Robin Rhoden

Athenas Deep A God Among Boys Book 2:

Nothing's For Sure Robin Rhoden, 2022-12-01 It's been three months since Nate defeated John Craft for the championship and saved Sarah. Life has never been better but nothing lasts forever. When Athena asks Nate to welcome three transfers from Ares territory, his peaceful world spins out of control again. He's certain this is the next step in the dark god's plot to destroy them. Especially when two of the transfers turn out to be people from her and Sarah's pasts. No one else seems to see it though even his girlfriend and best friend Sarah is dealing with her own issues. Plagued by nightmares she can't remember until they seem to come true and strange new abilities she doesn't understand. She'd been looking for her place in this new world but is this really it? Meanwhile she's caught between the love of family and the love of the man she can see her future in. Refusing to choose she fears losing them both. War is in the air and Ares is bringing the attack to all fronts. Can they dig through the lies and deceit to find out what's really going on without losing everything and everyone they love? A NOTE TO READER While I would love for everyone to read my books I realize there are things some people are sensitive to. Therefore before you begin I would like to make it clear that these books deal with some heavy topics. Content warnings for this series include addiction, mention of drug use, mention of sexual assault, off-page physical violence and injuries, gun violence, kidnapping, death of loved ones, family members, pregnancy and abortion, violence against animals, animal injury. Not everything on this list is in every book but they are somewhere in the series. [The Art of Libation in Classical Athens](#)

Milette Gaifman, 2018-01-01 This handsome volume presents an innovative look at the imagery of libations, the most commonly depicted ritual in ancient Greece and how it engaged viewers in religious performance. In a libation, liquid—water, wine, milk, oil, or honey—was poured from a vessel such as a jug or a bowl onto the ground, an altar, or another surface. Libations were made on occasions like banquets, sacrifices, oath-taking, departures to war, and visitations to tombs, and their iconography provides essential insight into religious and social life in 5th-century BC Athens. Scenes depicting the ritual often involved beholders directly; a statue's gaze might establish the onlooker as a fellow participant, or painted vases could draw parallels between human practices and acts of gods or heroes. Beautifully illustrated with a broad range of examples, including the Caryatids at the Acropolis, the Parthenon Frieze, Attic red-figure pottery, and funerary sculpture, this important book demonstrates the power of Greek art to transcend the boundaries between visual representation and everyday experience. [Hello, Hollywood! \(Backstage Pass Book #2\)](#) Janice Thompson, 2011-09-01 Athena Pappas is the head writer on one of the most popular sitcoms in television history. But when Vegas comedian Stephen Cosse is brought in to beef up the show's sagging ratings, she starts to worry about her job. Sparks fly as the competition and attraction between the two writers heats up. Athena has never had a problem scripting the romances of her characters. So why is her own love life so hard to script? With humor and a Hollywood insider viewpoint, *Hello Hollywood* delivers lots of laughs as the characters discover that not being in control of the plot of their lives might just be the best thing that ever happened to them.
