Strategic Performance Management Andre De Waal,2017-09-16 Strategic Performance Management brings together the fields of strategic management strategic management accounting and organizational behaviour to analyse and improve the link between organizational strategy systems of planning and control and performance driven behaviour By assessing market conditions and customer expectations and linking them to a solid operating plan an organization can focus its resources on activities that produce the greatest return on investment Strategic Performance Management teaches readers whether business students or executives how to avoid errors and counter ineffectiveness it provides methods and techniques to implement strategic performance management and support organizations in their pursuit of more performance driven behaviour and better performance New to this edition New introductory chapter defining strategic performance management its processes and its benefits Revised chapter considering ICT architecture for strategic performance management systems Revised and improved coverage of performance pay strategic action plans and barriers for implementing strategic performance management Updated and revised case studies Strategic Performance Management is an ideal text for students on MBA programmes or covering strategic performance management or management control on specialist postgraduate courses or final year undergraduate modules It will also appeal to business executives keen to build a more successful and more profitable organization

Integrated Reporting (IR) for Sustainability Ki-Hoon Lee,Samanthi Senaratne,Nuwan Gunarathne,2023-10-24 The book presents a rich collection of research studies on the theory and practice of corporate integrated reporting IR in South Asia South Asia is emerging to compete in the world marketplace and one of fast economically growing regions to contribute to the global economy As the region s economic development accelerates balancing economic and environmental development appears as a key sustainability challenge for governments investors consumers and local communities Companies in South Asia region are therefore increasingly challenged to reduce their environmental impacts and to contribute to sustainable development This book includes valuable contributions of advanced research concepts applications developments and case studies on corporate IR and sustainability accounting in South Asia and the roles of different professional accounting bodies to strength corporate sustainability and build capacity in the South Asian Region

Organizational Assessment and Improvement in the Public Sector Kathleen M. Immordino,2017-09-25 Calls for performance measures and metrics sound good but public sector organizations often lack the tools required to assess the

organization as a whole and create true change In order to implement an integrated cycle of assessment planning and improvement government agencies at all levels need a usable framework for organizational assessment that speaks to their unique needs Organizational Assessment and Improvement in the Public Sector provides that framework an understanding of assessment itself and a methodology for assessment focused on the public sector The book introduces the concept of organizational assessment its importance and its significance in public sector organizations It addresses the organizational theory that underlies assessment including change management organizational and individual learning and organizational development Building on this the author focuses on the processes and demonstrates how the communication that results from an assessment process can create a widely accepted case for change She presents a model grounded in the Malcolm Baldrige National Quality Program criteria but adapted for the culture of government organizations She also addresses the criteria that form the basis for assessment and implementation and provides examples and best practices Facing decreasing budgets and an increasing demand for services government agencies must increase their capabilities maximize their available fiscal and human resources and increase their effectiveness and efficiency They often operate in an atmosphere that prizes effectiveness but measures it in silos assigned to individual programs and a structure that encourages people to do more with less while systematically discouraging efficiency Stressing the significant and important differences between a business and a government this book supplies the knowledge and tools necessary to create a culture of assessment in government organizations at all levels

Success in Evaluation Steffen Bohni Nielsen, Rudi Turksema, Peter van der Knapp, 2017-09-08 Success in Evaluation takes a fundamentally different approach to the mainstream supply side discussion of evaluation quality utilization and learning The contributors believe that a systematic focus on success will lead to increased awareness of evaluation and its findings a more positive attitude and a greater chance of actual evaluation use This book offers many different lessons on how to improve evaluation design research processes and reporting It is a realistic look at performance management the evidence movement and the demand barriers that so often block the role evaluators can play in organizational learning and decision making International case studies and lessons are included that both explain success oriented methods and share insightful lessons from the real world Together they present a convincing case that evaluation for success allows for increased constructive interaction amongst both stakeholders and evaluators and as a result learning processes and outcomes will improve
