Sarah B. Towle

Border Patrol Hiring 2014:

Crossing the Line (Revised Edition) Sarah Towle, 2025-09-30 Harnessing the emotional truth narrative power and moral vision of Morrison Kingsolver and Zinn Sarah Towle's urgent and evocative journey of discovery reveals how the US immigration system evolved into a weapon to drive democracy into crisis 2024 Nonfiction Book Award Gold Medal Winner 2024 CIBA Nellie Bly Award First Place Winner for Journalistic Nonfiction 2025 RFK Human Rights Book Award Nominee A SocialJusticeBook.org featured book for Teaching About Immigration It was family separation and kids in cages that drove Sarah Towle to the US southern border On discovering the many headed hydra that is the US immigration system and the heroic determination of those caught under its knee she could never look away again Crossing the Line Finding America in the Borderlands charts Sarah's journey from outrage to activism to abolition as she exposes layer by broken layer the global deterrence to detention to deportation complex that is failing everyone save the profiteers and demagogues who benefit from it Deftly weaving together oral storytelling history and memoir Sarah illustrates how the US has led the retreat from post WWII commitments to protecting human rights Yet within the web of normalized cruelty she finds hope and inspiration in the extraordinary acts of ordinary people who prove every day there is a better way By amplifying their voices and celebrating their efforts Sarah reveals that we can welcome with dignity those most in need of safety and compassion In unmasking the real root causes of the so called crisis in human migration she urges us to act before we travel much farther down our current course one which history will not soon forgive or forget **Border Security, 2015** United States. Congress. Senate. Committee on Homeland Security and Governmental Affairs, 2016 Crossing the Line Sarah B. Towle, 2024-06-18 It was family separation and kids in cages that drove Sarah Towle to the U S southern border On discovering the many headed hydra that is the U S immigration system and the heroic determination of those caught under its knee she could never look away again Crossing the Line Finding America in the Borderlands charts Sarah's journey from outrage to activism to abolition as she exposes layer by broken layer the global deterrence to detention to deportation complex that is failing everyone save the profiteers and demagogues who benefit from it Deftly weaving together oral storytelling history and memoir Sarah illustrates how the U S has led the retreat from post WWII commitments to protecting human rights Yet within the web of normalized cruelty she finds hope and inspiration in the extraordinary acts of ordinary people who prove every day there is a better way By amplifying their voices and celebrating their efforts Sarah reveals that we can welcome with dignity those most in need of safety and compassion In unmasking the real root causes of the so called crisis in human migration she urges us to act before we travel much farther down our current course one which history will not soon forgive or forget Department of Homeland Security Appropriations for 2016 United States. Congress. House. Committee on Appropriations. Subcommittee on Homeland Security, 2015 *The Beloved Border* Miriam Davidson, 2021-09-28 Kids in cages family separations thousands dying in the desert Police violence and corruption Environmental devastation These are

just some of the dramatic stories recounted by veteran journalist Miriam Davidson in *The Beloved Border* This groundbreaking work of original reporting also gives hope for the future showing how border people are responding to the challenges with compassion and creativity The book draws on a variety of sources to explain how border issues intersect and how the current situation while made worse under the Trump administration is in fact the result of decades of prohibition crackdowns and wall building on the border Davidson addresses subjects such as violence in Mexico particularly against the press cross border gun smuggling and legal gun sales the rise in migrant detentions deportations and deaths since the crackdown began controversy over humanitarian aid in the desert border patrol crimes and abuses and the legal ethical and moral issues raised by increased police presence and militarization on the border The book also looks at the environmental impact of wall building and construction of a planned copper mine near Tucson especially on the jaguar and other endangered species Davidson shares the history of sanctuary and argues that this social movement and others that have originated on the border are vanguards of larger global movements against the mistreatment of migrant workers and refugees police brutality and other abuses of human and natural rights She gives concrete examples of positive ways in which border people are promoting local culture and cross border solidarity through health care commerce food art and music While death and suffering continue to occur *The Beloved Border* shows us how the U S Mexico border could be and in many ways already is a model for peaceful coexistence worldwide

Sand and Blood John Carlos Frey, 2019-06-25 A damning portrait of the U S Mexico border where militaristic fantasies are unleashed violent technologies are tested and immigrants are targeted Over the past three decades U S immigration and border security policies have turned the southern states into conflict zones spawned a network of immigrant detention centers and unleashed an army of ICE agents into cities across the country As award winning journalist John Carlos Frey reveals in this groundbreaking book the war against immigrants has been escalating for decades fueled by defense contractors and lobbyists seeking profits and politicians Republicans and Democrats alike who relied on racist fear mongering to turn out votes After 9 11 while Americans attention was trained on the Middle East and the wars in Iraq and Afghanistan the War on Terror was ramping up on our own soil aimed not at terrorists but at economic migrants refugees and families from South and Central America seeking jobs safety and freedom in the U S But we are no safer Instead families are being ripped apart undocumented people are living in fear and thousands of migrants have died in detention or crossing the border Taking readers to the Border Patrol outposts unmarked graves detention centers and halls of power *Sand and Blood* is a frightening essential story we must not ignore
