Washington Territory by her faithless fiancé Jane Peck prepares to return home to Philadelphia only to learn that the life she once knew is no more. Lost and alone, Jane must make a new home for herself as the only pioneer woman in the primitive settlement of Shoalwater Bay. Armed with little more than her finishing school education, Jane is left to survive everything from the disagreeable habits of her unkempt landlord to the infuriating flawlessness of Shoalwater's latest arrival, Mrs. Frink. All this, as well as a blossoming romance and a perilous manhunt, awaits Jane as she matches wits with the wilderness. The second book of the Boston Jane trilogy, this remarkable suspense-filled adventure pits Jane Peck against some of her deepest fears in the wild, uncharted frontiers of friendship, love, and the Pacific Northwest. *Boston Jane: An Adventure* Jennifer L. Book clubs are sprouting up all over, and so are book club guides, but not all book club guides are equal. Many focus on a specific type of book club, or they take a generic approach of one size fits all, and most do not take into account the special needs of librarians and educators working with young readers. This guide has it all, and it will help you ensure that your book club meetings are both fun and educational. Focusing on children in grades 3-8 and their families, the book offers 100 ready-made book club instructions for popular children's and YA titles from newer releases such as Theresa Nelson's *Ruby Electric* and Blue Balliett's *Chasing Vermeer* to perennial favorites and award-winning classics such as Johanna Hurwitz's *Much Ado about Aldo* and Gary Soto's *Baseball in April* and *Other Stories*. Along with thought-provoking discussion questions, you'll find all the background information you need to conduct lively book discussions with a variety of readers: plot summary, themes, and characters, description, genre, reading level, author, and award information, related reads, and more. The guide describes four types of family-oriented book clubs: family, mother-daughter, father-son, and readers' rap, as well as a book club for kids only. The author provides practical

instructions for making each type of book club successful For each title she provides a plot summary characterization sketches questions to use for provocative discussion and follow up bibliographies on similar reads Notes on genres themes and reading levels are also provided The selected titles reflect some of the best most current and most popular children s literature In addition a broad scope of genres and multicultural titles are included Perfect for public library programs and after school book clubs this is a one stop resource with practical ready made plans that can easily be adapted to multiple environments Grades 3 8
