Bottle Rockets 4th Grade:

The Misadventures of the Family Fletcher Dana Alison Levy, 2015-07-14 Fans of Beverly Cleary's Quimbys, Judy Blume's Hatches, and more recently Jeanne Birdsall's Penderwicks will fervently hope that more Fletcher misadventures are yet to come. School Library Journal Starred. The start of the school year is not going as the Fletcher brothers hoped. Each boy finds his plans for success veering off in unexpected and sometimes disastrous directions. And at home, their miserable new neighbor complains about everything. As the year continues, the boys learn the hard and often hilarious lesson that sometimes what you least expect is what you come to care about the most. Praise for *The Misadventures of the Family Fletcher*. A Junior Library Guild Selection. set star. Their banter is realistic and the disorder of their everyday lives convincing. The Fletcher family rules. Kirkus Reviews Starred. Dana Alison Levy has gloriously reimaged the classic family story into a thoroughly modern mold and it works perfectly. Bruce Coville, bestselling author of *My Teacher Is an Alien* and the *Unicorn Chronicles*. P1 set star. With its semi-episodic structure, laugh-out-loud humor, and mix of zaniness and love, Levy's debut offers something truly significant: a middle-grade family story featuring gay parents and interracial families that is never about either issue. School Library Journal Starred. Levy provides a compelling, compassionate, and frequently hilarious look at their daily concerns. By book's end, readers will want to be part of or at least friends with this delightful family. *The Horn Book* 180
