Routledge Handbook of Islam in Southeast Asia Syed Muhammad Khairudin Aljunied, 2022-03-03 This handbook explores the ways in which Islam as one of the fastest growing religions has become a global faith for both Muslims and non Muslims in Southeast Asia with its universality inclusivity and shared features with other Islamic expressions and manifestations It offers an up to date wide ranging comprehensive concise and readable introduction to the field of Islam in Southeast Asia With specific themes of pertinent contemporary relevance the contributions by experts in the field provide fresh insights into the roles of states societies scholars social movements political parties economic institutions sacred sites and other forces that structured the faith over many centuries The handbook is structured in three parts Muslim Global Circulations Marginal Narratives Refashioning Pieties This handbook stands out as a single and synergistic reference work

that explores the ebb and flow of Islam seeking to decenter many existing assumptions about it in Southeast Asia It will be an indispensable resource for scholars students and policymakers working on Islam Muslims and their interactions with other communities in a plural setting *Dictionary of the Modern Politics of Southeast Asia* Joseph Chinyong Liow, 2022-07-21 The past three decades since the end of the Cold War have been a time of remarkable change for Southeast Asia Long seen as an arena for superpower rivalry Southeast Asia is increasingly coming into its own by locating itself at the forefront of regional integration initiatives that involve not only the states of the region but major external powers such as the United States China India Japan and Australia Extensively updated and revised in light of these changes and developments this fifth edition of *Dictionary of the Modern Politics of Southeast Asia* remains indispensable This new edition starts with profiles of each Southeast Asian country before providing over 500 alphabetically arranged individual entries each containing detailed accounts and analyses of major episodes and treaties political parties and institutions civil society movements and regional and international organizations Biographies of significant political leaders and personalities both past and present are also provided Entries are comprehensively cross referenced and an index by country directs readers to all entries concerning a particular country The Dictionary concludes with an extensive bibliography that serves as a guide to further reading An essential one stop reference book this book is an indispensable tool for all scholars and students of Asian politics and international affairs and a vital resource for journalists diplomats policy makers and others with an interest in the region

(Re)presenting Brunei Darussalam Lian Kwen Fee, Paul J. Carnegie, Noor Hasharina Hassan, 2023-04-06 This thoughtful and wide ranging open access volume explores the forces and issues shaping and defining contemporary identities and everyday life in Brunei Darussalam It is a subject that until now has received comparatively limited attention from mainstream social scientists working on Southeast Asian societies The volume helps remedy that deficit by detailing the ways in which religion gender place ethnicity nation state formation migration and economic activity work their way into and reflect in the lives of ordinary Bruneians In a first of its kind all the lead authors of the chapter contributions are local Bruneian scholars and the editors skilfully bring the study of Brunei into the fold of the sociology of everyday life from multiple disciplinary directions By engaging local scholars to document everyday concerns that matter to them the volume presents a collage of distinct but interrelated case studies that have been previously undocumented or relatively underappreciated These interior portrayals render new angles of vision scale and nuance to our understandings of Brunei often overlooked by mainstream inquiry Each in its own way speaks to how structures and institutions express themselves through complex processes to influence the lives of inhabitants Academic scholars university students and others interested in the study of contemporary Brunei Darussalam will find this volume an invaluable resource for unravelling its diversity and textures At the same time it hopefully stimulates critical reflection on positionality hierarchies of knowledge production cultural diversity and the ways in which we approach the social science study of Brunei I wish to commend the editors for

bringing this volume to fruition It is an important book in the context of Southeast Asian sociology and even more important for the development of our social geographical cultural and historical knowledge of Brunei Victor T King University of Leeds

Women's Agency and the State in Contemporary Brunei Norainie Ahmad,Ooi Keat Gin,2025-09-19 This pioneering book presents a comprehensive overview of the role of women in Brunei s economy society and public domain from the historical and contemporary perspective Making an important contribution to the study of women in Asia by focusing on Brunei a country with many distinctive features including governance by an Islamic sultan guidance by a national philosophy of Malay Islamic Monarchy and a unique intermingling of Malay and Chinese traditions and practices Featuring contributions by Brunei women academics based in local tertiary institutions it portrays the lives of women s in Brunei from their own perspective It covers women s agency through several lenses including the growing digital activism on issues of sexual harassment women s empowerment women entrepreneurship agency in Chinese Bruneians contemporary literary narratives and the recent role of women in Islamic development in Brunei Some of the challenges and concerns raised by the authors might have policy implications Bringing detailed and insightful scholarship on issues and themes of local concerns with a Brunei perspective this book will appeal to students and scholars of Women s studies Asian studies Southeast Asian studies and Islamic Studies

The Geopolitics of Spectacle Natalie Koch,2018-06-15 Why do autocrats build spectacular new capital cities In *The Geopolitics of Spectacle* Natalie Koch considers how autocratic rulers use spectacular projects to shape state society relations but rather than focus on the standard approach on the project itself she considers the unspectacular others The contrasting views of those from the poorest regions toward these new national capitals help her develop a geographic approach to spectacle Koch uses Astana in Kazakhstan to exemplify her argument comparing that spectacular city with others from resource rich nondemocratic nations in central Asia the Arabian Peninsula and Southeast Asia *The Geopolitics of Spectacle* draws new political geographic lessons and shows that these spectacles can be understood only from multiple viewpoints sites and temporalities Koch explicitly theorizes spectacle geographically and in so doing extends the analysis of governmentality into new empirical and theoretical terrain With cases ranging from Azerbaijan to Qatar and Myanmar and an intriguing account of reactions to the new capital of Astana from the poverty stricken Aral Sea region of Kazakhstan Koch s book provides food for thought for readers in human geography anthropology sociology urban studies political science international affairs and post Soviet and central Asian studies

Brunei - History, Islam, Society and Contemporary Issues Ooi Keat Gin,2015-12-14 Brunei although a relatively small state is disproportionately important on account of its rich resource base In addition in recent years the country has endeavoured to play a greater role in regional affairs especially through ASEAN holding the chair of the organisation in 2013 and also beyond the region fostering diplomatic political economic and educational ties with many nations This book presents much new research and new thinking on a wide range of issues concerning Brunei largely drawn from Bruneian academics Subjects covered include

Brunei's rich history the sultanate formerly had much more extensive territories and was a key player in regional affairs the country's economy politics society and ethnicities and resource issues and international relations *Traditional Malay Monarchy* Haji Awg Asbol bin Haji Mail, 2024-08-19 This remarkable book brings to an English speaking audience detailed scholarship originally conceived and written in the Malay language and with a Malay perspective It examines the nature of monarchy in the Malay world which includes present day Malaysia and Indonesia before and during the onset of Western colonialism when the Malay world was ruled by a large number of separate Muslim sultanates It highlights that monarchs were the highest authority in the social political legal and economic system rather than the government of a clearly defined territory the notion of Dewaraja god king and what a model monarch's attributes should be and how the monarch's role related to Islamic principles including the Islamic ideal of the Caliph of God meting out fair judgement and punishment Two prominent and pivotal concepts of traditional Malay society that of daulat sovereignty and derhaka disloyalty are here analysed and evaluated against the background of the period of absolute monarchy Moreover this volume also discusses the parts played by leading ministers and viziers who often exercised enormous power explores the role of monarchs in managing and regulating economic activity and outlines differences between the different sultanates

Enjoying the Melody of Term: An Emotional Symphony within **Brunei History Contemporary Routledge Southeast**

In a world consumed by displays and the ceaseless chatter of immediate transmission, the melodic splendor and emotional symphony produced by the prepared term often diminish into the background, eclipsed by the relentless noise and interruptions that permeate our lives. Nevertheless, set within the pages of **Brunei History Contemporary Routledge Southeast** a stunning fictional prize overflowing with fresh emotions, lies an immersive symphony waiting to be embraced. Crafted by an outstanding musician of language, that interesting masterpiece conducts viewers on a psychological trip, well unraveling the concealed songs and profound impact resonating within each carefully crafted phrase. Within the depths of this emotional examination, we shall examine the book's main harmonies, analyze their enthralling writing type, and submit ourselves to the profound resonance that echoes in the depths of readers' souls.
