The New and Changing Transatlanticism Laurie Buonanno, Natalia Cuglesan, Keith Henderson, 2015-03-24 The European Union and the US are currently negotiating the Transatlantic Trade and Investment Partnership TTIP with potentially enormous economic gains for both partners Experts from the European Union and the US explore not only the groundwork laid for TTIP under the New Transatlanticism but also the key variables economic cultural institutional and political shaping transatlantic policy outcomes Divided into four parts Part I consisting of three chapters contextualizes the transatlantic relationship with an historical survey contemporary foreign relations and policy and cultural dynamics Together these chapters provide the background for understanding the evolving nature of the EU US relationship Part II of this volume focuses on governance and comprises two chapters one on transatlantic governance and the other administrative culture Part III consists of six policy chapters competition trade transport mobility regimes financial services regulation and GMOs Part IV consisting of three chapters explores prospects and challenges associated with transatlanticism including the TTIP The last chapter concludes with lessons learned and future challenges with respect to policy convergence the nature of the EU US relationship power resources and bargaining within the transatlantic partnership and an assessment of the future of deeper cooperation and integration This insightful account into policy cooperation between the EU and the US is a welcomed resource for policy specialists oriented toward comparative public policy wishing to enter the arena of Transatlantic Studies

Security and Defence Policy in the European Union Jolyon Howorth, 2014-06-10 The Common Security and Defence Policy CSDP has come a long way since its inception as the European Security and Defence Identity under NATO Yet more than a decade after emerging as an autonomous entity with its own capacity for civilian crisis management and military action the European Union's CSDP is still very much a work in progress This fully revised and updated new edition provides the most

comprehensive account available of the CSDP and the debates surrounding it Written by a leading authority in the field the second edition draws on the author's own extensive research in the area including hundreds of interviews with key actors and takes account of developments since the reforms of the Lisbon Treaty A brand new chapter assesses international relations theory and European integration theory as tools to understand the CSDP and critically engages with theoretical approaches that view security and defence policy as the exclusive domain of sovereign nation states The book concludes with an analysis of future hurdles for the European Union as it responds to new and often unpredictable crises across the globe

The Success of Sanctions Francesco Giumelli, 2016-03-03 The effectiveness of sanctions cannot purely be measured by the way they change the behaviour of their intended target The degree to which sanctions constrain a rogue state's behaviour and the signals they send to future targets should also be prime considerations In this thought provoking book Francesco Giumelli measures the true effectiveness of EU sanctions against a range of states including Belarus Zimbabwe Moldova Uzbekistan the USA and China He demonstrates that focussing purely on behavioural change is limiting especially when considering the actions and motivations of an international organisation and develops a process to evaluate the direct and indirect impact of EU sanctions Giumelli demonstrates the many different ways sanctions have been used by the EU to produce positive direct and indirect results and provides a multi level framework to assess the success of sanctions in the future

U.S. Approaches to Global Security Challenges Kristen Boon, Aziz Z. Huq, 2012 Terrorism Commentary on Security Documents is a series that provides primary source documents and expert commentary on the worldwide counter terrorism effort Among the documents collected are transcripts of Congressional testimony reports by such federal government bodies as the Congressional Research Service CRS and the Government Accountability Office GAO and case law covering issues related to terrorism Most volumes carry a single theme and inside each volume the documents appear within topic based categories The series also includes a subject index and other indices that guide the user through this complex area of the law Volume 124 U S Approaches to Global Security Challenges analyzes U S strategy toward security threats across the globe and identifies the beginnings of a shift away from a reliance on military power to the application of various types of civilian power which utilize a multinational approach The documents introduced by Douglas Lovelace include U S perspectives on the international security situation generally as well as reports on more specific topics such as the security situation in Afghanistan terrorism in East Africa the evolving role of NATO and cooperation between the U S and other governments such as the EU and China in the fight against terrorism

Transatlantic Relations and Modern Diplomacy Sudeshna Roy, Dana Cooper, Brian Murphy, 2013-12-17 This book explores the transatlantic

relationship between the US and Europe from multiple perspectives and disciplines Since the end of the Cold War a multi polar world has replaced the dual power economic and political stranglehold previously shared by the US and Russia Amid the shift in power politics the transatlantic partnership between the US and Europe has retained its importance in shaping the outcome of future global developments With the rise of the US as a major world power and the tremendous economic growths witnessed by countries such as China India and Brazil the political power structures within and outside the transatlantic relations have gradually undergone shifts that are important to recognise understand and critically assess on a consistent basis Transatlantic Relations and Modern Diplomacy assesses the strengths and weaknesses of this enduring transatlantic relationship from multiple perspectives and disciplines at a time when the US and European countries are facing increasing economic pressures significant political changes and substantial security concerns Examining this relationship through a range of different lenses including historical economic and cultural this book highlights the importance of examining the transatlantic relationship from a variety of different contextual and historical perspectives in order to herald the future changes as informed global citizens This book will be of interest to students of transatlantic studies diplomacy political science and IR in general [The Transatlantic Relationship](#) Jarrod Wiener, 2016-07-27 The Transatlantic Relationship written by a group of experts drawn from both sides of the Atlantic examines the security trade and cultural aspects of the United States European Union relationship It focuses in particular on the politics of alliance reconfigurations especially with regard to NATO the NACC and the OSCE the new issues in the new World Trade Organization the structural factors affecting NAFTA EU relations and the cultural dimensions of the relationship

The Top Books of the Year A Recast Partnership Institutional Dimensions Of Transatlantic Relations Significant Issues Series

The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. A Recast Partnership Institutional Dimensions Of Transatlantic Relations Significant Issues Series : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. A Recast Partnership Institutional Dimensions Of Transatlantic Relations Significant Issues Series : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
