

The book cover features a sunset scene in the top right corner, with a bright sun and soft clouds. The left side of the cover is a solid dark red color with a faint, embossed circular pattern. A horizontal band with a gold and brown striped pattern separates the sunset image from the title area. The title is set against a light cream background. Below the title, another horizontal band with a gold and brown striped pattern separates it from the subtitle. The subtitle is centered on a light cream background. Below the subtitle, there is a decorative horizontal line with a central flourish. The authors' names are at the bottom of the cover.

...But If a Zombie Apocalypse Did Occur Amy L. Thompson, Antonio S. Thompson, 2015-08-12 Part pop culture trope part hypothetical cataclysm the zombie apocalypse is rooted in modern literature film and mythology This collection of new essays considers the implications of this scientifically impossible but perhaps imminent event examining real world responses to pandemic contagion and civic chaos as well as those from Hollywood and popular culture The contributors discuss the zombie apocalypse as a metaphor for actual catastrophes and estimate the probabilities of human survival and behavior during an undead invasion

The Ends of Harm Victor Tadros, 2011-09-15 How can the brutal and costly enterprise of criminal punishment be justified This book makes a provocative original contribution to the philosophical literature and debate on the morality of punishing arguing that punishment is justified in the duties that offenders incur as a result of their wrongdoing

To Do, to Die, to Reason why Victor Tadros, 2020 Victor Tadros offers a new account of the ethics of war and the legal regulation of war He focuses especially on the conduct of individuals for instance whether they are required to follow orders to go to war what moral constraints there are on killing in war and the extent to which the laws of war ought to reflect the morality war

Deterrence Thom Brooks, 2019-11-11 Deterrence is a theory which claims that punishment is justified through preventing future crimes and is one of the oldest and most powerful theories about punishment The argument that punishment ought to secure crime reduction occupies a central place in criminal justice policy and is the site for much debate Should the state deter offenders through the threat of punishment What available evidence is there about the effectiveness of deterrence Is deterrence even possible This volume brings together the leading work on deterrence from the dominant international figures in the field Deterrence is examined from various critical perspectives including its diversity relation with desert the relation of deterrence with incapacitation and prevention the role deterrence has played in debates over the death penalty and deterrence and corporate crime
