Boss Mike Royko, 1972 King David and Boss Daley Lance Williams, 2023-02-01 In Chicago in mid twentieth century amid the haze and smoke of urban renewal and the sounds of the wrecking balls and bulldozers there lived two men both street savvy one Black one Irish one young one old and both leaders of their clans Each ruled with an iron fist Each embodied the fighting spirit of the turbulent 1960s One was David Barksdale the Black Disciples leader a Black youth club that would give birth to America's largest street gang the other was Richard J Daley the legendary Mayor of the City of Chicago He was one of the longest serving most prominent mayors in American history and the last of the big city bosses Although the two never met at least not face to face their fates were linked by a time of change an era of protest which was a decisive moment of transformational power that was on the verge of a violent uprising in America's second largest city This is a book that is as lively as its subject A braided narrative of two larger than life people it has the boldness to combine two oddly related 1960s stories into a single narrative that is both intimate and epic One captures the unlikely story of a Negro boy whose share cropping family migrated from rural Mississippi to Chicago

where he started a street gang that became the largest in America The book's other path follows America's last big city boss whose persona is legendary and bigger than life While historians political pundits and those who knew him speak of Hizzonor as being a proud Irish Catholic who was the long time godfather of the Chicago Democratic Party and Mayor who saved Chicago from becoming another Detroit or Cleveland they also acknowledge that he was a fierce segregationist He had a contentious relationship with civil rights leaders like Dr Martin Luther King Jr Richard Daley also played a significant role in the history of the United States Democratic Party Williams an internationally recognized gang expert and interventionist eloquently tells the story of these men their clans and their on going struggle for power status and legacy However unheard of and unimaginable some of the incidents may seem this is not a work of fiction Everything written comes from archival documents official reports focus groups in depth interviews or first hand accounts The action takes place mostly in Chicago's Englewood neighborhood Still there are some occasions where the action takes place in Bronzeville the Woodlawn community on the West Side of the City and downtown

Debolt, James S. Baugess, 2011-12-12 Comedian Robin Williams said that if you remember the 60s you weren't there This encyclopedia documents the people places movements and culture of that memorable decade for those who lived it and those who came after Encyclopedia of the Sixties A Decade of Culture and Counterculture surveys the 1960s from January 1960 to December 1969 Nearly 500 entries cover everything from the British television cult classic The Avengers to the Vietnam War and the civil rights movement The two volume work also includes biographies of artists architects authors statesmen military leaders and cinematic stars concentrating on what each individual accomplished during the 1960s with brief postscripts of their lives beyond the period There was much more to the Sixties than flower power and LSD and the entries in this encyclopedia were compiled with an eye to providing a balanced view of the decade Thus unlike works that emphasize only the radical and revolutionary aspects of the period to the exclusion of everything else these volumes include the political and cultural Right taking a more academic than nostalgic approach and helping to fill a gap in the popular understanding of the era

Subordination Or Empowerment? Richard A. Keiser, 1997 Why have Blacks won political empowerment in some cities and remained subordinated in others Through case studies of Chicago Gary Philadelphia and Atlanta Keiser argues that electoral competition among White factions has created opportunities for Black leaders to win political empowerment and avoid subordination In the absence of electoral competition Black votes become superfluous and separatist and messianic appeals from leaders like Louis Farakhan gain resonance

Mayors and the Challenge of Urban Leadership Richard Michael Flanagan, 2004 Big city mayors rank among the most powerful and colorful politicians in America Yet few books focus on the leadership challenges the occupants of the office face Mayors and the Challenge of Urban Leadership examines twelve case studies of mayoral leadership in seven cities from the New Deal era to the beginning of the 21st century The prospects for mayoral success or failure are driven by how mayors manage the fit between political commitments and the broader patterns of political competition City Hall powerhouses like Richard J Daley of Chicago 1954 76 David Lawrence of Pittsburgh 1946 58 Tom Bradley of Los Angeles 1973 83 and Robert F Wagner of New York 1954 65 came to power in times of political crisis They realigned politics in their cities to reinvigorate municipal government and bolster their power In contrast mayors with less redoubtable reputations like Mayors Sam Yorty of Los Angeles 1961 73 Dennis Kucinich of Cleveland 1977 79 Jane Byrne of Chicago 1979 83 and Frank Rizzo of Philadelphia 1972 1980 were outsiders who lost their battles to challenge powerful political coalitions in their cities The new breed mayors of the 1990s among them Rudy Giuliani of New York Dennis Archer of Detroit and Ed Rendell of Philadelphia used modern campaign and governing techniques and scored surprising policy and political victories as a result Mayors and the Challenge of Urban Leadership concludes with a discussion of Mayor Michael Bloomberg of New York elected in the aftermath of the 9 11 attacks as an exemplar of the modern style of governing big cities in the 21st century
