Business Management Hannie Badenhorst-Weiss,Tersia Brevis,Mike Cant,2008-02 The world is in a constant state of flux and this influences the operations of every business and organisation Business Management A Contemporary Approach deals with these changes by covering the functions of a business or an organisation and then addressing the contemporary issues that affect them These issues include globalisation corporate entrepreneurship and citizenship credit diversity and HIV AIDS Every student of business and business manager needs to understand the importance of these issues and their influence on the operations of a business Business Management A Contemporary Approach also highlights the interdependency between the various business functions This interdependency is very important

for a business or organisation to operate as a whole
