Business Management in the Local Church - Revised and Expanded ,1996 **Church Administration** Robert H. Welch,2011-07-15 For churches and religious nonprofit operations the business of business is not business it is ministry Still such institutions have to make plans Because skilled organization is needed to accomplish specific tasks a leader must train and motivate workers in progress and effectiveness This second edition of Church Administration helps pastors and church staff become effective and efficient leaders managers and administrators Among the topics discussed are Administration Documents Organizing the Church Administering Personnel Resources Financial Resources Physical Resources and Administering Risk Management Writing for students as well as those already in this line of work author Robert H Welch promises If you understand the tenants of general administration and the techniques of ministerial leadership your job will be made significantly easier The Work of the Ministerial Staff James H Hudson,2003-10 *The Kingdom Key of Confession* John L. Donelson,2025-10-23 Speak Life Unlocking the Power of Kingdom Confessions Your Words Were Never Meant to Be Powerless This is not about superstition spells or empty affirmations This is about dominion As Kingdom Citizens ambassadors of Heaven on Earth we are created in the image of the Creator who spoke the universe into existence His words didn't just describe reality they shaped it And because we bear His image our words carry that same creative potential This book is your invitation to rediscover the divine authority embedded in your voice Through biblical insight and practical revelation you'll learn how to Speak with faith not fear declaring what God says not what you see Wield the sword of the Spirit to cut through confusion doubt and delay Plant seeds of truth that produce supernatural results in your life Align your heart and mouth with Heaven's agenda for breakthrough and transformation You were never meant to live by sight alone You were designed to speak what isn't until it is If you've ever felt stuck silenced or spiritually stagnant If you're ready to stop reacting to life and start creating with God Then it's time to activate your voice and confess the Kingdom Let the words of my mouth and the meditation of my heart be acceptable in Your sight O Lord my Strength and my Redeemer Psalm 19 14
