

"Richard Gracer's book represents a seminal step forward in understanding the underlying molecular pathways of addiction, and more importantly the dietary interventions to help alter those pathways. For any one who has an addiction problem or who knows someone with an addiction problem, this book will give them hope based on science."

—Barry Sears, PhD

Bestselling author of *The Zone* books

An oil painting of a person with reddish-brown hair lying down, their head resting on a yellowish-gold textured background. A dark brown dog is curled up on the person's back. The person's face is in profile, looking towards the right. The overall style is soft and painterly.
