Legalized Prostitution in Germany Annegret Staiger, 2022-02-01 Germany has been infamously dubbed the Brothel of Europe but how does legalized prostitution actually work Is it empowering or victimizing realistic or dangerous In Legalized Prostitution in Germany Annegret D Staiger s ethnography engages historical cultural and legal contexts to reframe the brothel as a place of longing and belonging of affective entanglements between unlikely partners and of new beginnings across borders while also acknowledging the increasingly exploitative labor practices By sharing the stories of sex workers clients and managers within the larger legal system meant to provide dignity and safety through regulation Staiger skillfully frames the economic aspects of commercial sex work and addresses important questions about sexual labor intimacy and relationships Weaving insightful scholarship with beautiful storytelling Legalized Prostitution in Germany provides readers with a deeper understanding of the complexities of legalized prostitution **AfrikAffekt** Russell West-Pavlov, 2020-08-31
