Thank you Hope you use it to help with the 12 Steps The 12 Steps Unplugged Anonymous,2011-03-31 In this
straightforward and funny guide John R interprets the philosophies and stories of the Big Book for young people Like many
alcoholics and addicts when John R began his recovery at age seventeen he was given a Big Book At first he was reluctant to
wade through the old fashioned language and the stories about people he didn t think he could relate to But over time he
realized that the best way to get sober and to stay sober is to learn from those who have gone before us And so he read
Alcoholics Anonymous and took the first step toward changing his life Today with more than twenty years of sobriety John is
an adolescent chemical dependency counselor showing addicts how the core messages of AA are as powerful and relevant to
them as they have been to the millions of others who have gotten help for addiction over the years With The 12 Steps
Unplugged he makes the Twelve Steps accessible to all of us In this simple and often funny guide he interprets the
philosophies and stories of the Big Book in straightforward language that speaks to regular people John will help you connect
with the basic messages of getting honest with yourself accepting the help of others and finding a relevant spiritual support
