Balance Of Forces Toujours Ici:

Balance of Forces Ali Vali, 2011-11-17 Kendal Richoux's life began during the reign of Egypt's only female pharaoh. After accepting the opportunity to drink the elixir of the sun, Kendal becomes immortal and the Genesis Clan's slayer. History has taught her the dangers of getting too close to anyone who hasn't harnessed the power of time. After many years, she returns to New Orleans to finish a job she's trained for all her life. It's time for her to face her brother Henri, and it will have dire consequences to mankind if she fails. Piper Marmande believes Kendal has come to take over the company her family has built over generations. As Kendal prepares for the most important battle of her long life, Piper does her best to uncover every one of Kendal's secrets, making herself a distraction Kendal can't afford as she hunts Henri and Ora, the vampire who seduced him to a life of darkness.

Force of Fire: Toujours a Vous Ali Vali, 2018-07-17 Immortals Kendal and Piper welcome their new child and celebrate the defeat of an old enemy by returning to their home outside New Orleans. The last battle was hard but promises to bring peace to their lives for years to come. Now Piper wants to expand her power as a seer and hear Kendal's history while they enjoy a normal life. In the deep jungles of Costa Rica, far from the watchful eyes of Rolla and the Genesis Clan, the priests of the ancient order of Fuego have found the tablets that will allow them to finish the incantations that will awaken their greatest treasures. Some of the Fuego members believe the old stories were pure fiction, but Alejandro Garza's family are true believers. Far from the peace they'd hoped for, Kendal and Piper are forced into action to reach Garza and his followers before he awakens the army of dragons that sleep forgotten in the rain forests.

The Devil You Know Ali Vali, 2024-07-09 Cain Casey has much to be thankful for: a loving wife in Emma, three beautiful children, and an ever-expanding family. Her business continues to grow, giving her the power to keep it all safe, but is it? Unknown federal agents are not playing by the government's rules, and the Russian mob comes seeking revenge for the losses Cain's inflicted. Cain and Emma have agreed to partner with the local feds to root out their rogue agents, but their goals for the endgame are completely different. Cain wants to remove the threat the way she knows is best, permanently. There is also Nicola Antakov, who she plans to handle the same way. Cain Casey is the devil you know. She loves her family and will do anything to keep them safe and whole.

The New Orleans of Fiction James A. Kaser, 2014-07-29 The importance of New Orleans in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians. While databases of bibliographical information on New Orleans-centered fiction are available, they are of little use to scholars researching works written before the 1980s. In *The New Orleans of Fiction: A Research Guide*, James A. Kaser provides detailed synopses for more than 500 works of fiction significantly set in New Orleans and published between 1836 and 1980. The synopses include plot summaries, names of major characters, and an indication of physical settings. An appendix provides bibliographical information for works dating from 1981 well into the 21st century, while a biographical section provides basic information about the authors, some of whom are obscure and would be difficult to find in other sources.

Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included **Lucky Loser** Yolanda Wallace,2011-11-01 In the high stakes world of women s tennis love means nothing Or at least that s how Sinjin Smythe sees it Then she begins to fall for her friend and former doubles partner Laure Fortescue Having had her heart broken by one player Sinjin isn t willing to have it happen again The talented but oft injured Brit enters Wimbledon fighting her feelings and struggling to resurrect her career Laure Fortescue has fame fortune and a ranking inside the top ten She has everything she ever wanted Everything except Sinjin Smythe As a rule Laure doesn t date other players A rule she would gladly break if it means winning Sinjin s heart Both women reach Wimbledon desperate to claim tennis s crown jewel Sinjin because it would be her greatest victory Laure because it could be her last Where does love fit in a game that only one can win *The Devil's Orchard* Ali Vali,2013-06-17 In book five of the Casey Family series Cain and Emma are planning a wedding before the birth of their third child Cain has done everything possible to protect her family and get their lives back to normal Cain is strengthening her partnership with the Jatibons and Carlotti families as well as trying to help her cousin Muriel heal from FBI agent Shelby Phillips s betrayal But nothing can distract her from hunting Juan Luis down to make him pay for trying to take Emma from her That is the most pressing problem to be dealt with before she can truly enjoy the life and family she and Emma have together Those plans are derailed with the arrival of someone who not only challenges her place as her father Dalton s heir but also her belief and loyalty to the man who raised her **Detours** Jeffrey Ricker,2011-11-01 Joel Patterson should be happier than ever He s just returned from a two week vacation in London where he met Philip who might be the man of his dreams Instead Joel s heading to Maine for his mother s funeral He quits his job to fulfill one last request for his mother unload his parents albatross of an RV by delivering it to an old family friend in California Somehow Joel s high school friend Lincoln has invited himself along on the ride and into Joel s bed The other person who s invited herself along The ghost of his mother who still has plenty to say about her son s judgment or lack thereof Joel has to get the RV to San Francisco get rid of Lincoln and get back to Philip It would also make him feel better if he learned what s keeping his mother tied to this earthly plane However Joel manages it the route is likely to be anything but straight **One More Chance** Ali Vali,2020-10-13 Andy walked around the bar counter I m happy I need want a normal life It was nice seeing you though Happy You Kate asked Aren t you bored to tears Claire stepped forward lifting the coat as if to give it to Kate Andy caught the glimmer of black steel underneath the cashmere Shit she hadn t seen that coming She scrambled onto the nearest bar stool gunning for the Sig Sauer P266 hidden in her office when the Taser zapped her in the back Imagine knowing someone is going to die Dreaming it Almost feeling the knife slip in Will you try to prevent it if you can Andy Bouchard was a keeper
