Palestinian Christians and the Old Testament Will Stalder, 2015 Based on the author s thesis Ph D University of Aberdeen 2012 *Christian Zionism and the Restoration of Israel* Colin Chapman, 2021-03-31 How should Christians today understand the many promises and prophecies in the Old Testament about the future of Israel and its land Are Christian Zionists justified in believing that these have been fulfilled in the return of Jews to their land since the 1880s and the creation of the State of Israel in 1948 This book discusses all the key texts about the restoration of Israel that are quoted in these debates questioning the Christian Zionist interpretation and offering an alternative This is followed by a detailed study of two important Old Testament texts dealing with the future of Israel Ezekiel 33 47 and Zechariah 9 13 understanding them in their original context and exploring how they are interpreted in the New Testament This is no theoretical ivory tower debate We are dealing here with the most bitter and protracted conflict of the last 150 years and the way we interpret the Bible has profound political consequences

The Gospel and the Land of

Promise Tim Bulkeley, Tim Meadowcroft, Peter Walker, 2011-05-13 Today the land of promise is a spark in the tinder dry atmosphere of Middle Eastern affairs Events there continue to wield influence among peoples and in places well beyond the region itself This raises for Christians the acute theological problem of how to relate to the land of promise today and in light of the land of the Bible Our hope is that this volume of essays will contribute to a more informed and theologically coherent response to the Land of Promise It is offered here in the name of peace for all peoples in that place and among those who continue to look to her as a place of promise

Days of Awe Atalia Omer, 2019-05-21 For many Jewish people in the mid twentieth century Zionism was an unquestionable tenet of what it meant to be Jewish Seventy years later a growing number of American Jews are instead expressing solidarity with Palestinians questioning old allegiances to Israel How did that transformation come about What does it mean for the future of Judaism In Days of Awe Atalia Omer examines this shift through interviews with a new generation of Jewish activists rigorous data analysis and fieldwork within a progressive synagogue community She highlights people politically inspired by social justice campaigns including the Black Lives Matter movement and protests against anti immigration policies These activists she shows discover that their ethical outrage at US policies extends to Israel s treatment of Palestinians For these American Jews the Jewish history of dispossession and diaspora compels a search for solidarity with liberation movements This shift produces innovations within Jewish tradition including multi racial and intersectional conceptions of Jewishness and movements to reclaim prophetic Judaism Charting the rise of such religious innovation Omer points toward the possible futures of post Zionist Judaism

Theologies of Liberation in Palestine-Israel Nur Masalha, Lisa Isherwood, 2014-04-29 This collection of essays concerns the development of contextualized theologies of liberation in Palestine and the indigenous Palestinian people s struggle for justice and liberation The work is innovative because of its inclusion of indigenous perspectives within its remit and the introduction of new

concepts such as civil liberation theology The collection offers other ways to look at biblical discourses and their impact on the ongoing conflict ways to live peace ways to be ethical when visiting these conflicted lands understandings of resource ethics and even a new way to understand how we approach our understanding of liberation theology Contributors include well known scholars from Muslim Jewish Christian Palestinian Israeli Indian American and British contexts This work goes beyond standard academic collections It is aimed not only at scholars and students but also at peace activists and policymakers It should be of use not only in academic courses but also for practitioners of conflict resolution peace and reconciliation

Lincoln's Political Ambitions, Slavery, and the Bible Edwin D. Freed, 2012-07-01 Abraham Lincoln did not take his family Bible to the White House And the reason he did not use the Bible in his first inaugural address was not because it failed to arrive in his baggage Freed concentrates on what Abraham Lincoln himself says instead of what others say about him which yields insights into understanding Lincoln's speech before the Young Men's Lyceum his reply to the Loyal Colored People of Baltimore and his Second Inaugural Address The author shows that much of what has been written about Lincoln's knowledge of the Bible and its influence on his thought is myth Although his language was replete with vocabulary from the Bible Lincoln's knowledge of it was superficial and he did not use the Bible to promote religion He was always a politician but with a moral sensitivity With the Declaration of Independence and the US Constitution he used the Bible to help him achieve his political ambitions and to support the emancipation of slaves A unique book on a subject never treated so thoroughly this is a must read for all Lincoln admirers

Catholic - Jewish Engagements on Israel Gavin D'Costa, Veto Ccn Etienne, White Op Thomas Joseph, 2025-07-25 This is the first volume of its kind bringing together a group of international Jewish and Catholic scholars in creative conversation addressing the question of the status of the land called Israel Is Israel best viewed as political territory the Holy Land or part of the biblical promise If committing to one of these options what are the theological and political consequences The book is divided into sections that take the reader through several related questions that bear upon this topic There is a preface with an overview of how far Catholic Jewish conversations have gone since Nostra Aetate and how these conversations have now begun to address the land Then there is an attempt to advance positive theological cases by Catholics and Jews affirming the people in the land as theologically significant not without difficulties regarding the state itself The next section deals with the bible Tanakh as the basis of such claims and addresses the different reading strategies by each community One of the central questions is then addressed what of the Palestinian people do the biblical promise to the Jewish people spell disaster for the Palestinians Can revelation mean dispossession The following essays address a stumbling block for both groups do Jewish and Christian theologies underwrite a nation state Isn't this option perilously close to God underwriting nationalism The book ends with subtle critiques of the entire venture undertaken in this volume Essential reading for Catholic Jewish relations and one that addresses one of the most pressing contemporary questions for both religions
