

BROTHERS AND SISTERS

Brothers And Sisters

Rebecca Rissman

Brothers And Sisters:

Siblings C. Dallett Hemphill, 2011-08-11 Brothers and sisters are so much a part of our lives that we can overlook their importance. Even scholars of the family tend to forget siblings focusing instead on marriage and parent child relations. Based on a wealth of family papers, period images and popular literature, this is the first book devoted to the broad history of sibling relations spanning the long period of transition from early to modern America. Illuminating the evolution of the modern family system, *Siblings* shows how brothers and sisters have helped each other in the face of the dramatic political, economic and cultural changes of the eighteenth and nineteenth centuries. The book reveals that in colonial America sibling relations offered an egalitarian space to soften the challenges of the larger patriarchal family and society, while after the Revolution in antebellum America sibling relations provided order and authority in a more democratic nation. Moreover, Hemphill explains that siblings serve as the bridge between generations. Brothers and sisters grow up in a shared family culture influenced by their parents, but they are different from their parents in being part of the next generation. Responding to new economic and political conditions, they form and influence their own families, but their continuing relationships with brothers and sisters serve as a link to the past. *Siblings* thus experience and promote the new but share the comforting context of the old. Indeed, in all races, siblings function as humanity's shock absorbers as well as valued kin and keepers of memory. This wide-ranging book offers a new understanding of the relationship between families and history in an evolving world. It is also a timely reminder of the role our siblings play in our own lives.

Brothers & Sisters Eloise Greenfield, 2008-12-23 Brothers and sisters can be dear, can be company, can bring cheer, can start arguments, can make noise, can cause tears, can break toys. Brothers and brothers, Sisters and sisters. Brothers and sisters, Full half step, old and young, close in age and far apart. The bond between all siblings is powerful and special. Celebrate the love of brothers and sisters everywhere with award-winning author Eloise Greenfield in this poignant collection of poems for and about families, illustrated by renowned artist Jan Spivey Gilchrist in pen and ink and vibrant watercolor.

Brothers & Sisters Peggy Ahrenhold, Gallagher, Thomas H. Powell, Cheryl A. Rhodes, 2006 This guide explores the unique relationship between siblings from the perspective of siblings with a brother or sister who has a disability.

Brothers and Sisters Henry Abramovitch, 2014-10-07 Growing up, we typically spend more time with our brothers and sisters than we do with our parents. In an age of divorce, mobility and alienation, the sibling bond is often the only one that really lasts. Given that brothers and sisters are such a fundamental aspect of human existence, it is remarkable that they have received so little in-depth attention in the field of psychology. Henry Abramovitch's *Brothers and Sisters* explores the tension between the myth and reality of brothers and sisters in a variety of cultures and through the poignant brother-sister stories in the Bible. Abramovitch looks at the developmental sequence in the sibling relationship as brothers or sisters struggle to find their place with each other, concluding with a very personal account of his own relationship with his brother and sister.

The Sibling Effect Jeffrey Kluger, 2012-09-04 A provocative and surprising

exploration of the longest sustained relationships we have in life those we have with our siblings Nobody affects us as deeply as our brothers and sisters Our siblings are our collaborators and co conspirators our role models and cautionary tales They teach us how to resolve conflicts and how not to how to conduct friendships and when to walk away Our siblings are the only people we know who truly qualify as partners for life In this perceptive and groundbreaking book Jeffrey Kluger explores the complex world of siblings in equal parts science psychology sociology and memoir Based on cutting edge research he examines birth order twins genetic encoding of behavioral traits emotional disorders and their effects on sibling relationships and much more With his signature insight and humor Kluger takes science s provocative new ideas about the subject and transforms them into smart accessible insights that will help everyone understand the importance of siblings in our lives

My Brothers and Sisters Emily Sebastian,2010-08-15 Many kids spend more time with their brothers and sisters than with any other family member This engaging book celebrates siblings it introduces the many kinds of siblings a kid can have such as adopted siblings and half siblings **Brothers and Sisters, We Have a Problem** Nicky Cruz,1988 **Brothers and Sisters** Lara Newton,2007-05-15 This ground breaking work lays the foundation for a new psychological perspective on the brother sister relationship Lara Newton explores the psychological meaning of the brother sister connection in all its variety both externally in the world of interpersonal and cultural relationships and internally in the relationship between conscious and unconscious masculine and feminine Working with brothers and sisters in fairytales myths and true life stories the author describes a psychological experience of union with and faith in one s own inner life which evolves when we face the challenge of integrating the archetypal brother sister pair Because we focus so automatically on child parent relationships we frequently miss the developmental character building and life sustaining significance of brother sister bonds This book corrects this oversight and provides us with a rare opportunity to understand in deeper ways the mystery of human relationship and the redeeming joy of companionship **What about Me?** Allan Peterkin,1992 Laura experiences conflicting emotions when her brother becomes seriously ill Includes suggestions for parents to help their well children cope with a chronically ill sibling **Brothers and Sisters** Rebecca Rissman,2011-01-01 Describes what families are and what they do and explains who brothers and sisters are and how they may fit into a family

Brothers And Sisters Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Brothers And Sisters**," written by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
