Astrological Birth Control:

Astrological Birth Control Sheila Ostrander, Lynn Schroeder, 1972 *The Natural Birth Control Book* Art Rosenblum, 1976 The Natural Birth Control Book is for people who want to keep chemicals and devices out of their love relationships yet confidently prevent or achieve pregnancy as desired Personal accounts of tested methods are described as well as details of cultures and individuals who use their mind alone to control conception from back cover **The New Natural Astrological Way to Birth Control** Robert Choy, 1976 **The Astrology Book** James R Lewis, 2003-03-01 The most complete and affordable single volume reference on Astrology available anywhere This massive 928 page tome is the definitive work on celestial forces and the influence of the stars and other heavenly bodies on human personality behavior and fate The Astrology Book The Encyclopedia of Heavenly Influences defines and explains more than 800 astrological terms and concepts from air signs to Zeus and everything in between Students of the sun and stars and the laypeople interested in knowing more about those passionate Scorpios or intuitive Pisceans can examine the total astrology culture famous astrologers heavenly bodies explanations and interpretations of every planet in every house and sign even pesky technical terms And to further them on their star quest The Astrology Book includes a special section on casting a chart It also includes a table of astrological glyphs and abbreviations a helpful bibliography an index and a list of organizations books periodicals and websites dedicated to the study of the influences reigning from the heavens The wealth of information it contains makes it is one of the most useful guides to astrology available today **Contraception** Donna J. Drucker, 2020-02-04 The development manufacturing and use of contraceptive methods from the late nineteenth century to the present viewed from the perspective of reproductive justice The beginning of the modern contraceptive era began in 1882 when Dr Aletta Jacobs opened the first birth control clinic in Amsterdam The founding of this facility and the clinical provision of contraception that it enabled marked the moment when physicians started to take the prevention of pregnancy seriously as a medical concern In this volume in the MIT Press Essential Knowledge series Donna Drucker traces the history of modern contraception outlining the development manufacturing and use of contraceptive methods from the opening of Dr Jacobs s clinic to the present Drucker approaches the subject from the perspective of reproductive justice the right to have a child the right not to have a child and the right to parent children safely and healthily Drucker describes contraceptive methods available before the pill including the diaphragm dispensed at the Jacobs clinic and condom spermicidal jellies and periodic abstinences She looks at the development and dissemination of the pill and its chemical descendants describes technological developments in such non hormonal contraceptives as the cervical cap and timing methods including the rhythm method favored by the Roman Catholic church and explains the concept of reproductive justice Finally Drucker considers the future of contraception the adaptations of existing methods new forms of distribution and ongoing efforts needed to support contraceptive access worldwide *Fertility Astrology* Nicola Smuts-Allsop, 2018-04-19 Despite incredible and previously undreamed of advances

in modern medicine for many women the issue of infertility remains a heart breaking reality Using a combination of traditional and modern astrological techniques the author has delved deeply into the charts of hundreds of infertile women and in many cases has unravelled what might be at the root of the problem Sometimes it s a matter of location or timing or it could be psychological issues in the relationship that are causing the block whatever the reason the author works closely with the couple and often the medical profession to produce results that are frequently positive where there has been no hope before Although this is an advanced textbook for astrologers the human element of the case histories is nothing short of inspiring and from that perspective can be enjoyed by readers with no knowledge of astrology Essentials of Medical Astrology Harry F. Darling,1981 Essentials of Medical Astrology is a classic and definitive volume about medical astrology Within these pages are chapters devoted to Physiology health and disease Basic and more advanced principles of medical chart delineation The influence of the cardinal fixed and mutable signs Degenerative disease Numerous examples illustrate the broad range of medical astrology techniques included in this book and a comprehensive glossary of medical terms provides an excellent reference tool for the astrologer How to Give an Astrological Health Reading Diane L. Cramer,2005-08 Signs planets aspects quadruplicities elements midpoints are considered in determining such things as resistance to disease severity duration of illness more Listed are astrological signifiers of many types of diseases examples are used to illustrate techniques describe specific disease states Assessing nutritional needs utilizing the natal chart are included as are tissue salts *Astrology, Psychology & the Four Elements* Stephen Arroyo,2013-03-25 A modern classic and international best seller that revolutionized modern understanding of astrology this book is truly a pioneering work that established a new science of astrological psychology It clearly presents a language of energy that enables astrology to be reliably used by those in the helping professions as well as by the general public As Library Journal stated Transcending the boundaries of separate disciplines this work represents a major distillation of astrological principles *The Politics of Healing* Robert D. Johnston,2004-06-01 From grocery store to doctor s office alternative medicine is everywhere A recent survey found that more than two in five Americans uses some form of alternative medicine The Politics of Healing brings together top scholars in the fields of American history history of medicine anthropology sociology and politics to counter the view that alternative medical therapies fell into disrepute in the decades after physicians established their institutional authority during the Progressive Era From homeopathy to Navajo healing this volume explores a variety of alternative therapies and political movements that have set the terms of debate over North American healing methods
