Buy Your Freedom Todd Nethercutt:

Buy Your Freedom! Todd Nethercutt, 2016-01-18 Have you ever found yourself sitting in front of the TV watching House Hunters or a similar show to see a young newlywed couple fresh out of school looking at starter homes in the 800 000 range while thinking to yourself How in the world can they afford that This book holds the answer to that question and many more A long time ago in an America far far away we lived within our means spent no more than our paychecks would allow and only resorted to borrowing money from other people in the most severe of economic disasters or emergencies Oh how times change Today we borrow money from other people for almost every expense over 200 We now call it financing or buying on credit This is simply borrowing money from other people to buy the things we normally could not afford In addition most of us know personally or have gone through the process ourselves someone who has declared bankruptcy to get out of their debt problems This is also normal and even approved practice today What we have somehow evolved to consider to be normal acceptable rules of finance is shameful at best There have been countless books on personal finance published before this one They typically cover the same topics Make a monthly budget wisely choose your mutual funds put away an emergency fund for a rainy day save something for retirement and something for your kids education Based on our current financial predicament these books apparently have not worked very well This book is not one of those This book is more of a Chuck Norris Roundhouse Kick to the Financial Face Most of you will not be prepared to hear what this book says but sometimes tough love is the best kind You have been warned Buyer Beware *H.R. 220, the Freedom and Privacy Restoration Act* United States.
