The Story of B Daniel Quinn, 2010-01-13 From the author of the critically acclaimed award winning bestseller *Ishmael* and its sequel *My Ishmael* comes a powerful novel with one of the most profound spiritual testaments of our time A compelling humantale that will unglue stun shock and rearrange everything you

ve learned and assume about Western civilization and our future Paul Hawken author of *The Ecology of Commerce* Father Jared Osborne has received an extraordinary assignment from his superiors Investigate an itinerant preacher stirring up deep trouble in central Europe His followers call him B but his enemies say he s something else the Antichrist However the man Osborne tracks across a landscape of bars cabarets and seedy meeting halls is no blasphemous monster though an earlier era would undoubtedly have rushed him to the burning stake For B claims to be enunciating a gospel written not on any stone or parchment but in our very genes opening up a spiritual direction for humanity that would have been unimaginable to any of the prophets or saviors of traditional religion Pressed by his superiors for a judgement Osborne is driven to penetrate B s inner circle where he soon finds himself an anguished collaborator in the dismantling of his own religious foundations More than a masterful novel of adventure and suspense *The Story of B* is a rich source of compelling ideas from an author who challenges us to rethink our most cherished beliefs Explore Daniel Quinn s spiritual Ishmael trilogy *ISHMAEL MY ISHMAEL THE STORY OF B* *Thoughts to Enlighten and Empower the Mind* Errol A. Gibbs, Philip A. Grey, 2011-06 *Thoughts to Enlighten and Empower the Mind* is a compilation of two thousand and one questions and philosophical thoughts extracted from the authors seminal work *Five Foundations of Human Development* These thoughts follow the same chronology of information that helps to promote fulfilling lives through human development from spiritual moral social intellectual and physical perspectives The authors proffer that human beings possess the capacity to rise to a higher state of civilization when we allow our thoughts to permeate our minds with hope and optimism for the future of humanity Gibbs and Grey support the premise put forward by many great writers who contend that our thoughts determine happiness and effectiveness in life Our thoughts and our emotions have a great influence on our carnal impulses and desires We nurture good and bad thoughts and human effort alone is insufficient to properly manage them Negative thoughts establish barriers to communications and harmonious living Positive thoughts radiate harmony among individuals and nations More importantly those in positions of great power who lead humanity must by their thoughts help to create a better world or inadvertently plunge humanity into great chaos as has been recorded in six thousand years of human history Only a mind that is free of unhealthy thoughts transcends a life of fulfillment Positive thoughts permeate our beings and open up new frontiers of positive leadership for the modern age The global significance of this book is that it informs a more communal view of our world by virtue of the conditioning of our thoughts It will help inform enlighten and empower the minds of leaders to embrace every field of endeavor including engineering science religion politics the military and the environment This will be accomplished with the most vital creative and positive thoughts that rise to a high level of responsibility for the betterment of all humanity *Thought Revolution - Updated with New Stories* William A. Donius, 2014-08-26 Updated edition of the author s *Thought revolution* published in 2012 **The Laws of Social Psychology** Florian Znaniecki, 1925 *The Poetry of John Milton* Gordon Teskey, 2015-06-15 For sublimity and philosophical
