JOURNEY INTO DARKNESS Charles Ray Brady, 2021-08-31 As Ben lay there in his semi conscious state his body racked with pain from head to toe the intensely bright light that hung above him seemed to bore itself into his very soul It happened so quickly and without warning causing him to catapult over the handlebars of his bicycle coming to a bone crushing heap at the side of the road He d only caught a glimpse out of the corner of his eye of an object being thrown before it clocked him to the side of his head leaving him with clouded thoughts of WHY ME An angry familiar voice by the gurney where he lay in the emergency room muttered a vivid threat through gritted teeth When I get ahold of that kid I ll beat the living tar out of him No you won t son you re not that kind of boy For Ben Okura being Japanese American took on a whole new meaning as he was to become one of the homeland s first civilian casualties of

World War II Ben didn't know it yet but at that moment he'd already started down an unimaginable darkened road filled with intrigue danger and adventure to places he'd never been He would have to settle up with fate and meet his destiny

A Journey Through Darkness Margareth Maganga,2010-09-27 Many of us may live our lives without ever stopping to think What if I couldn't see We hardly ever ask ourselves this question because to say the least we take our eyes for granted I like most people had never thought about it until 11th January 2008 My mother came to wake me up that morning and asked what I was still doing in bed and confidently I replied It is still dark outside Mum She told me it was 8am and the sun was shining bright a typical African morning I rubbed my eyes opened them wider and yelled out I can't see I can't see That was the beginning of a long journey through darkness

Journey Into Darkness Anthony Aalen,2000-09 In 1994 Bosnia Herzegovina is aflame in an ethnic and religious war The United States is publically committed to avoiding any entanglements in the Balkan Behind the scenes intelligence is preparing for the inevitable and trying to ensure all options are available Key to completing the intelligence mosaic is the recovery of a single computer disk which could sway the decision makers The covert operation mounted to recover the disk is intercepted by a Croatian patrol Pinned down and unable to make the rendezvous Bill Craig is alone and facing insurmountable odds

Journey Through Darkness Abbey DiGiando,2006-07 Follow DiGiando on her journey through the diagnosis treatment and recovery of her personal battle with depression There are days when I do not even get out of bed until 5 00pm or 6 00pm and I will return to bed after I eat dinner maybe an hour or two later When I have days like this I truly feel that my dreams are better than anything that I could be faced with in reality When I am asleep and dreaming I have a chance to escape my own reality I could equate it with having some kind of terrible physical pain and knowing a way to make it go away instantly only to know that as soon as I stop doing whatever it was I was doing to stop the pain the pain is going to come back just as strong if not stronger My mental state equates the pain and sleep is how I know that I can make it go away from Journey Through Darkness
