The Christmas Spirits on Tradd Street Karen White,2021-09-28 The Christmas spirit is overtaking Tradd Street with a vengeance in this festive new novel in the New York Times bestselling series by Karen White Melanie Trenholm should be anticipating Christmas with nothing but joy after all it s only the second Christmas she and her husband Jack will celebrate with their twin toddlers But the ongoing excavation of the centuries old cistern in the garden of her historic Tradd Street home has been a huge millstone both financially and aesthetically Local students are thrilled by the possibility of unearthing more Colonial era artifacts at the cistern but Melanie is concerned by the ghosts connected to it that have suddenly invaded her life and her house and at least one of them is definitely not filled with holiday cheer And these relics aren t the only precious artifacts for which people are searching A past adversary is convinced there is a long lost Revolutionary War treasure buried somewhere on the property Melanie inherited untold riches rumored to have been brought over from France by the Marquis de Lafayette himself and intended to help the Colonial war effort It s a treasure literally fit for a king and there have been whispers throughout history that many have already killed and died for it And now someone will stop at nothing to possess it even if it means destroying everything Melanie and Jack hold dear *The Cool Apple Express* Michael J. Hicks,2011-12-05 My inspiration for doing this journal and writing this book is basically an outlet to have a say Never have been one to get up in front of a group of people and speak I always had this excellent memory and writing was a way for me to get it out and so I decided to do just that So many times down through the years I was told by friends and even some professional people I should write a book My attempt to live in a normal family from the time I was very young it was never destined to happen Thats just the way it was a higher power was and is the ruler over that The thing that most people take for granted family has always been a missing link in my life As a result I have to talk mostly about experiences things hobbies friends etc and that is why you will find the absence of family in the context of my story I would have loved to have had family to be a part of my life When I retired from the Teamster via the BOEING Co in October 1995 I already had work to go to immediately and worked clear into 2002 My Mother passed away in August 1999 and she had lived a full life to 95 years of age Even though I had 3 daughters living and doing their thing in different parts of the country at that particular time my relationship with 2 of them was minimal and non existent with the 3rd After having moved up to Camano Island in 2003 and planning to stay there permanently well it turned out that wasnt what I really wanted after I got there and only lived there for 10 months sold that house packed up all my stuff and hauled it to Texas I had decided I would make an attempt to live near my oldest daughter It would at least give me a chance to maybe have a bond with my flesh and blood once in awhile It worked in the very short term till she changed jobs and moved to Dallas Too little too late it was not in the cards At this point

my oldest daughter and I have a pleasant relationship even though we see each other maybe twice a year Flying up to my home area in Washington state once or twice a year is one of the things I really look forward to I have some real solid friends in Washington that will always be my best friends Im really a Lucky Guy Mike Hicks Lowcountry Bombshell Susan M.
