Canada - Culture Smart! Diane Lemieux,Juliana Tzvetkova,Culture Smart!,2023-03-23 Don't just see the sights get to know the people Unsuspecting outsiders often assume that Canadians are just like their American neighbors if perhaps a little more modest However there is much more to it than that Canadian society is a complex mosaic of distinct cultural identities that vary from province to province and with high levels of immigration it is one of the most multicultural societies in the world The country's unique development through devolution rather than revolution affects the way Canadians view the world and their place in it and numerous events of the last decade have challenged their self image and tested its substance Culture Smart Canada takes you to the heart of this diverse nation It unpacks the key chapters in their history describes the values that Canadians hold dear and the attitudes that you are likely to encounter It introduces you to the people and describes their way of life at home work and play Have a more meaningful and successful time abroad through a better understanding of the local culture Chapters on values attitudes customs and daily life will help you make the most of your visit while tips on etiquette and communication will help you navigate unfamiliar situations and avoid faux pas **USA -**

Culture Smart! Alan Beechey,Gina Teague,Culture Smart!,2023-03-23 Don't just see the sights get to know the people Who can afford not to understand the USA Underneath the gleaming smile of American popular culture lies a rich and complex society that brims with contrasts and contradictions It is a culture of rugged individualism of go getters of high tech high achievers At the same time it is a deeply religious country with a quiet devotion to church and charitable works This new edition of Culture Smart USA reveals a society in transition In an increasingly polarized political and cultural climate and with an ever widening gap between the haves and the have nots the rise of social media has given more Americans a voice As Americans wake up to a changing world where their global economic dominance is no longer assured attitudes and behaviors are being challenged and reassessed across the land Culture Smart USA takes you on a tour of the core influences and ideals that have shaped this great country and have driven the behavior and attitudes found on Main Street and in the workplace It looks at Americans at work at home and at play and provides the visitor with an up to date cultural road map of this dynamic multifaceted society Have a more meaningful and successful time abroad through a better understanding of the local culture Chapters on values attitudes customs and daily life will help you make the most of your visit while tips on etiquette and communication will help you navigate unfamiliar situations and avoid faux pas **Portugal - Culture Smart!** Sandy Pinto

Basto,Culture Smart!,2023-03-23 Don't just see the sights get to know the people Legend has it that when Caesar's general arrived on Portuguese soil in the first century CE he claimed to have discovered a country blessed with a mild climate and a beautiful coastline but whose inhabitants were ungoverned and ungovernable Today the Portuguese are still impulsive set in their ways and resistant to change yet they are ever charming romantic and nostalgic with an unshakable loyalty toward family and friends Culture Smart Portugal takes you beneath the surface of this fascinating country and shows you how to

blend in and make the most of your visit In these pages you will gain insight into Portuguese priorities and learn how to tap into a helpful and resourceful nature that is often overlooked by the casual visitor Beneath a sometimes vociferous manner the Portuguese are laid back and gentle so slacken your pace put away your watch and enjoy the rich meals lively festivals and ancient traditions of this great land Have a more meaningful and successful time abroad through a better understanding of the local culture Chapters on values attitudes customs and daily life will help you make the most of your visit while tips on etiquette and communication will help you navigate unfamiliar situations and avoid faux pas *Culture Smart! Iran* Stuart Williams, 2016-07-05 Iran is rarely out of the headlines and there is likely to be a rush of interest from tourists and investors if the provisional framework agreement reached in April 2015 is implemented lifting most sanctions in exchange for limits on its nuclear program for at least ten years Western fascination with Iran is nothing new For centuries foreigners have been entranced by a country that is quite distinct from all others in the region Iran is home to one of the world's oldest civilizations Travelers have long been seduced by the echoes of the extraordinary ancient history contained in the word Persia But Iran is also a modern society that is experiencing great change Although it is still feeling the effects of the Islamic Revolution of 1979 social restrictions have loosened considerably in recent years Strict Islamic rules coexist with an increasingly dynamic society driven by an overwhelmingly young population Animosity toward the West at a political level sits side by side with a wholehearted welcome for foreigners as individuals Culture Smart Iran takes you beyond the clichés to show how life in Iran really is and how you can feel comfortable in its society It offers insights into a country full of surprises Despite Iran's deep commitment to Islam the pre-Islamic Zoroastrian past is still part of everyday culture Its language Farsi shares linguistic roots with English and French It is a country where one of the more genuine democracies in the Middle East is overlaid by an unelected theocracy And where no thank you really does sometimes mean yes please If nothing else this entrancing beautiful and sometimes infuriating place is a country whose inhabitants genuinely wish visitors Khosh amadi Welcome The Official Youth Hostels Guide to the Americas, Africa, Asia & the Pacific 2005, 2004-12 **Essentials of Sociology** George Ritzer, Dr Wendy A.
