

1.1 Business activity

1.1.1 The purpose and nature of business activity

- Concepts of needs, wants, scarcity and opportunity cost
Need: A good or service which is essential to living
Want: A good or service which people would like, but is not essential for living
Scarcity: There are not enough goods and services to meet the wants of the population
Opportunity cost: The benefit that could have been gained from an alternative use of the same resource
- Importance of specialisation
Specialisation is important because this means that the business is efficient and it reduces costs of production.
- Purpose of business activity To create products and services
- Concept of adding value and how added value can be increased
Adding value is when a business tries to add value at every stage of the production process so that they can sell the product or service to customers at a greater price. They can do this by branding, adding special features, providing excellent service, making it convenient etc.

1.2 Classification of businesses

1.2.1 Business activity in terms of primary, secondary and tertiary sectors

- Basis of business classification
Primary sector: Firms whose business activity involves the extraction of natural resources such as farming, fishing, mining and forestry
Secondary sector: Firms that process and manufacture goods from natural resources such as manufacturing, construction and refining
Tertiary sector: Firms that supply a service to consumers and other businesses such as shops restaurants, banks, cinemas and airlines
- Reasons for changing importance of business classification, e.g. in developed and developing economies
Because the size of a country's different sectors of business activity often indicates if it has a developing or developed economy

1.2.2 Classify business enterprises between private sector and public sector in a mixed economy

Mixed economy: An economy where the resources are owned and controlled by both the private and public sectors

Private sectors: The part of the economy that is owned and controlled by individuals and companies for profit. Including: Sole traders, Partnerships, limited companies, franchises, joint ventures and social enterprises

Public sectors: The part of the economy that is owned and controlled by the state or government. Including government departments, public corporations and nationalised industries

Business Organization Study Guide Introduction

In the digital age, access to information has become easier than ever before. The ability to download Business Organization Study Guide has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Business Organization Study Guide has opened up a world of possibilities. Downloading Business Organization Study Guide provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Business Organization Study Guide has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Business Organization Study Guide. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Business Organization Study Guide. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Business Organization Study Guide, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Business Organization Study Guide has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
