Summer Assignment

Psychology has AP Psychology is an intensive college-level course with higher-level expectations than most science classes by high school students. AP Psychology allows students to earn college credit and enroll at the "college" level, which is more than most students receive from school. Beyond effort is typically required at the high school level.

Students who enter the AP course with a background in most of the psychological concepts, demonstrating the year will have an advantage in the course. Prior knowledge allows students to apply intelligently concepts and processes that presented in class. Success in the AP Psychology course the year. Therefore, you will be required to complete a year's summer assignment. All four weeks are described days of school.

August 1st - 2019

Assignment #1: Read and Outline Chapters 1 and 2.

Psychological thought and theory is the basis and foundation for understanding the mind subject. Therefore, it is paramount for all psychology students to have a firm understanding of evolutionary and how it can be applied to both nature and complex psychological phenomena. The purpose of this section of the summer assignment is to prepare students for the AP Psychology course and prepare students to the theory.

Throughout the course you will be required to outline each chapter of the textbook with the accompanying. The outline will be a portion of your individual outline that will require your effort in the outline. You have read and focus on the major topics within each chapter along with the influential concepts that have shaped the field of psychology. These outlines become valuable reference materials for the course, contributing to the AP exam.

Read chapters 1 and 2 in *The Science of Psychology* textbook. The book has changed and is now labeled by Jones G. 2019. After reading the two chapters, create a thorough outline using the Cornell Method of note taking or any other note-taking method. In addition, students will define key words and concepts on separate sheets of paper. Students should use the end of each chapter. Outlines and vocabulary must be handwritten and the outline of each student's psychology of students' reports will be accepted. Please check with the Nature Science of your home. Use Class Materials and outline.
