Adventure Guide Adventure Guide:

Adventure Guide to Trinidad and Tobago Kathleen O'Donnell, 2001-03 Although definitely a part of the Caribbean these two islands are unique refusing to conform with the stock Caribbean image created by glossy brochures and travel agencies They are both generous and Caribbean spirited but quite capable of going their own way This Adventure Guide takes you across the nation from mountains and hills to grasslands savannahs and palm lined beaches offering the intrepid traveler a ticket to explore Birdwatchers are drawn by the chance to see the beautiful scarlet ibis Night time excursions allow visitors to watch the miraculous egg laying practices of the leatherback turtle And caiman smaller versions of the South s alligators are a common sight And then there s Carnival which offers wild dances fantastical costumes and frenzied revellers Whatever your reason to visit T T you have the right guide in hand Accommodations restaurants travel tips sights museums excursions it s all here A special section is dedicated to the nation s booming yachting industry with details on marinas facilities and services I wish I d had this book the first time I visited Trinidad and Tobago The book fully describes the culture of these island people and this knowledge would make a trip to these wonderful islands even more enjoyable I also believe it s a good choice for readers who can t make the trip but still want to taste the culture Amazon customerI ve been to TNT once for two weeks and am returning again in a few months I bought the book to refresh my memory and more importantly get me excited about my return trip It s a great read and as the back cover suggests it really is written for the traveler who wants to experience more than just sunbathing However once you ve been to Trindad and Tobago you discover that they are not your generic Caribbean islands Visiting Trindad and Tobago is more of a cultural vacation than an island getaway Once you step foot off the plane at Piarco airport you ll never want to leave or you ll want to go back once every year The two islands are full of charisma and O Donnell and Pefkaros do a good job of capturing this spirit in the book You really cannot be intimidated by the cultures of TNT From the street vendor corn soup to crab and dumplings down de islands Maracas Pigeon Point Speyside fried flying fish Caribs lorries maxis wining Trinidad s great bar club scene the Northern Range etc this book virtually covers all Trinidad and Tobago vacation opportunities and experiences Amazon customerAn excellent take long tote as is the more adventurous Trinidad Tobago 2nd Edition by Kathleen O Donnell and Stassi Pefkaros which updates information on adventure travel with special focus on the wildlife and culture of the islands Midwest Book Review
