Dangerous Men and Adventurous Women Jayne Ann Krentz, 1992-09 Essays by Sandra Brown Jayne Ann Krentz Mary Jo Putney and other romance writers refute the myths and biases related to the romance genre and its readers **Honor**

Bound David Leverenz, 2012-03-27 As Bill Clinton said in his second inaugural address The divide of race has been America's constant curse In *Honor Bound* David Leverenz explores the past to the present of that divide He argues that in the United States the rise and decline of white people's racial shaming reflect the rise and decline of white honor White skin and black skin are fictions of honor and shame Americans have lived those fictions for over four hundred years To make his argument Leverenz casts an unusually wide net from ancient and modern cultures of honor to social political and military history to American literature and popular culture He highlights the convergence of whiteness and honor in the United States from the antebellum period to the present The Civil War the civil rights movement and the election of Barack Obama represent racial progress the Tea Party movement represents the latest recoil From exploring African American narratives to examining a 2009 episode of *Hardball* in which two white commentators restore their honor by mocking U S Attorney General Eric Holder after he called Americans cowards for not talking more about race Leverenz illustrates how white honor has prompted racial shaming and humiliation The United States became a nation state in which light skinned people declared themselves white The fear masked by white honor surfaces in such classics of American literature as *The Scarlet Letter* and *Adventures of Huckleberry Finn* and in the U S wars against the Barbary pirates from 1783 to 1815 and the Iraqi insurgents from 2003 to the present John McCain's *Faith of My Fathers* is used to frame the 2008 presidential campaign as white honor's last national stand *Honor Bound* concludes by probing the endless attempts in 2009 and 2010 to preserve white honor through racial shaming from the birthers and Tea Party protests to Joe Wilson's *You lie* in Congress and the arrest of Henry Louis Gates Jr at the front door of his own home Leverenz is optimistic that in the twenty first century racial shaming is itself becoming shameful **Bound by Danger** S. Stroud, 2007 *Plot Twists and Critical Turns* Queer Approaches to Early Modern Spanish Theater offers readings of a variety of works of seventeenth century Spanish theater from perspectives grounded in queer studies and demonstrates that these plays even given the limitations imposed by censorship public taste and their own conventional

precepts are shot through with gaps that allow one to perceive at least the outlines of an absent queer object if not overt examples of manifest challenges to gender conformity **The Last Heroes** W.E.B. Griffin, 1998-09-01 June 1941

Determined that the United States will be prepared for war Franklin D Roosevelt and Wild Bill Donovan orchestrate the most complex espionage organization in history the Office of Strategic Services Young and daring the OSS assemble under a thin camouflage of diplomacy and then disperse throughout the world to conduct their operations And no operation is more critical than the one being conducted by hotshot pilot Richard Canidy and his half German friend Eric Fulmar to secure the rare ore that will power a top secret weapon coveted on both sides of the Atlantic the atomic bomb **Romantic**

Conventions Anne K. Kaler, 1999 Finding that romance novels are an important literary genre not only because they comprise nearly half of paperback fiction sold but also because they employ sympathetic values and identifiable conventions critics present 12 studies analyzing a selection of specific conventions patterns themes and images and trace them back to origins in folktales or fairy tales and back again to the latest adaptations available in the supermarkets No index Paper edition 778 0 21 95 Annotation copyrighted by Book News Inc Portland OR Bound by Danger SE. Jakes, 2017 The danger that drew them together could send them over the edge Playing the role of enforcer in the Killers motorcycle club all CIA operative Clint Tomcat Sommers has to do is make sure he has a body to show for his work Thanks to his ability to move stealthily and easily between the two worlds the CIA is damned close to making one of its biggest MC gang busts Two years undercover have taken their toll but there s no backing out now Tomcat s only reprieve from the pressure is fantasizing about the newest member of the gang Worry for his cousin s involvement in the Killers drove Navy SEAL Jace Reynolds to agree to infiltrate the gang to do some short term surveillance for the FBI The deal do the job and his cousin gets witness protection When he meets Tomcat though his fantasies kick into overdrive Meeting men while on active duty is tough Acting on his desires within the club could have deadly consequences Despite the risks Tomcat s and Jace s off hours flare hotter than a full throttle burnout But the smoke is bound to attract unwanted attention And when Tomcat suddenly disappears the secrets both warriors keep could send one of them to the grave Men in Blue W.E.B.
