Buzzfeed March Madness:

Animal Madness Laurel Braitman, 2014-06-10 Science Friday Summer Reading Pick Discover magazine Top 5 Summer Reads People magazine Best Summer Reads A lovely big hearted book brimming with compassion and the tales of the many many humans who devote their days to making animals well The New York Times Have you ever wondered if your dog might be a bit depressed How about heartbroken or homesick Animal Madness takes these questions seriously exploring the topic of mental health and recovery in the animal kingdom and turning up lessons that Publishers Weekly calls Illuminating Braitman s delightful balance of humor and poignancy brings each case of life Animal Madness s continuous dose of hope should prove medicinal for humans and animals alike Susan Orlean calls Animal Madness a marvelous smart eloquent book as much about human emotion as it is about animals and their inner lives It is a gem that can teach us much about the wildness of our own minds Psychology Today

Tiger King: Murder, Mayhem and Madness Jaimie Baron, Kristen Fuhs, 2021-11-28 The third volume in the Docalogue series this book explores the significance of the documentary series Tiger King Murder Mayhem and Madness 2020 which became must see TV for a newly captive audience during the global Covid 19 pandemic The series a true crime tabloid spectacle about a murder for hire plot within the big cat trade prompts interesting questions about which documentaries become popular in particular moments and why However it also raises important questions related to the medium specificity of documentary in the streaming era as well as the ethics of both human and animal representation By combining five distinct perspectives on the Netflix documentary series this book offers a complex and cumulative discourse about Tiger King s significance in multiple areas including but not limited to animal studies queer theory genre studies labor relations and digital culture Students and scholars of film media television and cultural studies will find this book extremely valuable in understanding the significance of this larger than life true crime documentary series

American Madness Tea Krulos, 2020-08-25 Q Anon Fake News Bohemian Grove False flag attacks Deep state Crisis actors Whatever Gate Is any conspiracy worth the life of a believer The mainstream news media struggles to understand the power of social media while conspiracy advocates malicious political movements and even foreign governments have long understood how to harness the power of fear and the fear of power into lucrative outlets for outrage and money But what happens when the harbingers of inside knowledge go too far Author Tea Krulos tells the story of one man Richard McCaslin who s fractured thinking made him the ideal consumer of even the most arcane of conspiracy theories Acting on the daily rants of Alex Jones and his ilk McCaslin takes matters into his own hands to stop the unseen powers behind the world s disasters who congregate at conspiracy world s Mecca The Bohemian Grove It all goes wrong with terrible consequences for the man who styled himself The Phantom Patriot McCaslin is not alone as conspiracy driven political action has bubbled its way up from the margins of society to the White House It s no longer a lone deranged kook convinced of getting secret messages from a cereal box now its slick videos and well funded outrage campaigns ready to

peddle the latest innuendos and lies in hopes of harnessing the chaos for political gain What is the long term effect on people who believe these barely believable stories Who benefits and who pays the price Krulos investigates and explains the power of conspiracy and the resulting shared madness on the American psyche Tea Krulos is a Milwaukee based writer who documents the underground world of fringe sub cultures His previous books *Apocalypse Any Day Now* *Deep Underground* with America's Domsday Preppers and *Heroes in the Night* Inside the Real Life Super Hero Movement explored the driving beliefs and lives of the people who choose to reject accepted reality and substitute their own

White Negroes Lauren Michele Jackson, 2019-11-12 Exposes the new generation of whiteness thriving at the expense and borrowed ingenuity of black people and explores how this intensifies racial inequality American culture loves blackness From music and fashion to activism and language black culture constantly achieves worldwide influence Yet when it comes to who is allowed to thrive from black hipness the pioneers are usually left behind as black aesthetics are converted into mainstream success and white profit Weaving together narrative scholarship and critique Lauren Michele Jackson reveals why cultural appropriation something that's become embedded in our daily lives deserves serious attention It is a blueprint for taking wealth and power and ultimately exacerbates the economic political and social inequity that persists in America She unravels the racial contradictions lurking behind American culture as we know it from shapeshifting celebrities and memes gone viral to brazen poets loveable potheads and faulty political leaders An audacious debut *White Negroes* brilliantly summons a re-interrogation of Norman Mailer's infamous 1957 essay of a similar name It also introduces a bold new voice in Jackson Piercing curious and bursting with pop cultural touchstones *White Negroes* is a dispatch in awe of black creativity everywhere and an urgent call for our thoughtful consumption

Media/Society David Croteau, William Hoynes, 2018-08-02 Providing a framework for understanding the relationship between media and society this updated Sixth Edition of *Media Society* helps you develop the skills you need to critically evaluate both conventional wisdom and your own assumptions about the social role of the media Authors David Croteau and William Hoynes retain the book's basic sociological framework but now include additional discussions of new studies and up to date material on today's rapidly changing media landscape Now featuring streamlined content and a more engaging narrative this edition offers expanded discussions of the new media world including digitization the internet the spread of mobile media devices the role of user generated content the potential social impact of new media on society and new media's effect on traditional media outlets

Pandemic Education and Viral Politics Michael A. Peters, Tina Besley, 2020-10-07 Viral modernity is a concept based upon the nature of viruses the ancient and critical role they play in evolution and culture and their basic application to understanding the role of information and forms of bioinformation in the social world The concept draws a close association between viral biology on the one hand and information science on the other to understand viral technologies conspiracy theories and the nature of post truth The COVID 19 pandemic is a major occurrence and momentous tragedy in world history with millions of infections and many deaths worldwide It has

disrupted society and caused massive unemployment and hardship in the global economy Michael A Peters and Tina Besley explore human resilience and the collective response to catastrophe and the philosophy and literature of pandemics including love and social distancing in the time of COVID 19 These essays a collection from Educational Philosophy and Theory also explore the politicization of COVID 19 the growth of conspiracy theories its origins and the ways it became a viral narrative in the future of world politics **President Donald Trump and His Political Discourse** Michele Lockhart,2018-10-26

President Donald Trump and His Political Discourse brings together a diverse collection of perspectives on President Trump s Twitter rhetoric Truly unique in its in depth exploration the volume demonstrates the ways in which international and U S relations media and fake news and marginalized groups among other things have been the subject of President Trump s tweets It also features qualitative quantitative analyses evaluating tweet patterns broader language shifts and the psychology of President Trump s Twitter voice The purpose of this collection is not only to analyze the language used but also to consider the ramifications of the various messages on both individual and global levels for which Trump is both celebrated and criticized Interdisciplinary in approach this collection is a useful resource for students in political rhetoric and communication international relations linguistics journalism leadership studies and more *Traffic* Ben Smith,2024-05-07

Engrossing and suspenseful The New York Times Expertly pulls readers in The Guardian Smith sharply chronicles the revolutionary moment Financial Times The origin story of the post truth age the candid inside tale of two online media rivals Nick Denton of Gawker Media and Jonah Peretti of HuffPost and BuzzFeed whose delirious pursuit of attention at scale helped release the dark forces that would overtake the internet and American society If attention is the new oil Traffic is the story of the time between the first gusher and the perceptible impact of climate change The curtain opens in Soho in the early 2000s after the first dot com crash but before Google Apple and Facebook exploded when it seemed that New York City rather than Silicon Valley might become tech s center of gravity There Nick Denton s merry band of nihilists at his growing Gawker empire and Jonah Peretti s sunnier team at HuffPost and BuzzFeed were building the foundations of viral internet media Ben Smith who would go on to earn a controversial reputation as BuzzFeed News s editor in chief was there to see it and he chronicles it all with marvelous lucidity underscored by dark wit Traffic explores one of the great ironies of our time The internet which was going to help the left remake the world in its image has become the motive force of right populism People like Steve Bannon and Andrew Breitbart initially seemed like minor characters in the narrative in which Nick and Jonah were the stars But today anyone might wonder if the op posite wasn t the case To understand how we got here Traffic is essential and enthralling reading *The Madness of Crowds* Douglas Murray,2019-09-17 THE SUNDAY TIMES

BESTSELLER Updated with a new afterword An excellent take on the lunacy affecting much of the world today Douglas is one of the bright lights that could lead us out of the darkness Joe Rogan Douglas Murray fights the good fight for freedom of speech A truthful look at today s most divisive issues Jordan B Peterson Are we living through the great derangement of our

times In *The Madness of Crowds* Douglas Murray investigates the dangers of woke culture and the rise of identity politics In lively razor sharp prose he examines the most controversial issues of our moment sexuality gender technology and race with interludes on the Marxist foundations of wokeness the impact of tech and how in an increasingly online culture we must relearn the ability to forgive One of the few writers who dares to counter the prevailing view and question the dramatic changes in our society from gender reassignment for children to the impact of transgender rights on women Murray s penetrating book now published with a new afterword taking account of the book s reception and responding to the worldwide Black Lives Matter protests clears a path of sanity through the fog of our modern predicament [Veiled Threats](#)

Mia Bloom, 2025-02-15 *Veiled Threats* challenges the idea that women in violent terrorist groups lack agency Too often these women are assumed to be controlled by men their fathers their husbands or some other male relative Mia Bloom contests this narrow understanding Although extremist groups often control different aspects of women s lives including their religious obligations or dress jihadi women have asserted themselves in myriad ways Bloom interrogates the prevailing perceptions about women s involvement in violent extremism exclusively as victims manipulated drugged or coerced Following her pioneering work on women in Bombshell Bloom lifts the veil of the secret world of women in jihadi groups to provide a nuanced and complex explanation of their motivations and challenge misperceptions about women s agency *Veiled Threats* explores the range of roles of the women involved in jihad not only across secular and religious groups but within affiliated religious groups and examines how these extremist groups have used rape as a weapon of war Bloom explains how women are used and abused deployed and destroyed and the many ways in which their roles in terrorism have evolved over the past three decades
