Borderline Slavery Susan Tiano, Moira Murphy-Aguilar, Brianne Bigej, 2012 Discussing the multinational networks global economics and personal motives that fuel a multibillion dollar trade in human beings as cheap labour Borderline Slavery suggests future directions for effective policies and law enforcement strategies to prevent the advance of trafficking As such it is of interest to both policy makers and scholars across the social sciences working in the fields of migration exploitation and trafficking *Borderline Slavery* Brianne Bigej, Professor Moira Murphy-Aguilar, Professor Susan Tiano, 2012-11-01 Exploring human trafficking in the US Mexico borderlands as a regional expression of a pressing global problem Borderline Slavery sheds light on the contexts and causes of trafficking offering policy recommendations for addressing it that do justice to border communities complex circumstances This book focuses on both sexual and labor trafficking proceeding thematically from global to regional levels to provide an empirically grounded theoretically informed and policy relevant approach which examines the problem through the eyes of scholars and researchers from various fields as well as journalists public officials law enforcement personnel victims advocates and NGO representatives Discussing the multinational networks global economics and personal motives that fuel a multibillion dollar trade in human beings as cheap labor Borderline Slavery suggests future directions for effective policies and law enforcement strategies to prevent the advance of human trafficking As such it will be of interest to both policy makers and scholars across the social sciences working in the fields of migration exploitation and trafficking Borderline Slavery Susan Tiano, Moira Murphy-Aguilar, 2016-04-08 Exploring human trafficking in the US Mexico borderlands as a regional expression of a pressing global problem Borderline Slavery sheds light on the contexts and causes of trafficking offering policy recommendations for addressing it that do justice to border communities complex circumstances This book focuses on both sexual and labor trafficking proceeding thematically from global to regional levels to provide an empirically grounded theoretically informed and policy relevant approach which examines the problem through the eyes of scholars and researchers from various fields as well as journalists public officials law enforcement personnel victims advocates and NGO representatives Discussing the multinational networks global economics and personal motives that fuel a multibillion dollar trade in human beings as cheap labor Borderline Slavery suggests future directions for effective policies and law enforcement strategies to prevent the advance of human trafficking As such it will be of interest to both policy makers and scholars across the social sciences working in the fields of migration exploitation and trafficking **The Evidence Enigma** Tiffany Bergin, 2016-03-03 Why do policymakers sometimes adopt policies that are not supported by evidence How can scholars and practitioners encourage policymakers to listen to research This book explores these questions presenting a fascinating case study of a policy that did not work yet spread rapidly to almost every state in the United States the policy of correctional boot camps Examining the claims on which the implementation of the policy were based including the assertions that such boot camps would reduce reoffending save public

money and ease overcrowding none of which proved to be universally accurate The Evidence Enigma also investigates the political economic cultural and other factors which encouraged the spread of this policy Both qualitative and quantitative methods are used to test hypotheses as the author draws rich comparisons with other policies including Drug Abuse Resistance Education DARE abstinence only sex education programs and the electronic monitoring or tagging of offenders in England and Wales Presenting important lessons for guarding against the proliferation of policies that don't work in future this ground breaking and accessible book will be of interest to those working in the fields of criminology sociology and social and public policy

Prison Violence Kristine Levan, 2016-04-08 Drawing on a range of research and media sources to provide an international perspective on the topic of prison violence this book focuses on the impact of such violence on the individual both while he or she is incarcerated and upon his or her release from prison as well as on society as a whole With a special emphasis on comparisons of violence among incarcerated populations in the United States Canada and the United Kingdom *Prison Violence Causes Consequences and Solutions* explores the various systems that exist to combat the problem whilst also considering public perceptions of offenders and punishment as influenced by media and coverage of high profile cases Providing a comprehensive analysis of prison violence on national and international levels this book examines the extent of the problem theoretical understandings of the issue and concrete solutions designed to prevent and handle such violence As such it will be of interest to policy makers as well as scholars of sociology criminology and penology

Street Practice Lori McNeil, 2016-04-01 Presenting recent studies of non profit organizations involved in poverty relief services in New York City in comparison with programmes in existence across the US *Street Practice* provides a front line ground level perspective on innovative research practices designed to solve community problems It explores the manner in which organizations bridge the gap between research and policy advocacy with an account of the ways in which research contributes to alleviating or solving a community problem as well as details on successes and failures of advocacy work problems and limitations of their research funding constraints and political resistance As such this book not only offers compelling examples of social change in action but also serves to introduce models for research and policy advocacy that can be applied similarly in other urban areas Adopting a case based learning approach that enables readers to better understand the dynamic process of research and policy advocacy this innovative book will appeal to those with interests in poverty homelessness policy advocacy social work and social change

Regulating Alcohol around the World Tiffany Bergin, 2016-04-08 With the World Health Organization estimating that nearly four percent of global deaths are due to alcohol alcohol misuse can be an extremely damaging social problem and one that governments around the world have endeavored to address through a range of policy strategies *Regulating Alcohol around the World* explores historical and contemporary case studies in multiple countries to gain a richer understanding of the political economic and other forces that influence alcohol related policymaking The case studies presented in the book investigate a range of different kinds of

alcohol policies including prohibition strategies general efforts to reduce alcohol's social harms and more targeted policies The explanatory value of leading theories from political science policy studies anthropology and other fields is assessed with particular reference to the influence of cultural and historical factors on approaches to alcohol regulation The book adopts a global perspective and offers guidance for students researchers practitioners policymakers and other stakeholders about the lessons that can be learned from previous efforts to change alcohol policies As such it will be of interest to practitioners in the fields of health and alcohol abuse prevention as well as scholars and students of social policy criminology and the sociology of health addiction and social problems

The Evidence Enigma Dr Tiffany Bergin, 2013-04-28 Why do policymakers sometimes adopt policies that are not supported by evidence How can scholars and practitioners encourage policymakers to listen to research This book explores these questions presenting a fascinating case study of a policy that did not work yet spread rapidly to almost every state in the United States the policy of correctional boot camps Examining the claims on which the implementation of the policy were based including the assertions that such boot camps would reduce reoffending save public money and ease overcrowding none of which proved to be universally accurate The Evidence Enigma also investigates the political economic cultural and other factors which encouraged the spread of this policy Both qualitative and quantitative methods are used to test hypotheses as the author draws rich comparisons with other policies including Drug Abuse Resistance Education DARE abstinence only sex education programs and the electronic monitoring or tagging of offenders in England and Wales Presenting important lessons for guarding against the proliferation of policies that don't work in future this ground breaking and accessible book will be of interest to those working in the fields of criminology sociology and social and public policy

Comparative, International, and Global Justice Cyndi Banks, James Baker, 2015-09-23 Comparative International and Global Justice Perspectives from Criminology and Criminal Justice presents and critically assesses a wide range of topics relevant to criminology criminal justice and global justice The text is divided into three parts comparative criminal justice international criminology and transnational and global criminology Within each field are located specific topics which the authors regard as contemporary and highly relevant and that will assist students in gaining a fuller appreciation of global justice issues Authors Cyndi Banks and James Baker address these complex global issues using a scholarly but accessible approach often using detailed case studies The discussion of each topic is a comprehensive contextualized account that explains the social context in which law and crime exist and engages with questions of explanation or interpretation The authors challenge students to gain knowledge of international and comparative criminal justice issues and think about them in a critical manner It has become difficult to ignore the global and international dimensions of criminal justice and criminology and this text aims to enhance criminal justice education by focusing on some of the issues engaging criminology worldwide and to prepare students for a future where fields of study like transnational crime are unexceptional

The Slave Next Door Kevin Bales, Ron Soodalter, 2009-06-18 In this riveting

book authors and authorities on modern day slavery Kevin Bales and Ron Soodalter expose the disturbing phenomenon of human trafficking and slavery that exists now in the United States In *The Slave Next Door* we find that slaves are all around us hidden in plain sight the dishwasher in the kitchen of the neighborhood restaurant the kids on the corner selling cheap trinkets the man sweeping the floor of the local department store In these pages we also meet some unexpected slaveholders such as a 27 year old middle class Texas housewife who is currently serving a life sentence for offences including slavery Weaving together a wealth of voices from slaves slaveholders and traffickers as well as from experts counselors law enforcement officers rescue and support groups and others this book is also a call to action telling what we as private citizens can do to finally bring an end to this horrific crime
