Butlers Lives Of The Saints Concise Modernized Edition:

Butler's Lives of the Saints: Concise, Modernized Edition Bernard Bangley, 2012-01-01 There is no greater authority on the saints than Alban Butler and his enormous research has been the standard reference on the subject for the last two and a half centuries This new adaptation of Butler's multi volume Lives of the Saints presents a modernized text for today's reader and provides an illuminating guide to these historic symbolic and foundational Christian men and women Butler's daily readings from the lives and works of the saints offer readers of all backgrounds the opportunity to engage directly with these great figures Butler's distinctive contribution to stories about saints was to turn attention away from the superhuman miraculous themes that are prevalent in earlier works He gives us saints who are examples of Christian living who provide inspiration for our own lives in every time and circumstance As Butler writes They were once what we are now travelers on earth They had the same weaknesses we have We have difficulties so had the saints Important features of this version include mention of recently canonized saints as well as those whose path to official sainthood is still in progress Also included in the daily readings are more obscure saints whose lives and contributions to Christianity should not be forgotten *Butler's Lives of the Saints* Michael Walsh, 1991-07-05 For more than two centuries Butler's Lives of the Saints has been hailed as the authority on the Christian patron saints Now in this new edition of the original classic Michael Walsh has culled the rich resources of earlier editions to accentuate the more modern and best documented saints Echoing the charm and style of the eighteenth century edition Walsh's volume has been edited to make the fascinating and inspiring lives of the saints easily accessible to readers today This edition features saints from many nations and backgrounds and includes new articles on recently canonized saints The index offers the list of saints from the complete edition and includes all new canonizations and new dates making it the most up to date listing of saints available Butler's Lives of the Saints remains a remarkable reference source and through its comprehensive biographies a valuable aid to devotion and a rich source of historical information

Saints at Heart Bert Ghezzi, 2019-10-22 Saints at Heart presents an engaging picture of the spiritual life as shown in the experience and writings of the saints The title announces the book's double theme the lives of holy men and women who have consecrated their lives to God and to the possibility of our following them and also dedicating our hearts to God Readers will discover in this book well told and appealing stories of women and men ordinary human beings like themselves who knew God and whose lives as a consequence radiated light love and joy Each story presents the core message of a saint's life and highlights an important spiritual path that readers will be encouraged to follow *How the Saints Shaped History* Randall Petrides, 2023-04-28 In every era of the Catholic Church holy men and women have shaped history through their gifts and talents and most importantly through their resolute commitment to Jesus Christ Some led armies some founded monasteries some lived a radical call to charity and each one had a unique part to play How the Saints Shaped History focuses on the essential role of the saints as vessels of God's grace in moving the Church and the world through her two thousand year

history Written especially for everyday Catholics hungry to learn more about the Faith this book is both comprehensive and accessible It tells the story of how more than 180 saints from Saint Mary Magdalene to Pope Saint John Paul II led the Church through many crises and back to her spiritual roots As our Church continues to face crises this book reminds us that we still have reason to hope in our own time As the providential hand of God worked through the saints to shape history each of us is called to become a new saint to shape the history of the Church today *The Stigmata: Those Who Bore the Wounds of Christ* Deacon Albert E. Graham, 2023-08-10 Whether you are an atheist an agnostic or a true believer and disciple of Jesus Christ you will be mystified at what you learn from *The Stigmata* The *Stigmata* examines such other worldly phenomena one could liken it to a spiritual X files episode Christ's death and resurrection was not the end but the beginning for us all Jesus agonizing suffering sacrifice and surrender of his own life opened the gates of heaven to all those willing to follow Him The stigmatics serve as an earthly human reminder of the Divine Jesus obedient holy and sacrificial offering to us The *Stigmata* is a compilation of some 657 individuals from the 13th to the 21st centuries who have incomprehensibly borne the wounds suffered by Christ The *Stigmata* discusses many of the stigmatics in biographical detail Some stigmatics are recognized saints such as St Padre Pio and St Therese Neumann Sainted or not all stigmatics suffer in some way like Christ bearing evidence of nail piercings to the hands and feet the crown of thorns and sword laceration near the heart Have there been fraudulent stigmatics Yes and The *Stigmata* discusses the fakes separating them like wheat from chaff Aside from the painful and bloody wounds these individuals suffer many stigmatics exhibit other miraculous mysteries from levitation and bi location to reading of souls and other human impossibilities The pain the stigmatics have endured is real the phenomena they've experienced is mystical and their complete impact on the world is known only to God *Pocket Guide to Sainthood* Jason Boyett, 2009-08-03 Boyett's witty weird and sometimes even wise Pocket Guides are proof that the best things do come in small packages DANIEL RADOSH AUTHOR RAPTURE READY We name our cities hospitals and churches after them We flock to shrines bearing their remains We ask for their help when we lose our keys Who are these saints what made them so holy and what in the world are those birds doing on St Francis's shoulder Jason Boyett's *Pocket Guide to Sainthood* takes an intriguing and unflinching look at the fascinating and fascinatingly weird lives of the saints Whether you are a Catholic desperately needing a patron or a Protestant trying to identify your cabbie's bobblehead this may be as close as you ever come to true holiness Make the most of it by learning How St Denis delivered his best sermon while holding his own decapitated head Why both hair shirts and nakedness are mainstays of saintly fashion Which saints are the patrons of bowel disorders serial killers and other useful categories What is involved in the canonization process should you get so lucky or martyred With *Pocket Guide to Sainthood* virtue just got a whole lot more entertaining THE POCKET GUIDE SERIES explains complex religious subjects with a lethal dose of educational hilarity guided by the author's insatiable curiosity humor and gentle irreverence The Pocket Guide series includes *Pocket Guide to the Bible* *Pocket Guide to the Afterlife* and this book
