Globally Competent Governance Michael Guo-Brennan, 2024-08-01 Globally Competent Governance explores promising policies and practices developed by local governments and other community leaders across the United States and beyond in their efforts to build welcoming and inclusive communities and globally competent governments. Cities of the future be they large regional metropolitan centers of commerce and political power regional hubs that service central metropolitan regions or smaller suburban or rural centers that cater to agriculture or regional commerce will continue to evolve. Globalization and global mobility have greatly increased the cultural ethnic linguistic and religious diversity in cities and communities around the globe and demand local governments build welcoming and inclusive communities for all residents particularly newcomers. Leaders both in and out of government must be prepared to respond to changing needs and manage any potential challenges this may create. To better understand what local officials are facing and what they are doing to manage change the author presents data collected through surveys and individual interviews of local officials and other community influencers. Based on these findings the book analyzes the current state of cities and makes policy recommendations for moving forward. This book will be of interest to advanced undergraduate and postgraduate students researchers and academics in the fields of public policy governance immigration community engagement social welfare and political science as well as professionals in government and nongovernmental organizations. It will also interest professionals working with immigrants and in immigration policy.

The Employee Experience Revolution John R. DiJulius, David D. Murray, 2024-06-10 Create a World Class Workforce Every business out there is interested in earning profits. But sometimes the bottom line is not the best indicator of a company's long term health. In the wake of the Great Resignation companies are scrambling to hold on to both employees and profits. It turns out that one answer is the key to both. The Employee Experience Revolution divulges the little known secret of how to become a more profitable company in both the short and long term: happy employees. Your customers will never be any happier than your employees. Your people create and deliver the experience that keeps customers coming back. Authors John DiJulius III and David Murray founder and VP of consulting respectively of The DiJulius Group are experts in the customer and employee experience industry. The companies they have advised include Starbucks Chick-fil-A Lexus and The Ritz Carlton. The goal is to have processes and a culture that encourage employees to naturally buy in to a company's brand so they voluntarily sing their employer's praises while providing stellar customer service. Pay is only one factor. A healthy organization will strive to give their employees job satisfaction by providing purpose recognition appropriate expectations and even like minded coworkers. The principles in this book can be applied to any company large or small to help improve how their organization runs as well as their bottom line.

Complacency Edward Minyard,2023-05-26 Complacency exposes the perils of disregarding current global events and underestimating potential threats drawing from his experiences in emergency management and cybersecurity to create an unforgettable tale that illuminates both preparedness and inaction leaving readers with an intimate knowledge of the potentially devastating repercussions of becoming complacent in an ever changing ever more volatile world *Magana's World: J. E. Booker* Mariusz Walczak,2024-10-01 Magana s World J E Booker is a gripping crime thriller set in an alternate reality on the grounds of what was once Warsaw now known as City 301 It s a book that blends elements of dark crime with fantasy creating a fascinating tale of a world brimming with magic technology and moral dilemmas The main character of the novel is James Eric Booker an American policeman who as part of an international exchange finds himself in Europe His task

is to solve criminal mysteries in a world full of contrasts where magic and technology coexist and various magical races from elves to lycans live alongside humans City 301 is a place where old beliefs merge with modern inventions and towering skyscrapers reach the clouds creating a vision of a futuristic metropolis powered by alternative coal and artificial intelligence The plot of the book is not only centered around criminal threads but also touches on deeper issues related to racism discrimination and rebellion Through the lens of a dark dystopian world the story raises questions about humanity morality and the limits of power The book also addresses themes of the fight for justice in a world ruled by chaos and diversity both technological and magical The novel's style combines cynicism and irony giving it a unique tone filled with exaggerated abstract moments The atmosphere of the book resembles the classic noir crime genre but with the addition of magical elements and futuristic technologies making it a perfect choice for fans of both classic crime fiction and fantasy literature

Magana's World J E Booker is a dark intriguing story that will undoubtedly appeal to readers seeking intense multi layered plots If you're interested in stories where magic and technology coexist and criminal mysteries intertwine with philosophical questions about the human condition this book is for you *Prohibiting Workplace Sexual Harassment* Cher Weixia Chen,2025-09-10 This book provides a cross cultural analysis of how legislatures judiciaries NGOs and corporations worldwide address workplace sexual harassment Informed by the ongoing cultural relativism v universalism debate and four models of gender and policy Cher Weixia Chen analyzes a vast range of data including national workplace sexual harassment laws across 193 countries 37 judicial decisions from the highest courts of 10 common law countries and policies from 30 NGOs in six countries and the 50 largest global corporations injecting new vitality into the existing literature on sexual harassment *The Power of Project-Based Learning* Scott D.
