Butterfly Sonya Hartnett:

Butterfly by Sonya Hartnett Samarra Hyde, 2010 **Butterfly** Sonya Hartnett, 2010-08-24 Struggling with insecurity stemming from her cruel spirited and fickle friends and her own adolescent awkwardness 14 year old Plum worshipfully emulates a glamorous young wife who lives in her 1980s Australian suburb unaware that the woman hides a personal agenda By the author of *Surrender* *Butterfly* Sonya Hartnett, 2011-05-24 On the verge of her fourteenth birthday Plum knows her life will change But she has no idea how Over the coming weeks her beautiful neighbour Maureen will show her how she might fly Her adored older brothers will court catastrophe in worlds that she barely knows exist And her friends her worst enemies will tease and test smelling weakness They will try to lead her on and take her down Who ever forgets what happens when you're fourteen Prizes Shortlisted for Miles Franklin Literary Award 2010 Surrender Sonya Hartnett, 2012-06-26 Sophisticated young readers will be awed by the delicate measured heartbreaking portrait that emerges Kirkus Reviews starred review As life slips away Gabriel looks back over his brief twenty years which have been clouded by frustration and humiliation A small unforgiving town and distant punitive parents ensure that he is never allowed to forget the horrific mistake he made as a child He has only two friends his dog *Surrender* and the unruly wild boy Finnigan a shadowy doppelganger with whom the meek Gabriel once made a boyhood pact But when a series of arson attacks grips the town Gabriel realizes how unpredictable and dangerous Finnigan is As events begin to spiral violently out of control it becomes devastatingly clear that only the most extreme measures will rid Gabriel of Finnigan for good **Thursday's Child** Sonya Hartnett, 2019-08-13 A startling coming of age story Through Harper Hartnett captures the humanity of her spirited slightly eccentric and then nearly broken characters Publishers Weekly starred review Harper Flute believes that her younger brother Tin with his uncanny ability to dig was born to burrow While their family struggles to survive in a bleak landscape during the Great Depression the silent and elusive little Tin begins to tunnel beneath their tiny shanty As time passes Tin becomes a wild thing leaving his family further and further behind Sonya Hartnett tells a breathtakingly original coming of age story through the clear eyes of an observant child with exquisite prose richly drawn characters and a touch of magical realism **Global Learning in the 21st Century** Tassos Barkatsas, Adam Bertram, 2016-10-26 In this 21st century technological and social changes have never been as rapid as before and educative practices must evolve and innovate to keep up What is being done by educators today to prepare future global citizens What are the skills and competencies that will be required by our students What changes in how we approach education might need to be made This book presents a modern focus on some significant issues in teaching learning and research that are valuable in preparing students for the 21st century The book discusses these issues in four sections The first section presents contemporary innovative curriculum and pedagogical practices that are relevant for the 21st century This also includes how social networking has an integrated role within current educative practice The next section then explores issues and current research around motivation and

engagement and how these are changing in this era of technological and social change The third section presents debates around inclusion and social contexts both global and local Finally the fourth section explores current discourses in regard to internationalisation and globalisation and how these are being considered in educational research The book is an important representation of some of the work currently being done for these rapidly changing times It will appeal to academics researchers teacher educators educational administrators teachers and anyone interested in preparing students for a modern and globally interconnected world

Integrating Young Adult Literature through the Common Core Standards

Rachel L. Wadham, Jon W. Ostenson, 2013-01-07 This book advocates for a stronger role for young adult literature in ELA classrooms compellingly documenting how this body of work meets both the needs of adolescent students and the demands of the common core for complex texts and tasks Integrating Young Adult Literature through the Common Core Standards provides a compelling template for teachers that uses young adult literature and inquiry learning to meet students needs and the demands of the common core standards The first part of the book addresses the widely adopted common core state standards by examining closely the standards model of text complexity and demonstrating how young adult literature can fill the requirements of this model The second part provides theoretical discussions and analysis of the standards as well as concrete applications of young adult literature within the classroom in order to give school professionals a comprehensive understanding of how young adult literature and the standards can work together The book empowers schools and teachers to make intelligent informed decisions about texts and instructional practices that benefit their students Finally the authors explore a powerful teaching approach that integrates current understandings about learning young adult literature and the common core standards in a way that will facilitate greater learning and understanding in English classrooms

Twenty-First-Century Feminisms in Children's and Adolescent Literature Roberta Seelinger Trites, 2018-01-17 Over twenty years after the publication of her groundbreaking work Waking Sleeping Beauty Feminist Voices in Children s Novels Roberta Seelinger Trites returns to analyze how literature for the young still provides one outlet in which feminists can offer girls an alternative to sexism Supplementing her previous work in the linguistic turn Trites

employs methodologies from the material turn to demonstrate how feminist thinking has influenced literature for the young in the last two decades She interrogates how material feminism can expand our understanding of maturation and gender especially girlhood as represented in narratives for preadolescents and adolescents Twenty First Century Feminisms in Children s and Adolescent Literature applies principles behind material feminisms such as ecofeminism intersectionality and the ethics of care to analyze important feminist thinking that permeates twenty first century publishing for youth The structure moves from examinations of the individual to examinations of the individual in social environmental and interpersonal contexts The book deploys ecofeminism and the posthuman to investigate how embodied individuals interact with the environment and via the extension of feministic ethics how people interact with each other romantically and sexually Throughout the book Trites explores issues of identity gender race class age and sexuality in a wide range of literature for young readers such as Kate DiCamillo s Flora and Ulysses Jacqueline Woodson s Brown Girl Dreaming and Rainbow Rowell s Eleanor Park She demonstrates how shifting cultural perceptions of feminism affect what is happening both in publishing for the young and in the academic study of literature for children and adolescents *School Library Journal* ,2010
