No More Letting Go Debra Jay, 2007-12-18 Detachment has been the standard message of most addiction literature for the last twenty years. The conventional wisdom offered to an addict's loved ones has been to let the addict hit bottom before intervening. Now intervention specialist Debra Jay challenges this belief and offers a bold new approach to treating addiction that provides a practical and spiritual lifeline to families struggling with alcohol or drug abuse. In No More Letting Go Jay argues that the traditional advice of letting go too often destroys both the addict and the family physically, emotionally, and spiritually. Jay contends that addiction is everybody's business, not just the addict's, and addiction doesn't have the right to trump the welfare of a family. In short, highly accessible chapters written with warmth, understanding, and compassion, Jay weaves together philosophical and religious thought, new science on the brain, function of an addict, the physical and psychological impact of addiction on family members, and poignant real-life family stories. No More Letting Go is a powerful, informative guide that provides comfort, hope, and practical advice to anyone affected by a family member's addiction.

Encyclopedia of Substance Abuse Prevention, Treatment, and Recovery Gary L. Fisher, Nancy A. Roget, 2009 This collection provides authoritative coverage of neurobiology of addiction, models of addiction, sociocultural perspectives on drug use, family and community factors, prevention theories, and techniques, professional issues, the criminal justice system, and substance abuse assessment and diagnosis, and more. **Empowering Settings and Voices for Social Change** Mark S.

Aber, Kenneth I. Maton, Edward Seidman, 2010-11-17 Empowering Settings and Voices for Social Change combines a focus on understanding social settings as loci for empowering intervention with a focus on understanding and giving voice to citizens. Volume chapters illuminate advances in theory and method relevant to changing a broad spectrum of social settings from a strengths-based perspective. Why Don't They Just Quit? Joe Herzanek, 2015-01-01 This award-winning book covers critical topics: Why a person does not have to hit rock bottom, When helping is actually hurting, How to deal with a relapse, Why effective intervention doesn't have to be a surprise attack, Achieve the peace of mind that comes from knowing what works, what doesn't, and why. Why Don't They JUST QUIT provides the answers you so desperately seek. Clean David Sheff, 2013

The author of the 1 New York Times bestseller Beautiful Boy offers a new paradigm for dealing with addiction based on cutting-edge research and stories of his own and other families' struggles with and triumphs over drug abuse.

**Servantship** Graham Joseph Hill, 2013-10-10 Servantship is essentially about following our Lord Jesus Christ, the servant Lord, and his mission; it is a life of discipleship to him, patterned after his self-emptying, humility, sacrifice, love, values, and mission. Servantship is humbly valuing others more than yourself and looking out for the interests and wellbeing of others. Servantship is the cultivation of the same attitude of mind Christ Jesus had, making yourself nothing, being a servant, humbling yourself, and submitting yourself to the will and purposes of the triune God. Since servantship is the imitation of Christ, it involves an unreserved participation in the *missio Dei*, the Trinitarian mission of God. In this pioneering work, sixteen servants describe the four movements of radical servantship. Servantship is the movement 1 from leadership to radical

servantship 2 from shallowness to dynamic theological reflection 3 from theories to courageous practices and 4 from forgetfulness to transforming memory Servantship recognizes in word thought and deed that whoever wants to become great among you must be your servant and whoever wants to be first must be your slave just as the Son of Man did not come to be served but to serve and to give his life as a ransom for many
