Jane Tomaine

At Home With Saint Benedict Monastery Talks Monastic Wisdom Series:

At Home With Saint Benedict Mark A. Scott, 2011-04-01 *At Home with Saint Benedict* is a selection of the author's conferences on Saint Benedict's Rule for Monasteries delivered to the monks of Assumption Abbey of Ava Missouri when he was abbot there. The author's intention was simply to share with his brother monks what Saint Benedict through his sixth century Rule might have to offer monks of the early twenty first century. It is hoped that these conferences published here will now speak to men and women outside the monastic cloister. This book is a door to the chapter room of Assumption Abbey. Readers are invited to open the door sit down with the monks and their abbot and feel at home with Saint Benedict. Mark A. Scott OCSO is a monk of the Trappist Cistercian Abbey of New Clairvaux Vina California which he entered in 1978. From 2000 to 2008 he served as appointed superior and then abbot of Assumption Abbey Ava Missouri.

At Home with Saint Benedict Mark Alan Scott, 2011. This selection of conferences on Saint Benedict's Rule for Monasteries by the former abbot of Assumption Abbey of Ava Missouri was delivered to the brothers there as a way of showing what Saint Benedict and his sixth century Rule might have to offer monks of the early 21st century. It is hoped that this publication will now speak to men and women outside of the monastic cloister so they may come to feel at home with Saint Benedict.

[The American Benedictine Review](#), 2012

St. Benedict's Toolbox Jane Tomaine, 2015-07-10. In the sixth century when the Roman Empire was breaking apart and politics, cultural life, and even the Church were in disarray, tumultuous times not unlike our own, Benedict of Nursia designed what he termed a little rule that showed his monks the way to peace as they learned to prefer Christ above all things. The Rule of Benedict offers timeless and practical tools for living this Christ-centered life today. Revised and expanded 10th anniversary edition. Practical down to earth writing style explains the content of the Rule of St. Benedict and how to use the practices in daily life. Contains historical background to the Rule and a new chapter on relationships and community. Includes guide for group use.

[Come and See](#) Brendan Freeman, 2010-04-01. *Come and See* is a look inside the mind of a monk. The Vision of monastic life proposed here is not new; it is a Vision going back to the Desert Fathers of the fourth century. And yet it is new because it is rooted in a place in the soul that never grows old. Come and see where I live. Jesus said to the disciples who were following him, "He could just as well have said, 'come and see where you live where your real life is being lived.' Monastic spirituality is not some esoteric or Gnostic way of perceiving reality or understanding life. It is a treasure hidden in the field of your own heart; it is a universal spirituality that is the common inheritance of every human being; it is a search for God. From the atheist to the saint, there is in the heart of all creatures a desire for ultimate meaning, a desire for God. In this sense, everyone has the heart of a monk. As you read this book, you will meet some of the great themes of monastic life: silence, solitude, community, life, prayer. You will also be helped to find your most authentic self, the self Thomas Merton spoke of when he said at the center of our being is a point of nothingness, a point of pure truth. Nothingness, emptiness, absence are important aspects of our spiritual journey. There is a subtheme running

through ancient monasticism that conceives of the monastery as a hospital a place for healing the soul the spirit the heart
The place of the heart is highlighted in these conferences and homilies as an ancient theme so relevant to the modern person

Form and Foreskin A. W. Strouse, 2021-04-13 Why did Saint Augustine ask God to circumcise his lips Why does Sir Gawain cut off the Green Knight's head on the Feast of the Circumcision Is Chaucer's Wife of Bath actually as an early glossator figures her a foreskin And why did Ezra Pound claim that he had incubated The Waste Land inside of his uncut member In this little book A W Strouse excavates a poetics of the foreskin uncovering how Patristic theologies of circumcision came to structure medieval European literary aesthetics Following the writings of Saint Paul circumcision and uncircumcision become key terms for theorizing language especially the dichotomies between the mere text and its extended exegesis between brevity and longwindedness between wisdom and folly Form and Foreskin looks to three works a peculiar story by Saint Augustine about a boy with the long foreskin Sir Gawain and the Green Knight and Chaucer's Wife of Bath's Tale By examining literary scenes of cutting and stretching Strouse exposes how Patristic treatments of circumcision queerly govern medieval poetics

Our Church Speaks Ben Lansing, D. J.
