The Mirror of My Heart: A Thousand Years of Persian Poetry by Women Rabe`eh Balkhi, 2023-05-09 One of the very first Persian poets was a woman Rabe`eh who lived over a thousand years ago and there have been women poets writing in Persian in virtually every generation since that time until the present Before the twentieth century they tended to come from society s social extremes Many were princesses a good number were hired entertainers of one kind or another and they were active in many different countries Iran of course but also India Afghanistan and areas of central Asia that are now Uzbekistan Turkmenistan and Tajikistan Not surprisingly a lot of their poetry sounds like that of their male counterparts but a lot doesn t there are distinctively bawdy and flirtatious poems by medieval women poets poems from virtually every era in which the poet complains about her husband sometimes light heartedly sometimes with poignant seriousness touching poems on the

death of a child and many epigrams centered on little details that bring a life from hundreds of years ago vividly before our eyes This new bilingual edition of *The Mirror of My Heart* the poems in Persian and English on facing pages is a unique and captivating collection introduced and translated by Dick Davis an acclaimed scholar and translator of Persian literature as well as a gifted poet in his own right In his introduction he provides fascinating background detail on Persian poetry written by women through the ages including common themes and motifs and a brief overview of Iranian history showing how women poets have been affected by the changing dynasties From Rabe'eh in the tenth century to Fatemeh Ekhtesari in the twenty first each of the eighty four poets in this volume is introduced in a short biographical note while explanatory notes give further insight into the poems themselves [Re-orienting Modernism in Arabic and Persian Poetry](#) Levi Thompson,2022-12-08 Comparatively studies through both form and content the development of Arabic and Persian modernist poetry during the mid twentieth century **Book Review Digest** ,1919 [The New Encyclopedia of Islam 5th edition](#) Cyril Glasse,2024-09-24
