A Place Among The Fig Trees:

All the Apostles of the Bible Herbert Lockyer, 1988-09-27 These studies on the character of the Apostles form a complete series on the lives times and ministries of those men chosen by God to declare his message to the world **Fig Growing in the South Atlantic and Gulf States** H. P. Gould, 1919 Fig growing in the South Atlantic and Gulf States is peculiarly a home enterprise supplying the family with a fruit that is used in many ways though in the Gulf coast region of Texas many orchards of considerable size have been developed within the last 12 or 15 years Orchards planted west of the Mississippi River with few exceptions have proved disappointing while trees growing about buildings and in yards in the same localities have been habitually productive and long lived Fig trees thrive on well drained reasonably fertile soil containing plenty of humus and well supplied with moisture They also require care in tillage to avoid injury to the fine fibrous roots which are characteristic of fig trees East of the Mississippi River these conditions usually are better met about the homes than in orchards This bulletin describes the varieties of figs most suitable for the South Atlantic and Gulf States tells how to grow them and protect them from diseases and insects and suggests methods of making them into desirable products for the table Page 2 **The Twelve Chosen Disciples** Ian Fleck, 2017-03-02 Many Christians are unable to give the names or many details of Jesus twelve disciples and yet we can learn many lessons from their lives Each of them had his own personality but Jesus was able to change and use them in the service of the Kingdom of God They had faults like we do They were a mixed bunch of people each with their own gifts and struggles God calls all sorts of people and we cannot forget that Jesus was selecting men for a leadership role in the early church We can use the example of the apostles to inspire and teach us This is a tremendously useful book that will have a place on many a minister's bookshelf From Andrew through to Judas Ian Fleck's survey is detailed but accessible and never dry This is a timely book coming at a time when many in the church are speaking of the need for discipleship yet all too often little or nothing is ever said of the first disciples This book opens up their lives to us Rev Dr Paul Bailie Chief Executive Mission Africa Working in Nigeria Burkina Faso Chad and Kenya Inspired by material concerning the Twelve disciples which he has assembled from the Four Gospels and in interaction with other Scripture texts and some ancient traditions Ian Fleck in this series of meditations has succeeded in deriving from the lives of Jesus chosen followers challenging inspirational and practical lessons for readers to apply in discipleship of Christ today Rev Dr Gordon Campbell Professor of New Testament Union Theological College Belfast **The Parable of the Fig Tree** Jerry O.
