A Rainbow Of Gangs Street Cultures In The Mega City

Malcolm W. Klein, Cheryl L. Maxson

A Rainbow Of Gangs Street Cultures In The Mega City:

A Rainbow of Gangs James Diego Vigil, 2010-07-05 Winner Best Book on Ethnic and Racial Politics in a Local or Urban Setting Organized Section on Race Ethnicity and Politics of the American Political Science Association 2002 This cross cultural study of Los Angeles gangs identifies the social and economic factors that lead to gang membership and underscores their commonality across four ethnic groups Chicano African American Vietnamese and Salvadorian With nearly 1 000 gangs and 200 000 gang members Los Angeles holds the dubious distinction of being the youth gang capital of the United States The process of street socialization that leads to gang membership now cuts across all ethnic groups as evidenced by the growing numbers of gangs among recent immigrants from Asia and Latin America This cross cultural study of Los Angeles gangs identifies the social and economic factors that lead to gang membership and underscores their commonality across four ethnic groups Chicano African American Vietnamese and Salvadorian James Diego Vigil begins at the community level examining how destabilizing forces and marginalizing changes have disrupted the normal structures of parenting schooling and policing thereby compelling many youths to grow up on the streets He then turns to gang members life stories to show how societal forces play out in individual lives His findings provide a wealth of comparative data for scholars policymakers and law enforcement personnel seeking to respond to the complex problems associated with gangs *The Culture and Politics of Contemporary Street Gang Memoirs* Josephine Metcalf, 2012-07-02 The publication of Sanyika Shakur s *Monster* The Autobiography of an L A Gang Member in 1993 generated a huge amount of excitement in literary circles New York Times book critic Michiko Kakutani deemed it a shocking and galvanic book and set off a new publishing trend of gang memoirs in the 1990s The memoirs showcased tales of violent confrontation and territorial belonging but also offered many of the first journalistic and autobiographical accounts of the much mythologized gang subculture In *The Culture and Politics of Contemporary Street Gang Memoirs* Josephine Metcalf focuses on three of these memoirs Shakur s *Monster* Luis J Rodriguez s *Always Running La Vida Loca Gang Days in L A* and Stanley Tookie Williams s *Blue Rage Black Redemption* as key representatives of the gang autobiography Metcalf examines the conflict among violence thrilling sensationalism and the authorial desire to instruct and warn competing within these works The narrative arcs of the memoirs themselves rest on the process of conversion from brutal young gang bangers to nonviolent enlightened citizens Metcalf analyzes the emergence production marketing and reception of gang memoirs Through interviews with Rodriguez Shakur and Barbara Cottman Becnel Williams s editor Metcalf reveals both the writing and publishing processes This book analyzes key narrative conventions specifically how diction dialogue and narrative arcs shape the works The book also explores how these memoirs are consumed This interdisciplinary study fusing literary criticism sociology ethnography reader response study and editorial theory brings scholarly attention to a popular much discussed but understudied modern expression *The History of Street Gangs in the United States* James C. Howell, 2015-06-09 This book is an historical account of the emergence of youth gangs

and the transformation of these into street gangs in the United States The author traces the emergence of these gangs in the four major geographical regions over the span of two centuries from the early 1800s to 2012 The author's authoritative analysis explains gang emergence and expansion from play groups to heavily armed street gangs responsible for a large proportion of urban crimes including drive by shootings that often kill innocent bystanders Nationwide street gangs now account for 1 in 6 homicides each year and for 1 in 4 in very large cities In recent years the number of gangs gang members and gang homicides increased even though the U S has seen a sharp drop in violent and property crimes over the past decade The author's historical analysis reveals the key contributing factors to transformation of youth gangs including social disorganization that occurred following large scale immigration early in American history and urban policies that pushed minorities to inner city areas and public housing projects This analysis includes the influence of prison gangs on street gangs The first generation of prison gangs emerged spontaneously in response to dangers inside prisons The second generation was for many years extensions of street gangs that grew enormously during the 1980s and 1990s particularly in large urban areas in which public housing projects have served as incubators for street gangs The third generation of prison gangs is extremely active in street level criminal enterprises in varied forms often highly structured and well managed organizations that are actively involved in drug trafficking In recent years returning inmates are a predominant influence on local gang violence Now prison gangs and street gangs often work together in street level criminal enterprises This book identifies the most promising ways that gang violence can be reduced The best long term approach is a combination of gang prevention intervention and suppression strategies and programs Targeted suppression of gang violence is imperative Street workers that serve as violence interrupters can break the cycle of contagious gang violence

Youth Involvement in Street Gangs in California's Central Valley Huan Gao, 2024-11-13 This timely insightful and data led book fills a gap in gang scholarship by examining gangs in rural areas specifically focusing on youth gang activity Incorporating information from interviews with 96 active youth gang members and associates in three of the rural counties of California's Central Valley this book provides an in depth look at youth involvement in gang life in rural settings and addresses the underlying factors leading to the socialization of rural youths into gang life The book documents the family and school life of youths living in rural communities and examines the process by which they are initiated into gang activity It discusses their roles in various street gang organizations and their gang related and non gang related illegal activities It traces their experiences within the criminal justice system from initial contacts with the police to juvenile court and juvenile corrections Besides extensive interviews with the youths and official records collected from local criminal justice agencies data from more than 300 surveys of community members accompanied by extensive field research in local communities provides groundbreaking insights into a wide spectrum of issues related to gangs in rural settings While the Central Valley of California serves as the research site for this extensive work its findings are equally relevant to other rural areas in the United States and in the larger global

context This volume will be of pivotal interest to students scholars and academics in the fields of criminology criminal justice sociology law social sciences and political sciences as well as policymakers criminal justice practitioners community leaders and advocates for gang prevention and intervention programs

Street Gangs, Migration and Ethnicity Frank van Gemert,Dana Peterson,Inger-Lise Lien,2013-05-13 This book is the third publication from the Eurogang Network a cross national collaboration of researchers from both North America and Europe devoted to comparative and multi national research on youth gangs It provides a unique insight into the influence of migration on local gang formation and development paying particular attention to the importance of ethnicity The book also explores the challenges that migration and ethnicity pose for responding effectively to the growth of such gangs particularly in areas where public discourse on such issues is restricted Chapters in the book are concerned to address both situations where there have been longstanding problems with street gangs as well as areas where such issues have just started to emerge A variety of different research traditions and approaches are represented including ethnographic methods self report surveys and interviews official records data and victim interviews It will be essential reading for anybody interested in the phenomenon of street and youth gangs

Street Gang Patterns and Policies Malcolm W. Klein,Cheryl L. Maxson,2010-04-12 Street Gang Patterns and Policies provides a crucial update and critical examination of knowledge about gangs and major gang control programs across the nation Filling an important gap in the literature on street gangs and social control this book is a must read for criminologists social workers policy makers and criminal justice practitioners

European Street Gangs and Troublesome Youth Groups Scott H. Decker, Frank M. Weerman,2005 Although a well known phenomenon in the U S street gangs and other violent and criminal groups_ including racist groups_ exist also in European cities and countries and are of increasing concern in global law enforcement The eminent contributors to this volume present valuable new data on European youth gangs describing important characteristics of these groups and their similarities and differences to American gangs Their findings from the Eurogang Research Program compare European and American gang interventions and highlight the impact of immigration and ethnicity urbanization national influences and local neighborhood circumstances on gang development in several European countries It is an important resource on crime delinquency and youth development for criminologists sociologists youth workers policy makers local governments and law enforcement professionals

No Boundaries Tom Diaz,2011-01-25 Tom Diaz has worn out some shoe leather much like a good detective in gathering facts not myths or urban legends As a result he has produced an accurate and comprehensive look at a grave and present danger to our society From the Foreword by Chris Swecker former Assistant Director of the FBI and former head of the FBI s Criminal Investigation Division No Boundaries is a disturbing account of what many consider the next Mafia Latino crime gangs Like the Mafia these gangs operate an international network consider violence a routine matter and defy U S law enforcement at every level Also the gangs spawn kingpins such as the notorious Nelson Varela Martinez Comandari who nearly became the first Latin godfather

in the United States Focusing on the Los Angeles based Mara Salvatrucha MS 13 and the 18th Street Gang and the Chicago based Latin Kings Tom Diaz describes how neighborhood gangs evolved into extremely brutal sophisticated criminal enterprises and how local and federal authorities have struggled to suppress them As he makes clear the problem of transnational Latino gangs involves complex national and international issues such as racial tensions immigration policy conflict in Latin America and world economic pressures The Street Casino Simon Harding,2014-06-11 Gang violence is on the increase in certain neighbourhoods There is an urgent need for a fresh perspective that offers insight into gang structure organisation and offending behaviour to explain this increase Using the findings from an extensive ethnographic study of local residents professionals and gang members in south London and drawing on his vast experience and knowledge of the field Simon Harding proposes a unique theoretical perspective on survival in violent street gangs He applies Bourdieu s principles of social field analysis and habitus to gangs establishing them as a social arena of competition where actors struggle for distinction and survival striving to become players in the game in the casino of life Success is determined by accruing and retaining playing chips street capital Harding s dramatic and compelling insights depict gang life as one of constant flux where players jostle for position reputation status and distinction This perspective offers new evidence to the field that will help academics students practitioners and policy makers to understand the dynamics of gang behaviour and the associated risks of violence and offending Simon Harding is currently a senior lecturer in criminology at Middlesex University UK He draws on 25 years of experience in research public policy and project delivery as a crime reduction and community safety practitioner *Cracks in the Pavement* Martin Sanchez-Jankowski,2008-09-02 Woven throughout with rich details of everyday life this original on the ground study of poor neighborhoods challenges much prevailing wisdom about urban poverty shedding new light on the people institutions and culture in these communities Over the course of nearly a decade Mart n S nchez Jankowski immersed himself in life in neighborhoods in New York and Los Angeles to investigate how social change and social preservation transpire among the urban poor Looking at five community mainstays the housing project the small grocery store the barbershop and the beauty salon the gang and the local high school he discovered how these institutions provide a sense of order continuity and stability in places often thought to be chaotic disorganized and disheartened His provocative and ground breaking study provides new data on urban poverty and also advances a new theory of how poor neighborhoods function illuminating the creativity and resilience that characterize the lives of those who experience the hardships associated with economic deprivation

A Rainbow Of Gangs Street Cultures In The Mega City Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free A Rainbow Of Gangs Street Cultures In The Mega City PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free A Rainbow Of Gangs Street Cultures In The Mega City PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to

knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of A Rainbow Of Gangs Street Cultures In The Mega City free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About A Rainbow Of Gangs Street Cultures In The Mega City Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. A Rainbow Of Gangs Street Cultures In The Mega City is one of the best book in our library for free trial. We provide copy of A Rainbow Of Gangs Street Cultures In The Mega City in digital format, so the resources that you find are reliable. There are also many Ebooks of related with A Rainbow Of Gangs Street Cultures In The Mega City. Where to download A Rainbow Of Gangs Street Cultures In The Mega City online for free? Are you looking for A Rainbow Of Gangs Street Cultures In The Mega City PDF? This is definitely going to save you time and cash in something you should think about.
