Film Quotations Robert A. Nowlan,Gwendolyn W. Nowlan,2016-04-30 Certain lines define a movie Marlene Dietrich in Morocco Anyone who has faith in me is a sucker Too there are lines that fit actor and character Mae West in I m No Angel I m very quick in a slow way Jane Fonda in California Suite Fit You think I look fit What an awful shit you are I look gorgeous From the classics to the grade B slasher movies over 11 000 quotes are arranged by over 900 subjects like accidents double entendres eyes and other body parts ice cream luggage parasites and ugliness Each quote gives the movie title production company year of release speaker of the line and when appropriate a comment putting the quote in context ALL HISTORIANS DID NOT SEE! (except the historian Dr. Rex Curry). DO YOU NOT SEE? Kingsley Spicer,Edna Krabappel,Anarchaeology Institute,Pointer Institute for Media Studies, All historians did not see the similar symbolism of Adolf Hitler s NSV SA SS logos as compared with the logo of Hitler s party the National Socialist German Workers Party Even today only exceptional scholars with extraordinary skills e g the USA s Historian Laureate Dr Rex Curry are able to perceive the S letter shape of the NSV s logo The National Socialist People s Welfare in German Nationalsozialistische Volkswohlfahrt The S letter symbolism is almost as difficult to detect as in Hitler s Hakenkreuz hooked cross It is as imperceptible as in the symbols for the SS and SA Schutzstaffel and Sturmabteilung All historians did not see except for the historian Dr Curry Do you not see Hitler used his party s symbol to represent S letter shapes for SOCIALIST Adolf Hitler was a communist and Karl Marx was a Nazi Together they are the most notorious white male German political theorists of their time Marx inspired Hitler Hitler s Marxism is foreshadowed in Marx s Nazism within Marx s antisemitic On the Jewish Question and other works e g Karl Marx s Ethnological Notebooks that Hitler used to gain power in Germany Hitler was elected to the Socialist Bavarian People s State and to the Communist Bavarian Soviet Republic Photographic and video evidence proves Hitler s communism as well as contemporary reports Hitler s later criticisms of Marx were more strategic than ideological His tactic was to self identify as socialist to attract non Marxists to his party Hitler s political work

continued until he secured high office in Marx's homeland. After gaining power, Hitler seized the Means of Production with the Reichsarbeitsdienst (The Reich Labour Service or RAD) and various other alphabet bureaucracies. Hitler replicated the communist Soviet Union which used the term socialist in its self-identification: Union of Soviet SOCIALIST Republics. Following the lead of the USSR and other communists, Hitler used the term socialist, not communist, in the name of his political party. Comrade Hitler's communism remained on display when he joined Soviet communism to launch WWII, invading Poland together and going onward from there in a secret conspiracy for their Global Marxism. Hitler persuaded Stalin to pursue International Communism. Hitler was more Marxist than Stalin, Mao, Pol Pot, Castro, the Kim thugs, etc. Hitler believed that capitalism was dying, as did Marx. Hitler had observed the USSR and witnessed the death of capitalists; they were murdered there. Hitler continued to follow Marx's communism and the communist USSR when Hitler attempted to eliminate the Bourgeois class. Many monsters were inspired by Karl Marx. He remains popular today. China drooled over Marx in the embarrassing video Chinese President Xi Jinping delivers speech on anniversary of Marx's birth 2018. Yes, China is humiliated by the same old German who influenced Hitler. Of course, China has the largest population, billions who self-identify the same as Hitler: SOCIALIST, the same way that Marx self-identified. And Xi's video is a grim reminder that Mao worshipped Stalin, Hitler's partner to start WWII.

Identity Politics in the United States Khalilah L. Brown-Dean, 2019-09-20. In 2017, a white supremacist rally at the University of Virginia forced many to consider how much progress had been made in a country that nine years prior had elected its first Black president. Beyond these racial flashpoints, the increasingly polarized nature of US politics has reignited debates around the meaning of identity, citizenship, and acceptance in America today. In this pioneering book, Khalilah L. Brown-Dean moves beyond the headlines to examine how contemporary controversies emanate from longstanding struggles over power, access, and belonging. Using intersectionality as an organizing framework, she draws on current tensions such as voter suppression, the Me Too movement, the Standing Rock protests, marriage equality, military service, the rise of the Religious Right, protests by professional athletes, and battles over immigration to show how conflicts over group identity are an inescapable feature of American political development. Brown-Dean explores issues of citizenship, race, ethnicity, gender, sexual identity, and religion to argue that democracy in the United States is built upon the battle of ideas related to how we see ourselves, how we see others, and the mechanisms available to reinforce those distinctions. *Identity Politics in the United States* will be an essential resource for students and engaged citizens who want to understand the link between historical context, contemporary political challenges, and paths to move toward a stronger democracy.

ARE YOU A NOT SEE? Mister Gusano, Robert C. Prenic, William Phideaux, Are you a Not See? Do you not see? Most historians did not see the amazing discoveries explained in this book about the academic work of Professor Dr. Rex Curry. Most people do not see it because they have been deceived by socialist schools, government schools, and the old media. The symbol on the cover of this book represents the Not See movement. Modern political debates often describe the only two

opposing alternatives as Communists versus Nazis The description is a dishonest trick the words Communist and Nazi are used to divert attention from the larger shared problem of Socialism The famed Linguist Dr Rex Curry exposed modern historical amnesia concerning Hitler s vocabulary Almost everyone including every so called scholar refers ignorantly to Hitler as a Nazi or a Fascist and not as a Socialist Educational Outreach Programs EOPs energized by Dr Rex Curry s scholarship are the only services that inform benighted scholars that Hitler self identified as Socialist He did not self identify as Nazi nor as Fascist No other linguist provides this vital public awareness So if you ever see a sentence like the following one then you know it was from EOPs for Dr Curry s work Hitler didn t call himself Nazi or Fascist he called himself Socialist The linguistic EOPs above led to many amazing historical discoveries including revelations about Anne Frank s Diary Adolf Hitler s Mein Kampf Sophie Scholl s White Rose group Joseph Goebbels Der Nazi Sozi Martin Niemoller s verse First They Came For the Socialists the swastika symbol the hexagram Star of David and how Hitler changed BOTH symbols together the etymological history of Roman Salute and much more Except for the American Linguist Laureate Dr Rex Curry every other historian did not see how the USA s Pledge of Allegiance led to Nazi salutes and Nazi behavior and how the original pledge s use of military salutes led to Nazi salutes Also historians did not see the similar symbolism of Adolf Hitler s NSV SA and SS logos as compared with the logo of Hitler s party the National Socialist German Workers Party Even today only exceptional scholars with extraordinary skills e g Dr Curry are able to discern the S letter shape of the NSV s logo The National Socialist People s Welfare in German Nationalsozialistische Volkswohlfahrt The S symbolism is almost as difficult to perceive as in Hitler s Hakenkreuz hooked cross It is as undetectable as in the symbols for the SS and SA Schutzstaffel and Sturmabteilung All historians other than Dr Curry did not see how Hitler used his party s symbol to represent S letter shapes for SOCIALIST Do you not see Professor Curry transformed the culture of India along with Hinduism and Buddhism Before Dr Curry s discoveries Buddhists and Hindus published complaints that Hitler stole their swastika symbol and ruined it and they want to restore respect for their ancient symbol Educational Outreach Programs EOP about Dr Curry s work taught India s commentators that Hitler s symbol was not a swastika and that Hitler never called it a swastika An upheaval occurred among Buddhists and Hindus in their objections Now they proudly assert Hitler called his symbol a Hakenkreuz hooked cross not a swastika It was not the same symbol Dr Curry told us **I STILL Find That Offensive!**' Claire Fox, 2018-08-16 NEW AND UPDATED EDITION OF THE BOOK THAT INTRODUCED THE TERM SNOWFLAKE When you hear that now ubiquitous phrase I find that offensive you know you re being told to shut up While the terrible murder of the Charlie Hebdo cartoonists demonstrated that those who offend can face the most brutal form of censorship it also served to intensify the pre existing climate that dictates we all have to walk on eggshells to avoid saying anything offensive or else Indeed competitive offence claiming is ratcheting up well beyond religious sensibilities So while Islamists and feminists may seem to have little in common they are both united in demanding retribution in the form of bans penalties and censorship of those who hurt their

feelings But how did we become so thin skinned In this new and updated edition of her book I Find That Offensive Claire Fox addresses head on the possible causes of what is fast becoming known as Generation Snowflake in a call to toughen up become more robust and make a virtue of the right to be offensive *The O.J. Simpson Murder Trial* ,1996 **Nazi Germany Never Existed!** Ian Tinny,Lin Xun,Ivan Denisovich, Nazi Germany never existed That is one of many astonishing revelations detailed in this jaw dropping book Most of what is written about Adolf Hitler is designed to deceive the general public For example the following facts with credit to the archives of the historian Dr Rex Curry will come as news to most people 1 Hitler and his supporters self identified as socialists by the very word in voluminous speeches and writings The term Socialist appears throughout Mein Kampf as a self description by Hitler 2 Hitler never called himself a Nazi There was no Nazi Germany There was no Nazi Party Those terms are lies to hide the true names of the entities 3 Hitler never called himself a Fascist 4 The term Nazi isn't in Mein Kampf nor in Triumph of the Will 5 The term Fascist never appears in Mein Kampf as a self description by Hitler 6 The term swastika never appears in the original Mein Kampf 7 There is no evidence that Hitler ever used the word swastika 8 The symbol that Hitler did use was intended to represent S letter shapes for socialist 9 Hitler altered his own signature to reflect his S shapes for socialism logo branding 10 Hitler was influenced by American socialists the USA's Pledge of Allegiance to the flag was the origin of Nazi salutes and Nazi behavior 11 The classic military salute to the brow also contributed to the creation of the Nazi salute with the right arm extended stiffly 12 Mussolini was a long time socialist leader with a socialist background raised by socialists to be a socialist and he joined socialists known as fascio fasci and fascisti 13 Fascism came from a socialist e g Mussolini Communism came from a socialist e g Marx Fascism and Communism came from socialists 14 German socialists and Soviet socialists partnered for International Socialism in 1939 They launched WWII invading Poland together and continued onward from there killing millions Hitler Stalin Mao Mussolini and other tyrants were influenced by propaganda in the USA including the childish American socialists Francis Bellamy and Edward Bellamy Both Bellamy cousins wanted government to take over all schools to teach socialism to all youngsters worldwide Francis Bellamy was the author of the Pledge of Allegiance to the flag the origin of the infamous stiff armed salute adopted later under German socialism and Adolf Hitler Long before the Deutschland fad began American schoolchildren were taught to chant in unison and perform the same salute each day in government schools that imposed segregation by law and taught racism as official policy Anyone who rejected the ritual in the schools was persecuted America's Nazi salute was often performed by public officials in the USA from 1892 through 1942 What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don't want to know the truth about the government's past TV newspapers and other MSM will not show a historic photo or video of the early American straight arm salute nor mention its history and impact worldwide American youth groups Scouting adopted Bellamy's American Nazi salute with Bellamy's encouragement AND saluted swastika badges

worn by fellow scouts Many Americans were accustomed to Nazi salutes for swastikas long before German socialism and Hitler Youth adopted similar behavior under Hitler That helps to explain another inconvenient truth swastikas were promoted in the US military and worn as a patch on the upper left arm of American soldiers in a fashion that would become uniform under German socialism There are photos in this book **Lenin's Swastika, Hitler's socialism, Swastika Year 2022** Micky Barnetti, Lin Xun, Harrison Bergeron, Dead Writers Club, Lenin's swastika is exposed for the first time herein The impact of Vladimir Lenin's swastikas was reinforced at that time with additional swastikas on ruble money paper currency The swastika became a symbol of socialism under Lenin Its influence upon Adolf Hitler is explained in this book Lenin predated Hitler but Lenin's raison d'être was that other German Karl Marx Hitler and Marx are always trending on the internet and that is not the case for Lenin Ideas from the Deutschland duo are adored and repeated often on social media and by the mainstream media MSM Marx was glorified in the 2018 video Chinese President Xi Jinping delivers speech on anniversary of Marx's birth In the embarrassing homage Xi openly drooled over the western male racist socialist It is reminiscent of Lenin's reverence for Marx A larger than life portrait of Marx hangs next to the outdated hammer and sickle symbol that China parroted from Lenin's Soviet socialism How humiliating China is led around by its nose tied to the same old German who influenced Hitler Of course China has the largest population billions who self identify the same as Hitler SOCIALIST that is also the same way that Marx and Lenin self identified Is there any other country of that size that openly worships a foreigner as their great white savior The books of Marx and Hitler were once considered too dangerous for the general public But Mein Kampf was a bestseller as recently as 2017 Its popularity grows worldwide It has always been one of Amazon's better selling book titles America's love affair with German philosophy stretches back to the mid 1800s and farther Many Americans struggle to bring Germany's past into the present at every election MSM polling reports that 70 percent of millennials say they would vote for a candidate who self identifies the same as Hitler 2019 YouGov poll Two politicians in the USA Alexandria Ocasio Cortez AOC Bernie Sanders BS boastfully self identify the same as Hitler SOCIALIST They also admire Lenin and Marx Other politicians gladly adopt and repeat the same ideas even if they are too dishonest to admit that they are socialist According to another report 60 percent of Millennials age 24-39 support a complete change of our economic system Lenin Marx and Hitler were anti bourgeois and advocated revolution Many Americans long for the same revolutions The ideas of the beloved Deutschland duo Marx and Hitler continue to grow in popularity Germany's two top white male racist political philosophers stay in vogue even though their policies remain a mystery For example the following facts with credit to the archives of the historian Dr Rex Curry will come as news to most readers 1 Hitler and Marx were popular in the USA Two famous American socialists the cousins Edward Bellamy and Francis Bellamy were heavily influenced by Marx The American socialists returned the favor Francis Bellamy created the Pledge of Allegiance to the Flag that produced Nazi salutes and Nazi behavior The Bellamys were American national socialists For more on that advance to

chapter 6 on Bellamy salutes 2 The classic military salute to the brow also contributed to the creation of the Nazi salute with the right arm extended stiffly 3 The Bellamy cousins promoted socialist schools that imposed segregation by law and taught racism as official policy 4 Hitler and his supporters self identified as socialists by the very word in voluminous speeches and writings The term Socialist appears throughout Mein Kampf as a self description by Hitler 5 Hitler never called himself a Nazi There was no Nazi Germany There was no Nazi Party Those terms are slang to hide how Hitler and his comrades self identified SOCIALIST 6 Hitler never called himself a Fascist That term is misused to hide how Hitler and his comrades self identified SOCIALIST 7 The term Nazi isn't in Mein Kampf nor in Triumph of the Will 8 The term Fascist never appears in Mein Kampf as a self description by Hitler 9 The term swastika never appears in the original Mein Kampf 10 There is no evidence that Hitler ever used the word swastika 11 The symbol that Hitler did use was intended to represent S letter shapes for socialist NEW DISCOVERY That is why Hitler changed the name of his party It was imperative that the party's name include the word socialist so that it would coordinate with Hitler's party emblem 12 Hitler altered his own signature to reflect his S shapes for socialism logo branding 13 Mussolini was a long time socialist leader with a socialist background raised by socialists to be a socialist and he joined socialists known as fascio fasci and fascisti 14 Fascism came from a socialist e g Mussolini Communism came from a socialist e g Marx Fascism and Communism came from socialists 15 German socialists and Soviet socialists partnered for International Socialism in 1939 They launched WWII invading Poland together and continued onward from there killing millions Soviet socialism had signed on for Hitler's Holocaust 16 After Hitler's death Stalin continued the plan he had made with Hitler for Global Socialism Stalin took over the same areas that Hitler had captured He used the same facilities that Hitler had used Hitler's Holocaust never ended Stalin replaced Hitler Hitler Stalin Mao Mussolini and other tyrants were influenced by propaganda in the USA including the childish American socialists Francis Bellamy and Edward Bellamy Both Bellamy cousins wanted government to take over all schools to teach socialism to all youngsters worldwide

TRANS/gressive Riki Wilchins, 2017-05-31 In the early 1990s no one talked about transgender people and no one knew one We were not on TV or in movies What formed the visible part of the transcommunity overwhelmingly white urban and middle class was also overwhelmingly focused on conferences surgery or hormones and cisgender acceptance This was still a determinedly non political population often in defensive crouch because it was also constantly under attack by the media police local legislatures feminists and even LGB but never T advocates We were a group that still thought of ourselves as a collection of separate individuals not a movement What made political consciousness so difficult was that there was no transgender section of town where we saw each other regularly And mainstream society mostly ignored us And when it didn't it usually made clear it despised us We were freaks We were gendertrash We lived in a transient and indoor community that knew itself only a few days at a time during conferences at hotels out on the interstate But all that was about to change Even when politics are avoided bringing despised and

marginalized people together is itself a political act Without realizing or intending it the community was reaching critical mass Even in those pre Internet pre cellphone days enough transpeople were running into one another often enough to begin realizing we could be a force that we didn t really need cisgender acceptance What we needed was our civil rights This is the inside story of how in just a few years a handful of trans activists would come together in the face of enormous difficulties and opposition to launch from the very margins of society what would grow into the modern political movement for gender rights
