Paul Monette

Borrowed Time An Aids Memoir:

Borrowed Time Paul Monette, 1998 The first personal documentary about AIDS to be published *Borrowed Time* remains as vividly detailed as the best novel and as lucidly observed as the fiercest journalism Selected from *Borrowed Time* Paul Monette, 1992 For the adult reader selections from the memoir on AIDS *Borrowed Time* Paul Monette, 1988 **Unfitting Stories** Valerie Raoul, 2007-03-30 *Unfitting Stories* Narrative Approaches to Disease Disability and Trauma illustrates how stories about ill health and suffering have been produced and received from a variety of perspectives Bringing together the work of Canadian researchers health professionals and people with lived experiences of disease disability or trauma it addresses central issues about authority in medical and personal narratives and the value of cross or interdisciplinary research in understanding such experiences The book considers the aesthetic dimensions of health related stories with literary readings that look at how personal accounts of disease disability and trauma are crafted by writers and filmmakers into published works Topics range from psychiatric hospitalization and aestheticizing cancer to father daughter incest in film The collection also deals with the therapeutic or transformative effect of stories with essays about men sport and spinal cord injury narrative teaching at L Arche a faith based network of communities inclusive of people with developmental disabilities and the construction of a schizophrenic identity A final section examines the polemical functions of narrative directing attention to the professional and political contexts within which stories are constructed and exchanged Topics include ableist limits on self narration drug addiction and the disease model and narratives of trauma and Aboriginal post secondary students *Unfitting Stories* is essential reading for researchers using narrative methods or materials for teachers students and professionals working in the field of health services and for concerned consumers of the health care system It deals with practical problems relevant to policy makers as well as theoretical issues of interest to specialists in bioethics gender analysis and narrative theory Read the chapter *Social Trauma and Serial Autobiography Healing and Beyond* by Bina Freiwald on the Concordia University Library Spectrum Research Repository website *Reflections* Paul Monette, 2017-09-05 From an acclaimed memoirist and National Book Award winner Three groundbreaking works of nonfiction put a human face on the AIDS epidemic Paul Monette's searing memoirs of growing up coming out and losing his beloved partner to AIDS are now available in a single volume *Becoming a Man* This National Book Award winning memoir follows Monette's childhood Growing up all American Catholic overachieving and closeted Monette wrestled with his sexuality for the first thirty years of his life priding himself on his ability to pass for straight This intimate portrait of a young man's struggle with his own desires and journey to adulthood and self acceptance through grace and honesty is witty humorous and deeply felt *Borrowed Time* Chronicling Monette's relationship with Roger Horwitz this tragic true story follows Horwitz's fight against and eventual death from AIDS A tender and lyrical memoir *The New York Times Book Review* it remains one of the most raw and human tales of the AIDS era a searing shattering ultimately hope inspiring account of a

great love story San Francisco Examiner The Last Watch of the Night Compiling work from the last two years of his life this collection of essays documents Monette's reflections as he slowly succumbed to AIDS Ringing with humor rage and passion his words provide a breathtaking view from inside the AIDS scourge Brutal funny and startlingly honest this comprehensive volume brings together some of the most important stories of the AIDS era **A Badge of Injury** Sébastien

Tremblay, 2023-12-04 A Badge of Injury is a contribution to both the fields of queer and global history It analyses gay and lesbian transregional cultural communication networks from the 1970s to the 2000s focusing on the importance of National Socialism visual culture and memory in the queer Atlantic Provincializing Euro American queer history it illustrates how a history of concepts which encompasses the visual offers a greater depth of analysis of the transfer of ideas across regions than texts alone would offer It also underlines how gay and lesbian history needs to be reframed under a queer lens and understood in a global perspective Following the journey of the Pink Triangle and its many iterations A Badge of Injury pinpoints the roles of cultural memory and power in the creation of gay and lesbian transregional narratives of pride or the construction of the historical queer subject Beyond a success story the book dives into some of the shortcomings of Euro American queer history and the power of the negative writing an emancipatory yet critical story of the era **Homoplot**

Esther Saxey, 2008 Homoplot analyses the lesbian gay and bisexual coming out story in fiction and autobiography from the late 1960s to the present day These stories are recognised as an invaluable record of lesbian gay or bisexual life However this book illuminates their equally vital role as active tools in the arduous project of creating gay lesbian and bisexual identities constructing the identities they seem to describe Homoplot shows how a popular twist of the plot or a single common character trait can be a powerful intervention into sexual politics Approaching these texts with the tools of queer criticism the book celebrates their success but also illuminates their chief problem how the need to create concrete sexual identities has often narrowed the range of queer experiences represented Despite the ongoing popularity of coming out stories this is the first book length study of the genre Homoplot surveys hundreds of examples including in depth readings of authors such as Jeanette Winterson Dorothy Allison Rita Mae Brown Oscar Moore Paul Monette and Aaron Fricke and provides an incisive account of the genre's defining features The book is essential reading for anyone considering queer literature or lesbian gay and bisexual identity in the twentieth century and beyond Researchers and students considering life history and autobiography will also benefit from its analysis of feminist and queer politics Plague Writing in Early Modern

England Ernest B. Gilman, 2024-05-31 During the seventeenth century England was beset by three epidemics of the bubonic plague each outbreak claiming between a quarter and a third of the population of London and other urban centers Surveying a wide range of responses to these epidemics sermons medical tracts pious exhortations satirical pamphlets and political commentary Plague Writing in Early Modern England brings to life the many and complex ways Londoners made sense of such unspeakable devastation Ernest B Gilman argues that the plague writing of the period attempted unsuccessfully to

rationalize the catastrophic and that its failure to account for the plague as an instrument of divine justice fundamentally threatened the core of Christian belief Gilman also trains his critical eye on the works of Jonson Donne Pepys and Defoe which he posits can be more fully understood when put into the context of this century long project to write out the plague Ultimately Plague Writing in Early Modern England is more than a compendium of artifacts of a bygone era it holds up a distant mirror to reflect our own condition in the age of AIDS super viruses multidrug resistant tuberculosis and the hovering threat of a global flu pandemic

Encyclopedia of Contemporary LGBTQ Literature of the United States Emmanuel S. Nelson, 2009-07-14 In this two volume work hundreds of alphabetically arranged entries survey contemporary lesbian gay bisexual transgendered and queer American literature and its social contexts Comprehensive in scope and accessible to students and general readers *Encyclopedia of Contemporary LGBTQ Literature of the United States* explores contemporary American LGBTQ literature and its social political cultural and historical contexts Included are several hundred alphabetically arranged entries written by expert contributors Students of literature and popular culture will appreciate the encyclopedia's insightful survey and discussion of LGBTQ authors and their works while students of history and social issues will value the encyclopedia's use of literature to explore LGBTQ American society Each entry is written by an expert contributor and lists additional sources of information To further enhance study and understanding the encyclopedia closes with a selected general bibliography of print and electronic resources for student research

Gay American Autobiography David Bergman, 2009 In the first anthology to survey the full range of gay men's autobiographical writing from Walt Whitman to the present *Gay American Autobiography* draws excerpts from letters journals oral histories memoirs and autobiographies to provide examples of the best life writing over the last century and a half Volume editor David Bergman guides the reader chronologically through selected writings that give voice to every generation of gay writers since the nineteenth century including a diverse array of American men of African European Jewish Asian and Latino heritage Documenting a range of life experiences that encompass tattoo artists and academics composers and drag queens hustlers and clerks it contains accounts of turn of the century transvestites gay rights activists men battling AIDS and soldiers attempting to come out in the army Each selection provides important insight on the wide spectrum of ways gay men have defined and lived their lives highlighting how self awareness changes an author's experience The volume includes an introduction by Bergman and headnotes for each of the nearly forty entries Bringing many out of print and hard to find works to new readers this challenging and comprehensive anthology chronicles American gay history and life struggles over the course of the past 150 years Finalist Lambda Book Award for LGBT Anthology Lambda Literary Foundation
