Buzzfeed United States:

Money Laundering Blacklists Michele Riccardi, 2022-01-31 What are the criteria used by Financial Action Task Force FATF and the European Union to blacklist jurisdictions at high risk of money laundering What are the countries at highest risk according to Panama Papers and FinCEN files Where do criminals move their illicit money according to judicial and investigative evidence This book answers these questions It is an unprecedented study on the countries at highest risk of attracting money laundering and organised crime proceeds and how they are identified as such by scholars policy makers and anti money laundering AML practitioners It targets an issue which is central to the policy debate in the media but is under studied This book is divided into two parts Part I discusses the concept of money laundering risk its main determinants and carries out a review of extant country ratings ranging from official blacklists and grey lists to media leaks and scholarly papers Part II discusses the weaknesses and the myths behind the current ratings and proposes a new approach to assess the risk of money laundering across countries With a critical research perspective empirically driven this book aims to satisfy both scholars and students in particular from criminology economics and international relations and practitioners from banks professional firms and AML authorities

Italian Americans on Screen Ryan Calabretta-Sajder, Alan J. Gravano, 2021-02-04 Italian Americans on Screen Challenging the Past Re Theorizing the Future reconsiders Robert Casillo's definition of Italian American cinema as applying to works by Italian American directors who treat Italian American subjects to expand this classification Contributors situate Italian American cinema and media within the contemporary and intersectional debates about ethnic identity including race class gender and sexuality studies This book links past scholarship to theoretical underpinnings with new hermeneutical approaches in television and film to establish new interpretations concerning Italian Americans on screen Scholars of film studies media studies cultural studies and sociology will find this book particularly useful

Liars, Leakers, and Liberals Jeanine Pirro, 2018-07-17 Get the story the Fake News media doesn't want you to hear in the #1 New York Times bestseller a withering indictment of the Deep State plot against Trump and a firsthand account of the real presidency based on interviews with the Trump family and top administration officials At this point in American history we are the victims of a liberal sabotage of the presidency unlike anything we've ever witnessed Nevertheless President Trump continues to fight every day to keep his promise to Make America Great Again Today that bold idea has already led to a conservative judge on the Supreme Court tax reform and deregulation that has unleashed an economy stronger than anyone could have imagined But there are dark forces that seek to obstruct and undermine the president and reverse the results of the 2016 presidential election They are part of a wide ranging conspiracy that would seem incredible if it weren't being perpetrated openly Driven by ambition blinded by greed and bound by a common goal to unseat the 45th President of the United States this cabal is determined to maintain its wrongful hold on national political power Fox News host Jeanine Pirro uncovers the elements of this conspiracy including Fake news propaganda Law enforcement corruption at

the highest levels National security leaks by the intelligence community Bureaucratic resistance to lawful and constitutional executive orders issued by the duly elected president Crooked deals with foreign governments by U S officials sworn to defend our Constitution It s about time the American public knows the truth about the plot to bring down the Trump presidency By the time you ve finished this book you ll agree with Judge Pirro that the only way to stop these hoodlums is to Take Them Out in Cuffs *Coup d'État* Jerome R. Corsi,2020-03-03 The Deep State isn t finished trying to destroy President Donald Trump they ve only just begun Coup d Etat blows the lid off the Deep State s efforts to prevent the Trump presidency disrupt his agenda and prevent his reelection In this book you ll learn The truth behind Robert Mueller s Special Counsel baseless investigation The identity of the Trump cabinet member who proposed wearing a wire to take down Trump How the FBI entrapped members of the Trump team and how they unsuccessfully tried the same with Corsi How the Democratic establishment faked evidence of Russian interference The truth behind Julian Assange s arrest and what the Deep State wants to prevent him from exposing How the FBI abused FISA law to spy on Trump and how they tried to hide it Mueller s continued coverup that the media refuses to report This is the book the Deep State and the media don t want you to read

Media Business Mr. Rohit Manglik,2023-11-23 Explores economic and management aspects of running media enterprises and industries **New Power** Jeremy Heimans, Henry Timms,2018-04-03 From two influential and visionary thinkers comes a big idea that is changing the way movements catch fire and ideas spread in our highly connected world For the vast majority of human history power has been held by the few Old power is closed inaccessible and leader driven Once gained it is jealously guarded and the powerful spend it carefully like currency But the technological revolution of the past two decades has made possible a new form of power one that operates differently like a current New power is made by many it is open participatory often leaderless and peer driven Like water or electricity it is most forceful when it surges The goal with new power is not to hoard it but to channel it New power is behind the rise of participatory communities like Facebook and YouTube sharing services like Uber and Airbnb and rapid fire social movements like Brexit and BlackLivesMatter It explains the unlikely success of Barack Obama s 2008 campaign and the unlikelier victory of Donald Trump in 2016 And it gives ISIS its power to propagate its brand and distribute its violence Even old power institutions like the Papacy NASA and LEGO have tapped into the strength of the crowd to stage improbable reinventions In New Power the business leaders social visionaries Jeremy Heimans and Henry Timms provide the tools for using new power to successfully spread an idea or lead a movement in the twenty first century Drawing on examples from business politics and social justice they explain the new world we live in a world where connectivity has made change shocking and swift and a world in which everyone expects to participate *Swiftboating America* Hans Mahncke,2024-10-15 The true and complete story behind the Russiagate hoax revealed for the first time How was a Clinton campaign dirty trick turned into an all out effort by factions within the federal government to drive out a sitting president The astonishing story is told from the perspective of a motley crew of Twitter

users who against all odds exposed the intricate layers of a political scandal that shook the nation *Swiftboating America* delves into how these citizen journalists identified the Steele dossier's primary source Igor Danchenko and how they revealed that Danchenko did not have access to the information in the dossier. It also explores how the FBI concealed Danchenko from the public eye for four years. The book reveals shocking new details about how the FBI's Crossfire Hurricane investigation of the Trump campaign actually began and how Robert Mueller's special counsel office attempted to cover up the FBI's misdeeds. Among many other revelations, the book presents the previously untold story of how the Clinton campaign fabricated a false data trail that supposedly linked Trump to the Kremlin. Meticulously researched and footnoted, *Swiftboating America* is the most comprehensive account of how a combination of the Clinton campaign, a former British intelligence officer, the FBI, the CIA, the president, the vice president, and the media plotted to undermine a presidential candidate and later the president himself. Their actions were the greatest act of domestic political sabotage of all time. *Social Media Strategy* Keith A. Quesenberry, 2020-08-14 This book is a blueprint for the practice of marketing communications, advertising, and public relations in a digital world where the consumer has taken control. *All That's Not Fit to Print* Amy Affelt, 2019-05-21 Fake news may have reached new notoriety since the 2016 US election, but it has been around a long time. In *All That's Not Fit to Print*, Amy Affelt offers tools and techniques for spotting fake news and discusses best practices for finding high-quality sources, information, and data. ***Putin's World*** Angela Stent, 2019-02-26 In this revised version that includes an exclusive new chapter on the Russia-Ukraine war, renowned foreign policy expert Angela Stent examines how Putin created a paranoid and polarized world and increased Russia's status on the global stage. How did Russia manage to emerge resurgent on the world stage and play a weak hand so effectively? Is it because Putin is a brilliant strategist? Or has Russia stepped into a vacuum created by the West's distraction with its own domestic problems and US ambivalence about whether it still wants to act as a superpower? *Putin's World* examines the country's turbulent past, how it has influenced Putin, the Russians' understanding of their position on the global stage, and their future ambitions, and their conviction that the West has tried to deny them a seat at the table of great powers since the USSR collapsed. This book looks at Russia's key relationships, its downward spiral with the United States, Europe, and NATO, its ties to China, Japan, the Middle East, and with its neighbors, particularly the fraught relationship with Ukraine. *Putin's World* will help Americans understand how and why the post-Cold War era has given way to a new, more dangerous world, one in which Russia poses a challenge to the United States in every corner of the globe and one in which Russia has become a toxic and divisive subject in US politics.
