American Sphinx The Character Of Thomas Jefferson

R Sandford

American Sphinx The Character Of Thomas Jefferson:

American Sphinx Joseph J. Ellis, 1997 Offers a reassessment of the life image and career of Thomas Jefferson examining his complex personality controversies about the man and his beliefs and his accomplishments

American Sphinx Joseph J. Ellis, 2002

American Sphinx Joseph J. Ellis, 1875

American Sphinx Joseph J. Ellis, Lester Schulman, 1998-11-17 For a man who insisted that life on the public stage was not what he had in mind Thomas Jefferson certainly spent a great deal of time in the spotlight and not only during his active political career After 1809 his longed for retirement was compromised by a steady stream of guests and tourists who made of his estate at Monticello a virtual hotel as well as by more than one thousand letters per year most from strangers which he insisted on answering personally In his twilight years Jefferson was already taking on the luster of a national icon which was polished off by his auspicious death on July 4 1896 and in the subsequent seventeen decades of his celebrity now verging thanks to virulent revisionists and television documentaries on notoriety has been inflated beyond recognition of the original person For the historian Joseph J Ellis the experience of writing about Jefferson was as if a pathologist just about to begin an autopsy has discovered that the body on the operating table was still breathing In *American Sphinx* Ellis sifts the facts shrewdly from the legends and the rumors treading a path between vilification and hero worship in order to formulate a plausible portrait of the man who still today hovers over the political scene like one of those dirigibles cruising above a crowded football stadium flashing words of inspiration to both teams For at the grass roots Jefferson is no longer liberal or conservative agrarian or industrialist pro or anti slavery privileged or populist He is all things to all people His own obliviousness to incompatible convictions within himself which left him deaf to most forms of irony has leaked out into the world at large a world determined to idolize him despite his foibles From Ellis we learn that Jefferson sang incessantly under his breath that he delivered only two public speeches in eight years as president while spending ten hours a day at his writing desk that sometimes his political sensibilities collided with his domestic agenda as when he ordered an expensive piano from London during a boycott and pledged to keep it in storage We see him relishing such projects as the nailery at Monticello that allowed him to interact with his slaves more palatably as pseudo employer to pseudo employees We grow convinced that he preferred to meet his lovers in the rarefied region of his mind rather than in the actual bedchamber We watch him exhibiting both great depth and great shallowness combining massive learning with extraordinary naivete piercing insights with self deception on the grandest scale We understand why we should neither beatify him nor consign him to the rubbish heap of history though we are by no means required to stop loving him He is Thomas Jefferson after all our very own sphinx

100 Things You Don't Wanna Know about American Sphinx Daniel Capps, 2013-02-01 In this book we have hand picked the most sophisticated unanticipated absorbing if not at times crackpot original and musing book reviews of *American Sphinx The Character of Thomas Jefferson* Don't say we didn't warn you these reviews are known to shock with their unconventionality or intimacy Some may be startled by their biting sincerity others

may be spellbound by their unbridled flights of fantasy Don't buy this book if 1 You don't have nerves of steel 2 You expect to get pregnant in the next five minutes 3 You've heard it all

The Mind of Thomas Jefferson Peter S. Onuf, 2012-10-05 In *The Mind of Thomas Jefferson* one of the foremost historians of Jefferson and his time Peter S. Onuf offers a collection of essays that seeks to historicize one of our nation's founding fathers Challenging current attempts to appropriate Jefferson to serve all manner of contemporary political agendas Onuf argues that historians must look at Jefferson's language and life within the context of his own place and time In this effort to restore Jefferson to his own world Onuf reconnects that world to ours providing a fresh look at the distinction between private and public aspects of his character that Jefferson himself took such pains to cultivate Breaking through Jefferson's alleged opacity as a person by collapsing the contemporary interpretive frameworks often used to diagnose his psychological and moral states Onuf raises new questions about what was on Jefferson's mind as he looked toward an uncertain future Particularly striking is his argument that Jefferson's character as a moralist is nowhere more evident ironically than in his engagement with the institution of slavery At once reinvigorating the tension between past and present and offering a new way to view our connection to one of our nation's founders *The Mind of Thomas Jefferson* helps redefine both Jefferson and his time and American nationhood

Thomas Jefferson and American Nationhood Brian Steele, 2012-07-30 This book emphasises the centrality of nationhood to Thomas Jefferson's thought and politics envisioning Jefferson as a cultural nationalist whose political project sought the alignment of the American state system with the will and character of the nation Jefferson believed that America was the one nation on earth able to realise in practice universal ideals to which other peoples could only aspire He appears in the book as the essential narrator of what he once called the American Story as the historian the sociologist and the ethnographer the political theorist of the nation the most successful practitioner of its politics and its most enthusiastic champion The book argues that reorienting Jefferson around the concept of American nationhood recovers an otherwise easily missed coherence to his political career and helps make sense of a number of conundrums in his thought and practice

Thomas Jefferson Francis D. Cogliano, 2008 An exceptionally well researched and persuasively written book that asks who Jefferson was in new and exciting ways This is a book that needed to be written and happily is one that was undertaken by an exceedingly thorough judicious open minded and creative historian Andrew Burstein University of Tulsa author of *Jefferson's Secrets Death and Desire at Monticello* Francis D. Cogliano's splendid book demonstrates that history is indeed an argument between past and present about the future Offering formidable research deployed with grace and skill in the service of a powerful and well crafted argument this study will be essential reading It illuminates in myriad ways the history that Jefferson made and historians ongoing struggles to figure out what to make of Jefferson Further it enriches our understanding of the interactions between history and memory in American culture It deserves a wide and enthusiastic readership not just for the moment but for years to come

R. B. Bernstein New York Law School author of *Thomas Jefferson* Thomas Jefferson continues to enthrall excite and enrage

academics students and members of the American public This book provides a useful study of Jefferson s construction of his own historical image and the reconstructions of that image that have occurred over the past half century Simon Newman University of Glasgow In Thomas Jefferson Reputation and Legacy Francis D Cogliano looks at both the impact Jefferson had on his historical moment and the considerable lengths to which he went to secure his legacy Beginning by locating Jefferson s ideas about history within the context of eighteenth century historical thought Cogliano then considers the efforts Jefferson made to shape the way the history of his life and times which he thought crucial to the success of the republican experiment would be written The second half of the book reflects on the mixed results from his time to the present of Jefferson s efforts to shape historical writing through his careful preservation of most of his personal and public papers and through the institutions he left behind his home Monticello and the University of Virginia Engaging with recent scholarship s attention toward Jefferson s views on race class and gender Thomas Jefferson Reputation and Legacy is a must read for anyone interested in Jefferson in his own time or the legacy he worked so hard to create Francis D Cogliano is a Reader in History at the University of Edinburgh He is author of Revolutionary America 1763 1815 A Political History Jeffersonian America

In Defense of Thomas Jefferson William G. Hyland, 2024-09-04 The belief that Thomas Jefferson had an affair and fathered a child or children with slave Sally Hemings and that such an allegation was proven by DNA testing has become so pervasive in American popular culture that it is not only widely accepted but taught to students as historical fact But as William G Hyland Jr demonstrates this fact is nothing more than the accumulation of salacious rumors and irresponsible scholarship over the years much of it inspired by political grudges academic opportunism and the trend of historical revisionism that seeks to drag the reputation of the Founding Fathers through the mud In this startling and revelatory argument Hyland shows not only that the evidence against Jefferson is lacking but that in fact he is entirely innocent of the charge of having sexual relations with Hemings Historians have the wrong Jefferson Hyland an experienced trial lawyer presents the most reliable historical evidence while dissecting the unreliable and in doing so he cuts through centuries of unsubstantiated charges The author reminds us that the DNA tests identified Eston Hemings Sally s youngest child as being merely the descendant of a Jefferson male Randolph Jefferson the president s wayward younger brother with a reputation for socializing among the Monticello slaves emerges as the most likely of several possible candidates Meanwhile the author traces the evolution of this rumor about Thomas Jefferson back to the allegation made by one James Callendar a drunken ruffian who carried a grudge after unsuccessfully lobbying the president for a postmaster appointment and who then openly bragged of ruining Jefferson s reputation Hyland also delves into Hemings family oral histories that go against the popular rumor as well as the ways in which the Jefferson rumors were advanced by less than historical dramas and by flawed scholarly research often shaped by political agendas Reflecting both a layperson s curiosity and a lawyer s precision Hyland definitively puts to rest the allegation of the thirty eight year liaison between Jefferson and Hemings In doing so he reclaims the nation s third president

from the arena of Hollywood style myth and melodrama and gives his readers a unique opportunity to serve as jurors on this enduringly fascinating episode in American history *A Companion to Thomas Jefferson* Francis D. Cogliano, 2011-09-15 *A Companion to Thomas Jefferson* presents a state of the art assessment and overview of the life and legacy of Thomas Jefferson through a collection of essays grounded in the latest scholarship Features essays by the leading scholars in the field including Pulitzer Prize winners Annette Gordon Reed and Jack Rakove Includes a section that considers Jefferson's legacy Explores Jefferson's wide range of interests and expertise and covers his public career private life his views on democracy and his writings Written to be accessible for the non specialist as well as Jefferson scholars
