A Plain English Reference To The Of Mormon:

A Plain English Reference to the Book of Mormon Timothy B. Wilson, 2023-02-14 This book reads on a 8th to 9th grade level making it a useful tool for students of all ages It was created to bridge the gap between the text of The Book of Mormon and the reading and or word comprehension and or signing skills of many people *The New Larned History for Ready Reference, Reading and Research* Josephus Nelson Larned, 1923 **Having Visions** Susan Stansfield Wolverton, 2004 Annotation A historian and literary critic offers a plain language translation of Joseph Smith s 1830 Testament and Prophecy and traces the bizarre history of the Mormon religion History for Ready Reference from the Best Historians Josephus Nelson Larned, 1901 **History for Ready Reference** Josephus Nelson Larned, 1895 **History for Ready Reference, from the Best Historians, Biographers, and Specialists** Josephus Nelson Larned, 1895 *How The Book of Mormon Came to Pass* Lars Nielsen, 2024-04-01 Several explanations for the seemingly sudden appearance of The Book of Mormon in 1829 first published in 1830 have been put forth by both historians and apologists alike Each holds some value to its advocates while displaying obvious inconsistencies and unexplained features However significant new evidence necessitates the revision of all such authorship theories including and especially the sole authorship hypothesis that Joseph Smith Jr between the ages of twenty two and twenty three single handedly composed all the sentences in The Book of Mormon through creative writing automatic writing or inspired dictation Neoteric observations reveal deliberately hidden details in Mormonism s keystone scripture that could not have been put there by Smith What is the real story behind how the two bookending characters Nephi and Mormon got their names Where did the idea of Nephi being guided through the wilderness by a spiritually magnetic compass a curious ball having pointers spindles and writing on its sides truly come from In this book such details are called Kircherisms a new class of anachronisms in The Book of Mormon These Kircherisms have revealed a fresh set of influences an undiscovered source text and a wellspring of intriguing evidence that has never been published anywhere else With an infusion of new data this book presents a novel and distinctive exegesis as well as a mutually exclusive and collectively exhaustive framework for organizing and evaluating the merits of all prior authorship theories One mechanism in particular has emerged as the most comprehensive evidence based and satisfying explanation for how The Book of Mormon came to pass Trigger Warning This book is not written for true believing Mormons TBMs If you are a TBM and you do not yet have a robust support system outside of the Mormon church do not read this book If you continue to read it you accept the responsibility of managing your immediate or eventual faith crisis in a way that will not result in harm to yourself or others **Mormon Crises** James A Beverley, 2013-03-12 Mitt Romney s run for President of the United States and the recent success of the Broadway play Book of Mormon has created enormous interest in the Church of Jesus Christ of Latter day Saints In spite of enormous media focus during this so called Mormon Moment coverage has been often shallow and misleading even from the LDS Church Few reporters dug deep enough to deal with the evidence that the Mormon

Church is in a deep crisis not only because of members leaving but because of increasing proof of lies fraud false teaching and criminality at the start of Mormonism In *Mormon Crisis* Jim Beverley deals with major issues about Joseph Smith the first LDS prophet He provides a sustained critique of Mormon Scripture examines flaws in the LDS understanding of Church leadership and probes unique doctrines and practices including the secret temple ceremonies The book offers a serious indictment of the LDS belief system but also presents a way out of the current crisis facing one of America s most famous and controversial religions
