustinian desiring is that it generates worldlessness In her later works Arendt develops a more nuanced reading of the movements of thinking desiring and loving in her engagement with Augustine This study attends to these movements and inspects the spatio temporal framework which structure Arendt s conception of the political The author assesses the claim that Arendt s conception of the political is drawn from a pedagogy of desiring and thinking from Augustine severed from his mystagogy Although respecting the method of political theory the author contends that Arendt s severing of Augustinian pedagogy from mystagogy brings her to an insurmountable aporia Instead the author embeds these pedagogical practices within Augustine s theology and suggests how that aporia might be overcome and used to develop a mystagogy for contemporary political life The book will be of particular interest to scholars of political theology as well as political theory and political philosophy

W. Pink's Studies in the Scriptures, Volume 10 Arthur W. Pink,2001-09

Sermon on the Mount Arthur Waddington Pink,2008-08 Pink preached in many places in the world before he retired to a remote part of Scotland where he issued a monthly magazine and taught some 100 men by mail Some who have been stung by the astute observations in this book have told others not to buy it because it is too controversial And some even try to pin the charge of legalism on it This is false and since when is controversial a reason not to buy a helpful commentary This reviewer cannot see all that Pink sees in these verses But that is not to say that what he sees is not there He is a very able expositor one who breaks new ground yet adheres to the age proven theology There are things in this book which are in no other so it is important to anyone s understanding of the Sermon on the Mount Both the Beatitudes and the Lord s Prayer come from The Sermon on the Mount one of the very best expositions of that part of the Scriptures Originally all these come from Pink s expositions in his magazine Studies in the Scriptures Do not expect to read the usual comments on these passages of Scripture Pink was an original thinker and he called no man master but sought his views of the Scriptures directly from his Lord and Master Jesus Christ through prayer and through comparing Scripture with Scripture until he gained understanding The result is some controversial statements here and there In his discussion of the Beatitudes the reader will find short but keen observations a setting of things right Each Beatitude is considered briefly yet fully Quotations from Andrew Fuller and John Brown of Edinburgh are very helpful also It is one of Pink s strongest points that he knew when and how to quote from other great writers His Hebrews is a great compendium of all the excellent thoughts on that book of the Bible through the ages In the Lord s Prayer Pink argues for the continued use of this form of prayer And no one can say that Pink was in any sense a ritualist His quotations from Manton Gill Perkins etc very much enhance the value of this book The thoughts are pure and holy the very kind of reading that will lift ones spirit and lead to a closer walk with Jesus
